Football

The St. Marys Rough Riders fell short of expectations this year by winning only one out of nine games.

This year's team was slowed up by many accidents and worst of all by Mr. Reed's leaving for Camp Shelby at about the half-way mark. The coaching was taken up by Mr. Bower and was very ably done.

Although these accidents may have had some bearing on the showing of the team, the main fault lay in the lack of the ability to play football. Still the boys showed great sportsmanship in all their games.

Cheer Leaders

The cheerleaders this year must certainly be congratulated on their overwhelming enthusiasm and loyalty. Throughout the streak of bad luck that seemed predominant this year in our athletics, they were never once caught shirking.

Their cheers and vitality did a lot to brighten up the game and cheer their team and spectators.

Memorial High School Band

Under the supervision of our new director, Mr. Hopkins, the band has improved considerably. During the year he has worked with the Memorial band, he has made improvements in their methods of playing and marching that has made the band one of which the school and community can well be proud.

The progress and capability of the band was shown at the band concert given at the St. Marys Theatre.

The band gave its best at every game, even after our discouraging defeats. The new drum beat, and marching formations can be looked upon with pride by everyone. Keep up the good work, band, we are proud of you.

Lettermen

HELMSTETTER—Ferd was rather light for the center of the line, but he held his position down as well as any one on the team. Ferd is a senior this year.

DUNCAN—A fast, hard charging guard who was never seen without a bloody nose. This was Dunc's second year on the varsity.

LOSHER—George was the lightest man on the line and probably the fastest. This was George's first year on the varsity. He played guard.

WIERWILLE—Virge played tackle. He was one of the largest men on the team, still his size was not used to its greatest advantage. Nevertheless Virge played as well as anybody else on the team. He is a senior.

BOTKIN—One of the outstanding tackles in the Buckeye League but Charlie also had his bad nights. His best game was with Lima. Charlie is also a senior.

SCHNARRE—Sonny was the most dependable player on the team. He was hurt early in the season but was able to play, after missing a couple of games, in the remainder of the season.

NAGEL—LeRoy was a tall pass-snagging end who caught passes like a ballet dancer, but he was a little weak on defense.

CROUSE—Dick was another one of our smaller lineman, but he tried as hard as any other player. He is a senior this year.

ASHBAUGH—"Pud" played tackle this year. He is a junior.

STEINECKER—Ott was one of the biggest linemen we had this year. He is a junior center and will be back next year.

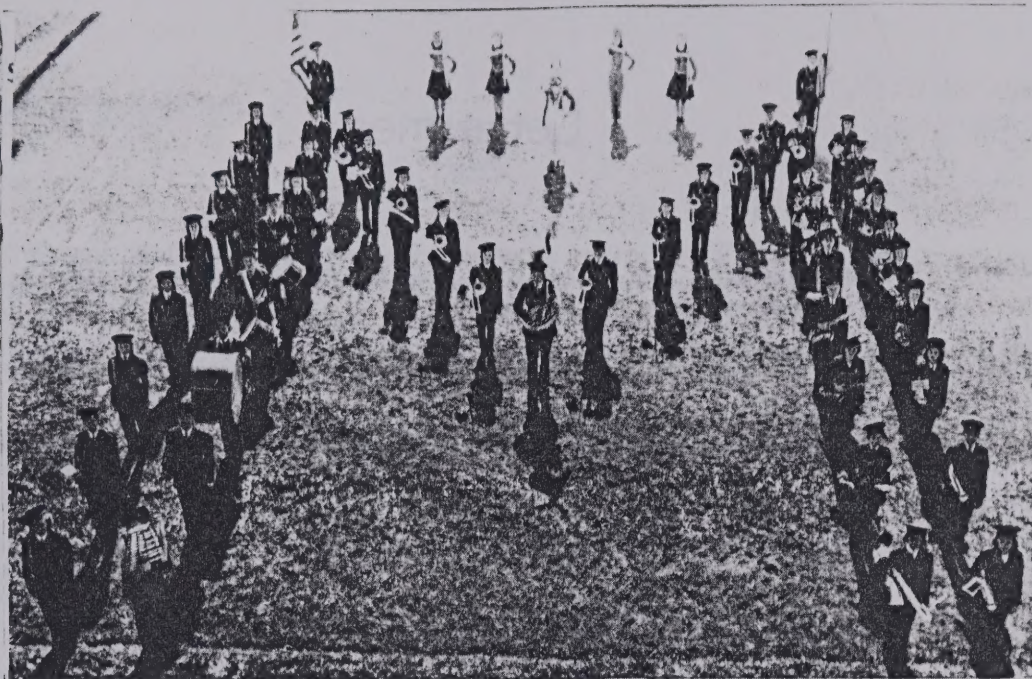

SMITH—A senior left half who played good fast football until he was hurt in the middle of the season. This is his second year on the varsity.

BRODBECK—Clem played right half and full back. He was a dependable player and gave his all for Memorial. He is a senior.

WIDNER—Ab played right half this year having been moved there from right end. This is his third year on the varsity.

MARTIN—Jack played fullback this year. Jack is a junior.

DERRINGER—Bill was a brainy quarterback. He also excelled in blocking and tackling. He will be back on the team next year.

Games

LIMA SOUTH—Who doesn't believe in superstitions? It was Friday, the thirteenth, and we were the unlucky ones. Of course, this won't happen all the time, for we know the Rough Riders will put all they have in every game. Lima South was just a little tough for us. Score: Lima South, 13; Memorial, 0.

WAPAKONETA—Back with our old rivals again. The Rough Riders tried to buck their way down the field, but the Indians had a way of stopping them. We didn't take their feathers, but they took our scalps. We lost by a score of 6-0.

COLDWATER—The Rough Riders traveled to Coldwater to give their boys a good work-out. It seems that both teams got a work-out, and Coldwater beat us. Score: 12-0.

CELINA—Oh! What a game! We scored for the first time this year. However, the Celina Bulldogs got a bulldog hold on us and beat us by a score of 19-6. Oh, Me!

BLUFFTON—The Bluffton Pirates sailed into Memorial High Field with black flags waving and armed to the teeth. Memorial tried to save itself, but was finally captured. Final Score: Bluffton, 32; St. Marys, 7.

BELLEFONTAINE—St. Marys traveled to Bellefontaine to invade the Chieftain's ground, but they found to their sorrow a wet and muddy field. The Rough Riders don't care for mud at all, so the Chieftains took us by a score of 32-0.

VAN WERT—Our boys went to Van Wert to be beaten by a score of 49 to 13. No one seems to know just how it happened, but the Cougars sprang upon the Rough Riders, much like the animal for which the Cougars were named.

WAPAKONETA—Gee, the Red Skins really scalped the Rough Riders this time. If the Rough Riders would only be a little rougher we might win a game some time. Wapakoneta beat us by a score of 13-0.

LIMA SHAWNEE—At last the Rough Riders really got rough. St. Marys fans witnessed game after game of disappointments, but at last they saw a very exciting game. For the first time this year our team worked as a team. The linesmen did a splendid piece of blocking. Shawnees' team was thrown for several losses. Our back field was exceptionally good. All in all, the Rough Riders wiped out the Shawnee eleven by a score of 13-0 in our favor.

Drum Majorettes

We are certain that every one will agree with us when we say that Margaret Fox is one of the best drum majors Memorial has ever seen. Her strutting made everyone sit up and take notice.

The drum majorettes are to be complimented on their splendid work. All spent much time trying to improve their baton whirling and marching. Emily Howell will graduate, but the others will certainly keep up the fine work.

Football players will sell the adult tickets. The high school pupils tickets may be obtained only from the principal's or superintendent's office.

The Rough Riders will open the season on the 13th with Lima South, a strong opponent.

Out of town games will be Sept. 27 with Celina, Oct. 25 with Bellefontaine, Oct. 31 with Van Wert and Nov. 8 with Wapakoneta.

The season's contests will be tough ones, and the Rough Riders will need to exert themselves to the utmost if they hope to come through the season with victories.

The team began its fall practice on Labor Day morning and have played every day since then. Last night was the first night practice.

In the spring training, the Rough Riders showed up good in practice games with Rockford and with the Seniors. They won from Rockford 25 to 0 and from the Seniors 6 to 0.

Coach Reed today said the team is heavier than last year and that it is showing up good in the practices to date. The additional weight will be of major help to the team, which suffered last year due to its light weight.

Additional bleachers have been ordered for the field. They will have a seating capacity of 400 so that larger crowds may be accommodated this year. The seats should be here by the middle of next week. 9-6

BAND MEMBERS ARE ENTHUSIASTIC AS HOPKINS BEGINS AS NEW DIRECTOR

The Memorial High School band is now on the "up-road", expecting to have a better, more successful year than ever before.

Our new director, Mr. George Hopkins, who has come to us from New Lebanon, Ohio, is working diligently with the group, showing them new steps and formations. Mr. Hopkins built the band in New Lebanon from one of fifteen to fifty members in the one year he taught there. His girls' glee club in that school placed third in a state contest last year. During his college career, Mr. Hopkins was student director of the Miami University band for four years.

Mr. Hopkins states that for the next ten weeks the band will concentrate on marching and formations. After that he expects to work on ensembles and concert music. His principal objective for the present will be to build up a good marching band. This, of course, will take work and not a little. The band has begun fervent practice with this in mind. Besides the regular rehearsal days, which have been changed from Tuesday-Thursday to Monday-Thursday, Mr. Hopkins has had several called rehearsals after school.

The band will play at the Anglaize County Fair, Sept. 25, and will participate in a massed concert there on Tuesday evening, Sept. 24, with Wapakoneta, New Knoxville, New Bremen, and Minster bands under the direction of Frank Simon, nationally known director of the Armco Band.

Mr. Hopkins gives encouragement by saying that our own M. H. S. band has many promising points, and, although some things need quick improvement, it may become a good or even a very good band.

It is obvious, at any rate, that only with the cooperation of the band members could any band-master be expected to produce a band, so we're sure that if this cooperation is given to Mr. Hopkins, he can turn out a band of which old Memorial can be proud of in the future.

FOOTBALL—RALLY HELD AT THEATER FOR LIMA SOUTH- ST. MARYS GAME

On Thursday, Sept. 12, a football rally was held on the stage of the St. Marys Theatre.

The purpose of this meeting was to obtain the support of the St. Marys' community for Memorial High's football team. Mr. McBroom was introduced by Mr. Campbell, the manager of the theater, and spoke for a few minutes on the need of support for the team. Since much expense is encountered every year in the outfitting of players, upkeep of the field, and etc., it is imperative that the attendance at the games be sufficient to meet the expenses of the season. After Mr. McBroom had spoken, Mr. Reed gave a short speech which was followed by speeches from Mr. Bower and Mr. Stoner. The cheer leaders then lead the audience in several yells.

It was hoped that this meeting would bring about a larger attendance at the game.

PROSPECTS FOR FOOTBALL TEAM FINE THIS YEAR SAYS COACH REED

The St. Marys High School football team has a wonderful chance to be champions this year. The main factor needed now is co-operation not only in the school but in the complete vicinity of St. Marys. Seemingly, the interest arises when teams are winning and decreases as the teams are losing. It is true that the boys have shown up excellently in practice against stiff opposition. We're sure they will give a good account of themselves under "fire."

When the high school football or basketball teams, the band, or the scholarship teams travel to fields of contest, they aren't known or introduced as the Memorial High representatives, but are called the representatives of St. Marys. We stress this point to show you what is needed to put these organizations across their goal. It is merely the heart-warming enthusiasm the folks at home can give them that make "champs" out of "chumps."

"The football team this year is the best in several years," said Mr. Reed.

The average weight of the probable starting line-up is approximately 167 pounds. An average height of the same players is approximately 5 ft. 9 in.

The saddest thing about writing this article is that we must tell of the loss of Gay Dennings in the athletic portion of the school.

For the most part he was an excellent football player. He was outstanding in his drive, an excellent blocker, and a good punter. It isn't the player that he was altogether that made him outstanding, but what he might have been no one can ever say. We are sorry to see him go.

The team this year has a true spirit of co-operation and a good attitude toward the work in practice. They feel that "practice makes perfect" and the harder they work the better their bodies can stand the gaff. They are sure that it takes all the drive and force of eleven men to defeat any other team that really wants to win. The boys keep much better training than of previous years as their part of self preservation.

The coaches are doing their utmost to make a winning team. Mr. Stoner, the new line coach really works those guards and tackles. Mr. Bower and Mr. Reed working together put the backfield, centers, and ends through such a rigid routine it sometimes seems questionable how the boys stand it.

As for individuals we believe there are no better tackles in the Western Buckeye League than Ashbaugh, Botkin, and Wierwille. Since the loss of Dennings it is a question which of the guards Duncan or Pifer will take fullback position. Omitting those two we have Loshier, Crouse and D. Mueller to take their places. The boys are exceptionally good blockers.

We have a close race for the position at center of which Steinecker and Helmstetter are contestants. We're sure both of the boys will be tried against Lima South and a decision will be made there. Schnarre and Nagel are our two pigskin snatchers and they really can pull down those passes.

As for the backfield Smith and Widner will probably take half-back positions with plenty of tricks up their sleeves. As we have explained Duncan or Pifer will furnish plenty of drive in the full back position. It is yet undecided who will play quarter back. There is plenty of keen competition between Martin, Brodbeck, and Derringer.

With this splendid group of players we have mentioned and plenty more on the bench nearly as good ready and anxious to show their ability we are sure they will give a good account of themselves. All they need is an interested group of spectators.

The weight and position of these boys mentioned are the following:

Probable starting line-up:
Fullback—Pifer, F.B. or G., 162;

Duncan, F.B. or G., 162.

Quarterback—Martin, 146; Brodbeck, 138; Derringer, 135.

Tackles—Botkin, 175; Wierwille, 185; Ashbaugh, 178.

Halfback—Widner, 164; Smith, 146.

Ends—Schnarre, 158; Nagel, 155.

Guards—Loshier, 150; Crouse, 149; Mueller, 152.

Centers—Helmstetter, 146; Steinecker, 159.

MEMORIAL HIGH ROUGH RIDERS PREPARE FOR GAME WITH LIMA SOUTH

TENTATIVE LINEUP ANNOUNCED BY COACH REED FOR GAME WITH TIGERS WHO WENT THROUGH LAST SEASON UNDEFEATED.

For the opening attraction to usher in the 1940 football season, the St. Marys Rough Riders have disregarded all precedents as warming up with an easy opponent and have chosen to take on the formidable Tigers from Lima South.

To show that it is not the intention of Coach Bob Reed and his charges to play any favorites, the Rough Riders will encounter a team tomorrow night that was unbeaten during the 1939 season. However, five of their last year's letter men will be missing at the opening kickoff, South High having lost them through graduation.

The spirit that drove the unbeaten Tigers throughout last years niche in the hall of football fame still flames in the remainder of the squad who claim that in some of the new pigskin toters there will be a flash of talent that was hidden under last year's outstanding luminaries, and it is their full intention to get under way by knocking off the locals in the first encounter of the season and go on to maintain this reputation.

As to the local squad, it is most certainly their intent to soften up the claws of the Tigers in definite and rough shod manner. With a zest of spirit that is grand to see, the youthful athletes representing Memorial High having the knowledge of the school and the town back of their efforts will unbend to the fullest to qualify for the confidence that has been expressed in this year's team.

The probable starting lineup for St. Marys in the season-opener at 8:15 o'clock Friday night was announced today by Coach Robert Reed. It will be Schnarre at left end; Botkin, left tackle; Duncan, left guard, Helmstetter or Steinecker, center; Loshier or Crouse, right guard; Wirwille or Ashbaugh, right tackle; Nagel, right end; Martin or Brodbeck, quarterback; D. Smith left half; Widner, right half; Pifer, full back.

Other players who have been showing up good in practice and who may get a chance in the contest with South are Axe and Dieringer at quarter; Miller at tackle or guard; Youngs, Hackler, Maze, Noble and Althoff at end; Spalding and Ireton at tackle; Chiles, Kohler, Vogel, Miley and Thomas at guard.

Last year St. Marys and Piqua were the only two-teams to score against the undefeated Lima South team. St. Marys lost its game 57 to 7.

A loud speaking system will be hooked up so that the plays may be hooked up so that the plays may be announced tomorrow night during the game. Reservation of season tickets may still be made at Sievert's Drug Store. 9-12

LIMA SOUTH WINS FROM MEMORIAL HI ROUGH RIDERS BY 13 TO 0 SCORE

The Lima South Tigers who walked over the St. Marys Rough Riders by a large score last season found an entirely different setup waiting for them at Memorial Field last night, and although they emerged victorious by a score of 13 to 0, they were lucky in not having the final result cut down more than it was.

South kicked off to Memorial, who were no doubt apprehensive in the face of the highly touted Tigers' record and on the first play Memorial fumbled. They punted and although South too fumbled on their first offensive they gained an advantage in the exchange.

The beef trust of South then asserted themselves for the balance of the first quarter and slightly outplayed Memorial by straight football and although leading in first downs they were unable to come any way close to scoring on the Riders.

In the second quarter the game St. Marys eleven held their heavier opponents for downs but lost the ball to the Lima boys who resorted to one pass which was successful and through constant line pounding through the lighter line put over their first touchdown and made the

extra point.

They repeated on practically the same tactics in the third quarter, with St. Marys getting the tough breaks on two of her punts but Lima was able to cross the local goal line once during this period which was their contribution to the scoreboard man for the evening. They failed to make the extra point.

After the second Lima touchdown the locals got hold of themselves and sensing that the great Tiger's bark was worse than his bite they opened up the logical resort for a lighter team against a heavier opponent. Finding themselves, they passed the beef trust dizzy marching down to the Lima ten yard line but were unable to move the mountains of flesh that stood between them and scoring.

From this point on out it could be safely said that other than for one long run for Lima the Rough Riders not only matched but outplayed the Lima boys in every department.

The game ended with Lima in possession of the ball in St. Marys territory but still and all it was a happy and surprise showing made by Memorial High which would indicate that their performance against a team of this calibre would warrant them coming out on the winning end of a lot of their remaining contests.

The stadium and bleachers were filled to capacity and the band under the director of George Hopkins made a fine impression between halves both with their music and their march formation in which they spelled out M. H. S.

It was a great game, and everyone is exceptionally happy over the showing made by our Rough Riders from Memorial High.

HARD FOUGHT GAME WON BY TIGERS BY 13 TO 0 SCORE AT MEMORIAL FIELD

LOCALS SHOW GREAT SKILL
AND COURAGE BUT WERE
OUTWEIGHED BY VISITING
TIGERS 15 POUNDS PER MAN.

The Lima South Tigers came to St. Marys Friday for the first game of the season.

The Rough Riders showed great skill and courage, but the difference in weight was too much for them. Lima had an average weight on the line of 15 pounds per man more than the Rough Riders and 2 pounds more per man in the back field. Seemingly this was the deciding factor of the game. The final score was 13-0 in the Tigers' favor.

St. Marys won the kick-off and chose to receive, Lima South defending the north goal.

South kicked to Martin on the 25 yd. line. He ran it back to the 40 yd. marker. St. Marys lost one yard on the first play, gained four on the next, and with 3rd and 7 to go on their own 43, Widner punted to Lima's 25. It was run back 15 yds. before the Rough Riders downed the Tiger man. Lima fumbled the ball on their first play and Hackler recovered. Once again St. Marys failed to drive and punted to Lima's 20. This time the Tigers ran it back only 2 yds., but then drove Memorial's boys back 25 yds., which included 2 first downs. They failed to make another first down and on the fourth down booted one which rolled over our goal line. It was then St. Marys ball 1st and 10 on their own 20, but they couldn't seem to drive, so resorted to punting. Lima was off-sides so St. Marys took the choice of giving Lima the ball on the 40 yd. line. Lima then ran it back to the 30 but was penalized 10 yds.

At this period of the game Lima took a time-out. They gained 3 yds. on the next play, on the 3rd made 4, and on the 4th a first down. The next two plays Lima gained but 2 yds., and, as the first quarter ended, it was Lima's ball on St. Marys 38.

In the second quarter Lima gained a first down to our 26 yd. line, but they couldn't make another, whereupon St. Marys punted to Lima's 10 and the runner was downed as soon as he caught the ball. On the first down a pass put them on the eleven. A right end run lost them 2 yds. and on the 3rd they passed to St. Marys 2 yd. line and scored by a plunge through right tackle. The extra point was made and the score was Lima 7, St. Marys 0. On the kick-off, Pifer took the ball on his own 30 but was stopped in his tracks. Widner then took the ball 17 yds. through his own left tackle. The Tigers got to Smith and St. Marys lost one yd. Widner then kicked to Lima's 35, and, with power, Lima reached the 50 yd. line at the end of the first half.

Starting the second half, St. Marys kicked off to South who took the ball on their 30 yd. line and ran it back to the 35 yd. line. Lima then moved the ball to the 20 for a loss of 10 yds. Then a run gained them 9 yds. A punt rolled out on St. Marys 40 and Widner next ran three yds. through Lima's line. Time was taken to replace Schnarre's shoulder pads. Pifer then ran the ball up for 3 yds and on the next play Widner could only get to the line of scrimmage. St. Marys took time out with each team substituting one player. Widner kicked a 40 yd. punt but the horn blew. Lima was off-sides and the play was called back. Widner's next punt was blocked, and it was Lima's ball first and ten on St. Marys 30. A 5 yd. run and then another gave Lima a first down again and ten to go on St. Marys 21 yd. line. Lima made another five yd. gain and St. Marys called for time out. Brodbeck was substituted for Martin. There was no gain on the next run. Schnarre was hurt on the play and a substitute was sent in. Within the next three downs South had a 4th down and 1 yd. to go on St. Marys 4th. Measurements showed South to have made a first down by inches

after the next play. Then South scored a touch-down, making the score 13-0. No extra point was gained. Lima kicked to St. Marys 20 yd. line and Smith returned it to the 25. On the first play St. Marys lost 2 yds. A pass from Smith to Widner gained 7 yds.; another from Smith to Widner made a first down; and another from Smith to Nagel

gained 3 yds. A plunge through the line brought St. Marys a first down on Lima's 43. Two more downs, and one yard was gained. An incomplete pass forced them to punt, sending the ball to Lima's 5 yd. line. It was run back to Lima's 20. On the next play Lima ran the ball back to their own 30, but was penalized 15 yds. The quarter ended.

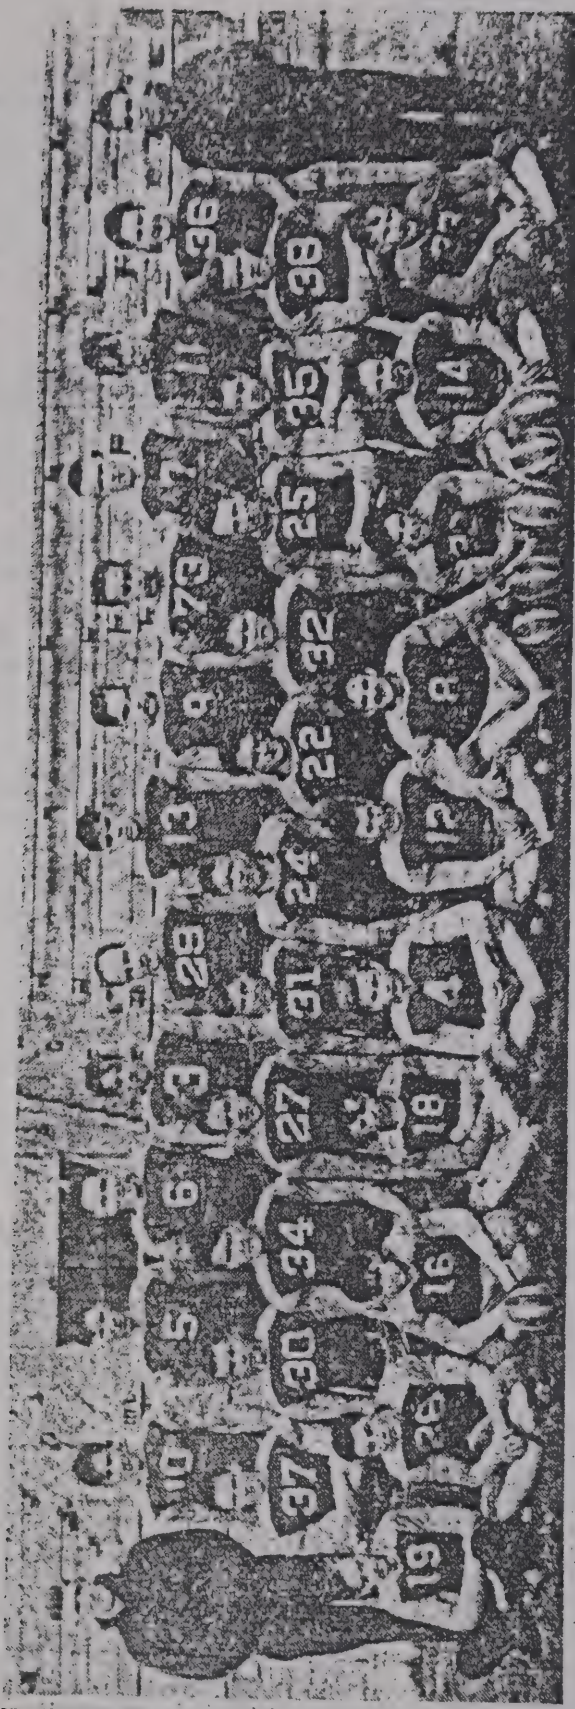

Beginning the last quarter, Lima punted to St. Marys' 30, and after fumbling a pass, Martin brought it back for an 8 yd. gain. Then there was an incomplete pass. Back field in motion lost St. Marys 15 yds. The ball was punted to Lima, and on the next play a lateral pass was intercepted by St. Marys, giving them a 1st down. On another pass they gained 5 yds, and still another pass brought them to Lima's 41. A run to the 36 yd. line, a plunge for a first down, and a lateral pass put St. Marys on Lima's 7 yd. line, with 2nd and 3 to go. No gain on the next play, an incomplete pass, and it was Lima's ball on their own 7 yd. line. After substitution Lima made two runs for a first down on their 25 yd. line. Then St. Marys was penalized 5 yds. for taking too many time-outs. A plunge through the line and it was Lima's ball, 1st and 10 on St. Marys' 45. A yd. gain, a left end run to St. Marys' 31, a right end run for 5 more yds., and Lima called for time-out. An incomplete pass by Lima and it was 4th and 5 to go on St. Marys' 26 yd. line. Another incomplete pass gave St. Marys the ball. An intercepted pass put Lima on the Rough Rider's 33 yd. line, 1st and 10 to go. An incomplete pass, a left end run and the game ended—Lima South, 13; St. Marys, 0.

STARTING LINEUP FOR GAME TONIGHT WITH WAPAKONETA GIVEN BY COACH

The probable starting lineup and weights for the Blume High Redskins tonight against Memorial's Rough Riders will be Wildermuth, left end, 165; Kennedy, left tackle, 155; W. Miller, left guard, 155; Erb, center, 148; Spurlock, right guard, 170; Berg, right guard, 175; Campbell, right tackle, 165; Whales, right end, 135; G. Miller, quarterback, 148; Lietz, left half, 156; Elliot, fullback, 143; Kohler, right half, 140.

And for the Rough Riders, one bit of discouraging news reveals that Schnarre will be unable to resume his position at end due to the foot injury he sustained in last week's practice.

Coach Reed will probably start with Vogel, right end, 151; Ashbaugh, right tackle or Wierwille, 184; Lusher, 150 or Crouse, right guard; Helmetetter, center, 144 or Stienecker; Duncan, left guard, 160; Botkin, left tackle, 175; Hackler, left end, 150, or Youngs; Martin, quarterback or Brodbeck, 145; Smith, left half, 145; Widner, right half, 161; and Pifer, fullback, 161.

Reports from Wapakoneta disclose that a mild flu epidemic which has affected Koenig and Charles Miller and some other members of the team has the Indians slightly off balance. Considering the general ailments that befall football athletes, these minor things will be of little consequence in the big battle tonight. Kick-off at 8:15.

WAPAK REDSKINS SCALP MEMORIAL HI ROUGH RIDERS BY 6 TO 0 SCORE

A desperate pass of thirty yards or more heaved at just the right time spelled the difference in the final score of the Wapak-Blume High and St. Marys Memorial High, played here last night with the final result Wapak 6, St. Marys 0.

A rather unusual comparison in weights of the team compiled by Prof. Albert Kohler, prior to the game, showed that there was an exact 7-11 of a pound difference in the starting lineups, with the Wapak line outweighing Memorial two pounds, and the backfield balancing this remarkably close difference.

So with this small advantage or disadvantage being an unimportant factor either way the Rough Riders with 8 first downs to their credit as against 2 for their opponents completely outplayed the Redskins with the exception of the last quarter when the above mentioned pass was completed by them for the only score in the game. Wapak failed in an attempt to make the extra point.

Time after time Wapak was forced to punt making very small yardage through the Memorial line whereas Memorial with good interference showed no trouble in smashing through for first downs. Even in passes completed Memorial showed 8 completed as against 2 for the

Redskins and it is hard to arrive at any advantage of even a scoring position for the Blume boys, but the one breath taking pass from Kohler to Lidtz on their fourth down was what changed the entire picture and coming as late as it did in the game, Memorial was never again able to threaten in the few remaining minutes of play. Memorial was in possession of the ball on their own 38 when the final shot ended the game.

Four fumbles and thirty yards loss in penalties was of no help to the local cause as against Wapak's two fumbles and no penalties charged against them.

All in all, although the Rough Riders were pronounced pre-game favorites it was an interestingly hard fought battle that is hard to explain on paper but with that result showing on the official score board.

With a true estimate of both their own and Blume's strength it is conceded that there will be a different story to tell when the Rough Riders travel to the County Seat on November 8th for the final game of the season there.

The usual large Wapak-St. Marys crowd overflowed both the stadium and the bleachers and enjoyed a sure fire thriller between two hard fighting teams.

Both bands drew loud cheering and applause in their colorful marching formations and splendid music. Particular attention was given to little Doris Orphal who acted as a Junior drum major and led their band with will executed hand springs and cart wheels.

The Memorial High band deserves

much credit for their continued good efforts, and have come a long way since the beginning of the current school season.

Between Halves

It was a long way from the typical football weather that we had during last week's game. With the temperature hovering around and above 75, it might have made a good night for a swimming meet except that the mosquitoes were out in large numbers and with large chasis.

Sat close to T. E. Reed who is our coach's Dad who knows the game well. And another big help is "Blub" Youngs, a member of last year's team. "Blub" not only knows the game well but is familiar with every player and every substitute.

It makes us feel kinda unnecessary when we hear the ladies around and in back of us discussing the fine points of the game with familiar ease. Some of them can even tell you what the players "ett" that evening.

Emil Limbachet has again been elected to "Call 'em," over Veldy Hall's loud speaker system. Occasionally Emil can be heard to "jine" in with the band on some whistle accompaniment.

When the bands take the field with their resplendent colors and blast out those military airs it does something to you. These band leaders get a big hand from this column.

Rough Riders Lose League Opener To Wapakoneta

Characters: Memorial Hi
Roughriders & Blume Redskins.

Time: Sept. 20, 1940.

Setting: Memorial Athletic
Field.

Act 1 Scene I: Wapak kicks off to St. Marys, defenders of the South goal. They fumble but recover and gain 9 yds. They drive to their 39 yd. line for a gain of 17 yds. within the six plays. When a big Rough Rider kicks the pigskin to the 30, yd. marker on the other end of the gridiron, a Redskin runs tow yds. with the prized possession before he "bites the dust." In the threee movements they lose 2 yds, and punt to 1 yd. in their own reservation. The cowboys had their ups and downs and could not score.

The Indians couldn't budge so they gave "It" back but the boys of the MH ranch had to grab a Redskin and lost 15 yds. They finally drove back all but 2 yds. of the quarterfield.

Scene 2: The pigskin changed hands and the Redskins gained ground on the Roughriders by exchanging kicks and bucking the St. Marys aggregation.

Act 2 Scene 1 The Indians, because of a tie game, chose to kick to St. Marys. Taken by Smith on the 20 who got to his 32. Widner punted to his opponents 30 yd. line. The "Boys of Blume" found they could not gain so with 3rd and 9 yds. to go kicked to St. Marys who got back to their 45. "Our Boys got a first down on their 45, but a bad center lost the St. Marys team 16 yds. St. Marys then punted to Wapak who ate dirt of the 34 yd. line.

Act 2 Scene2: Wapak put up no battle, but they kicked it into St. Marys hands on thelatters 45. The Rough Riders passed to their opponents 44 yd. line. They tried this again but the Redskins nabbed the picskin and was downed on the Rough Rider's 48 yd. line. They put the warriors into their dance and they drove to defenders 25 yd. line but lost the ball. Widner punted to Wapak's 10. Wapak still inspired, by the gaol out-fought the Rough Riders in the remainder of this quarter. They drove to their 48 in two-downs.

Brodbeck seemingly set the hooks to the Redskins, but the Indians recovered on the next play and ran to St. Marys 25 yd. line. Here with the fourth down and 10 to go Lietz passed to Wildermuth on the 2 yd. line and the receiver stepped across the goal. Wapak failed to make the the extra point, but it was not necessary for there was less thean a minute to play in the game.

Wapak then went through that last minute very jubilant, knowing their victory.

Coldwater High Downed Memorial By 12 to 0 Score

For the first time in four years since Memorial High and Coldwater High have engaged in football contests, the Coldwater High defeated Memorial at Coldwater last night by a score of 12 to 0.

Individually the Memorial boys put up a very creditable showing out playing the opponents in the early quarter until the line seemed to bog down with the opening of their passing attack and Coldwater was able to crash through for yardage on off tackle plays and sneaks.

It seemed to be Coldwater's turn to win as their first touchdown came as a result of a long pass which was nearly intercepted by a St. Marys player, but in batting down the pass, knocked it directly into the hands of the potential Coldwater receiver.

Their second score came mostly on straight football plays, and when our boys did gain possession of the ball they seemed to lack that spark that touches off a club for gains.

A very good report was given on the Celina High team in their 19 to 6 victory against Wapakoneta last night, and some intensive drill work is planned by Coach Reed for this week is preparation of what is going to prove a very formidable opponent for the Rough Riders here next week.

St. Marys Loses To Coldwater At Their Field

In a disheartening game at Coldwater, September 22, the Memorial High gridsters were beaten by the score of 12-0.

Reichert was the mainstay of Coldwater's offense by scoring once from a line plunge from St. Marys 16 yd. line, passing to V. Oppenheim to the 2 yd. line and then plunging through the line for the score.

St. Marys had nothing exceptional but a wide right end run from St. Marys 16 yd. line to the mid-field stripes but failed to drive on to the goal line. Widner got off some 50 yd. punts. It might be mentioned that Doyt Thomas showed up with a 11 yd. pass to Martin which fooled even Coldwater. Many other passes were completed.

The Yellow Jackets scored in the second and fourth quarters as did Lima South, but Lima South had the advantage of 15 lbs., per man where Coldwater put an extra man on the line.

The starters for the game were:

Pos.	Coldwater	St. Marys

MEMORIAL HIGH'S GAME WITH CELINA DESCRIBED IN PLAY BY PLAY ACCOUNT

L.W. 10-8

Last Friday night, the Celina Bulldogs over ran the Rough Riders by a nineteen to six score for the Bulldogs fourth straight victory and Memorial's fourth straight loss.

Celina received the ball on the kickoff and marched down the field to Memorial's eight yard line where they were held from scoring by a tightened defense. The Rough Riders kept Celina from scoring luring the first quarter and when it ended the ball was in possession of the Bulldogs on their own forty four yard stripe.

Esteppe Runs 70 Yds. for Touchdown.

When play was resumed Celina kicked to St. Marys twenty yard line. Our boys then gained fifteen yards by rushing the line but then were forced to lick. Esteppe received the ball on his own twenty-four yard stripe and ran seventy yards for the Green and White's first score of the game. The try for extra point was blocked. Botkin, one of our best front line players, was injured during the play and was helped off the field.

On the kickoff Smith received the ball on his twenty two yard line. After several plays St. Marys kicked and Celina, also not able to make any gains, punted the ball. With the ball in possession of the Rough Riders Smith completed a twenty-five yard pass to Brodbeck. Brodbeck then punted to Celina's ten yard line after Memorial failed to make another first down. The Bulldogs then tried line rushes but failed so they

kicked just as the half ended. The score at the end of the half was Celina six, St. Marys nothing. Memorial Scores on a Series of Runs

Memorial kicked off and Celina ran the ball up to the fifty yard line Memorial recovered a fumble but the Bulldogs got the ball back when one of our players fumbled. The Green and Whites were then thrown for a ten yard loss by Helmstetter and they punted to our twenty. Smith was injured on the play but was back on the game later. The two teams then held a punting feud with St. Marys kicking to Celina and getting a punt right back. Memorial kicked again and Celina, finding it couldn't make yardage, also had to kick. Brodbeck ran this punt for a twenty five yard gain and Thomas received the ball on a run-lateral-basketball pass play for a five yard gain. Memorial picked up another two yards by a line plunge and then Pifer went through the line for a touchdown. The try for point barely missed the uprights.

Memorial kicked the ball to the Celian teams thirty Celina was penalized five yards and then kicked to our forty three yard stripe. Smith passed again but Nagel, the potential receiver, was tripped. Because of this, Memorial received a first down. After two mon-gianing plays, St. Marys kicked to Celina's twenty after which Celina made a first down and four yards in two runs. The gun ended the quarter. The score at this point of

the game was Celina six and St. Marys six.

Esteppe Makes Second Touchdown.

Celian made another first down and Esteppe carried the ball for a total of thirty two yards in three plays. The Bulldogs then lost ten yards but Esteppe made them up by a ten yard run through our line. He next made eight yards in three plays. Pifer was injured on these plays but was back in the game later. Esteppe then went through our line for a touchdown. The extra point was blocked.

Memorial received the ball on their own ten yard stripe. Celina was penalized five yards and Derringer was badly hurt on the next play. Derringer had to be carried off the field. Strausburgh blocked St. Marys' attempt to kick but we recovered and punted to their fifty where Donovan took it and ran it to the four yard line. Shimp went over for the touchdown and Kinkley went around end for the extra point.

Celina kicked off to Smith who took the ball up to the Rough Rider's thirty five yard line. St. Marys was stopped from advancing at this point so they kicked. After Celina had tried two plays the final gun sounded and the ball game was over. The final score was Celina nineteen, St. Marys six.

CELINA WINS ITS FOURTH STRAIGHT VICTORY; DEFEAT ROUGH RIDERS 19-6

Celina Bulldogs checked up their fourth straight victory for the season last night while Memorial Rough Riders were going down for the fourth time. The game was played at Memorial's field, ending with a score of 19 to 6, Celina crossing the goal line twice in the last quarter to break the 6-6 tie.

After a scoreless first quarter in which St. Marys players exerted themselves to the limit to hold back the powerful Bulldogs, the Celina team opened up the second quarter with a new series of plays. Esteppe behind interference of his teammates ran sixty yards for the first touchdown, weaving his way through the field, after scooping up the ball punted by St. Marys. Try for extra point failed.

The second half saw St. Marys back on the field with a tired but grim team. The crowd cheered wildly when Brodbeck carried the ball across the line for St. Marys only touchdown following a run by Dieringer who had carried the ball to the five yard line before he was tackled and trampled, Dieringer was taken from the field unconscious, later removed in Vore's Invalid coach to his home in South Main street. He recovered consciousness sometime after midnight and today was able to go to the ball game at Columbus.

Schimp, Celina's full back, carried the ball over the goal twice in the last quarter after his team had marched down the field in plays St. Marys' team, weakened by injuries, could not halt. Kinkley made the extra point. Celina fans were jubilant as Schimp broke the tie and put Celina into the winning class.

The lineups follow:

Pos.	Celina	St. Marys
L.E.	Kinkley	Schmarre
L.T.	Ellis	Botkin
L.G.	Hehmeyer	Duncan
C.	Evans	Helmstetter
R.G.	C. Donovan	Losher
R.T.	Stasburg	Ashbaugh
R.E.	Sommers	Nagel
Q.	Esteppe	Dieringer
L.H.	R. Donovan	Smith
R.H.	Brown	Brodbeck
F.	Shimp	Pifer

Between halves the Celina and St. Marys high school bands marched on the field, and executed formations, playing marches and the school songs.

Band, Football Players Go To Ohio State Game

The Juniors and Seniors of the MHS band, together with the football players enjoyed a trip to Columbus last Saturday, October 5. They were the guest of Ohio State University and they attended the Purdue vs. Ohio State game.

Leaving St. Marys in the morning the buses arrived in Columbus around noon. The students were then dismissed for dinner and assembled again at the stadium in time for the game.

Shortly after the game the two buses left, stopping in Marysville before returning home. It was an enjoyable trip and many of the students are looking forward to it again next year.

Lieut. R. W. Reed Taught Last Class

Lieutenant Robert W. Reed, our coach and science teacher, taught his final classes Monday, Oct. 14. He has been granted a year's leave of absence by the St. Marys board of education and will leave soon for Hattiesburg, Mississippi. There, as commander of Headquarters Company, 3rd Battalion, 148th Infantry, he will be in training at Camp Shelby.

Mr. Reed has taught in the St. Marys High School since 1926, and he has built up an enviable record. It goes without saying that he will be missed by everyone, and we sincerely hope that he will be back with us again at this time next year.

The following are questions asked Mr. Reed:

Q. Who will fulfill your coaching position?

A. Coach Bower, and I wish him the best of luck.

Q. What about your classes?

A. Mr. Davis, graduate from Ohio State University, will undertake my position.

Q. Will you be back next year?

A. I certainly hope so.

Q. Will your family accompany you there?

A. Not at present.

Q. How many students will leave?

A. Three: Paul Pfenning, Bob Renne, and Bill Pifer.

Q. How many families will move down there now?

A. None. The War Department recommends that families remain at home until later.

Q. What do you think are the prospects for the football team?

A. I am sure that they will break into the winning streak soon as present injuries heal and all of the 1st stringers are back in the harness. I wish the best of luck to Coach Bower and the football squad for their remaining five games.

Good luck, Mr. Reed

LIEUT. REED PASSED PHYSICAL EXAM; TEACHES LAST DAY OF SCHOOL TODAY

Lieut. Robert W. Reed, commander of Headquarters Company, 3rd Battalion, 148th Infantry, today taught his final classes at Memorial high school until his return from a year's training under the recent congressional act.

Lieut. Reed, science teacher and football coach, will likely be granted a year's leave of absence by the St. Marys board of education which will have a special meeting tonight to take action on the matter.

He received word today that he had passed the physical examination for officers of the Ohio National Guards.

Band Gets Spats, Belts And Hats For Uniforms

You won't recognize the Memorial, High School band when they have dressed up in their new flashy yellow belts, spats, and yellow plumes. These will make a decided improvement in the band.

Have you noticed how the band marches lately? Our members certainly know how to step. The band has been co-operating with Mr. Hopkins, and they are getting more practice. Of course, "Practice makes perfect," and we want our band and school to be one of the best.

BLUFFTON TANGLES WITH ROUGH RIDERS AT MEMORIAL HI FIELD TONIGHT

A comparison of cold facts and figures on the potential power of Bluffton High over Memorial's Rough Riders might tend to overwhelm the majority of Rough Riders enthusiasts, but there is an underlying power in our Riders favor which facts and figures do not reveal. That power is in their team spirit.

We watched the Riders scrimmage he past two nights and disregarding the fact that while a team may look good in practice and not in battle, you cannot fail to absorb some of that fight spirit which the youngsters have, and there seems to be something in their favor which they have not had before.

Maybe it's the law of average. Possibly the time for them to get the breaks has arrived. A substantial fact worth remembering too is that after each scrimmage Coach Harold Bowers has run his charges an extra two miles each night. This would indicate their physical condition even considering the fact that it may be necessary to use an entire team of "sixty minute" men.

There's no taking away from Bluffton High the very enviable record they have achieved so far this season. None of it has been entirely luck, the speed combination of Fisher, Cooney, and Santschi has actually awed all of the opposing elevens they have met. But three outstanding stars might not find the going so easy with a well balanced opposing eleven. We can quote Coach Bowers that in his opinion the Rough Riders have as much balance as Bluffton. In the matter of weight St. Marys has to spot the Bluffton gang only eight pounds. This revolves to a matter of speed and precision as to what will make the final outcome.

Aside from all mathematical evidence there is one thing Bluffton is going to run into that is tougher than all the marks in the record books. That is team spirit.

For the first time in his fourteen years association with Memorial High Bob Reed will be watching the fracas from a seat in the stadium. Bob knows that the Rough Riders will give a good account of themselves regardless of all the advance press notices on the Buckeye League leaders. And if Bob is in his uniform the Rough Riders will put on that extra something as a salute to a fine soldier and a leader. They will want Bob to know that their contribution to his leaving is the best possible performance they can give him.

And that spirit, which we have referred to, might prove to be some pretty tough opposition for Bluffton when they take the field tonight.

BLUFFTON EASILY DEFEATS MEMORIAL HIGH LAST NIGHT BY 32 TO 7 SCORE

Playing no favorites in their merry stride for the championship of the Midwestern Buckeye League, Bluffton High rode rough shod over Memorial High Rough Riders last night by a score of 32 to 7.

It was not the travesty that the final result on the scoreboard might indicate. Bluffton High has an outstanding team, fast as blazes, and in execution of their trick plays they reveal a power that is exceptional for high school football.

Aggressive from the very first kickoff, Bluffton was not long in demanding their first pound of flesh, and scored their first touchdown two minutes after the whistle blew for the opening quarter.

By virtue of stubborn resistance and good headwork the Rough Riders were able to stem further threats during the first quarter but it was not to be for long. It couldn't be with the brand of ball Bluffton played. Hard, clean, fast and so tricky that it had the spectators gasping for breath, and before the first half ended they had twenty points to their credit.

But while they were getting a meal, our boys got their bite in the second quarter, bringing the ball deep from deep in St. Marys territory to cross the Bluffton goal and do it up right by converting the extra point.

This was the big moment in the game for both the Rough Riders and their rooters and stands alone as a monument to the kids who fought every single moment against overwhelming odds.

Widner threw a short pass to Schnarre who lateralled to Helmstetter and while Bluffton was wondering how even this much had come about Helmstetter lateralled to

Nagel and with the aid of excellent blocking Nagel scampered down the field for the first piece of pay dirt. Dieringer kicked goal.

The crowd, which by the way was just fair sized let the Rough Riders know how they felt about this and pandemonium reigned for the time being.

As we said before, however, it was not to be for long because within one minute after this happened Bluffton took to the air and it was necessary for the scoreboard man to hang up more credit for the league leaders.

The half ended 20 to 7 in favor of the visitors and they added six points to this in each of the two remaining quarters.

The Watkins to Santschi to Schmidt combination was really something to see, and much as we should liked to have won it was enjoyable seeing a team like the visitors in action and it was swell watching our boys give all the fight they had in them to a superior eleven.

The score:

Bluffton	6	14	6	6-32
St. Marys	0	7	0	0-7

Touchdowns—Nagel for St. Marys, extra point by Dieringer. Touchdowns for Bluffton, Santschi, 3; Watkins, 1; Schmidt, 1; extra points by Watkins, 2.

BLUFFTON MANAGES TO MAINTAIN LEAD IN LEAGUE AS THE M. H. S. PLAYERS LOSE

Friday night the Memorial High Rough Riders hung on to the tall end of a 32 to 7 count in their game with Bluffton. It was their fifth consecutive loss of the year.

Bluffton's mainstay was three fast-running backs in the form of Santschi, Watkins, and Fisher. These three went around end and through the line again and again for yardage. Bluffton also has a very good passing attack. They completed 13 out of 22 passes for a total gain of 109 yards. Watson did most of the heaving while Santschi was usually on the receiving end.

Bluffton Scores in First Period

Bluffton got its first break when Watkins intercepted a pass and ran it back to Memorial's 18 yard stripe. From there they scored on a run for the first six points of the ball game. The try for extra point was no good.

Early in the second quarter Smith, of M. H. S., was injured and was taken out of play for the remainder of the game. It is believed that he has a cracked elbow.

Again Bluffton got a break when they recovered a Rough Rider fumble on St. Marys' 20 yard line. Watkins then ran around end for Bluffton's second score. This time the extra point was good and the score stood at 13 to 0 in favor of the out-of-townners.

Memorial Scores on Trick Play

With the ball on their own thirty, the Rough Riders pulled a trick play and went down the field. Nagel made the touchdown after receiving a lateral from Helmstetter who had run it down to the 20 yard line. The try for extra point was completed.

Then Bluffton received the kickoff and on the next play, Schmidt received a pass on his own forty and ran for another touchdown. Again the point was good, and Bluffton had a 20 to 7 advantage over St. Marys as the half ended.

Bluffton Scores Twice More

Bluffton scored two more times in the second half. Once when Santschi caught a pass in the end zone and another time when this same player caught a pass and ran eight yards to score. Both attempts for extra point were blocked. The final score was Bluffton 32, St. Marys 7.

While the band was in the last formation, a float was brought onto the field and the four girls in it, Martha Noble, Betty Wiss, Florence Uetrecht, and Doris McElderry, sang "God Bless America."

BELLEFONTAINE Is Easy Victor Over Our Rough Riders

Last Friday the Memorial Rough Riders again went down to defeat when Bellefontaine eleven subdued them for a score of 32 to 0.

The Rough Riders did not have a chance during the whole game. The only time when they even had a scoring chance was when they made two first downs in a row and went down to the Chieftains 30 yard line.

Bellefontaine used three back-field men-Blackwood, McGarvey, and Brown to gain yardage time after time. The biggest run of the game was made when Brown ran through the line 43 yards for a touchdown.

Two of the Chieftains' touchdowns were made on pass plays; McGarvey making both of them.

Four of Memorial's starting lineup were not able to play. These were Smith, Widner, Botkin, and Wierwille.

Ashbauch, a regular player also were not able to play on account of injuries.

In the last quarter Bellefontaine had another chance to score when the second string took the ball down to St. Marys' 4 yard line, but gave it up and put the third string in. 11-5 L W

ROUGH RIDERS ARE EASY VICTIMS FOR BELLEFONTAINE; SCORE WAS 32 TO 0

Memorial High Rough Riders were completely swamped by the powerful Bellefontaine High eleven last night in the game played there by a score of 32 to 0.

The final result tells the story with little else to add to it. Using their only resource Memorial tried numerous passes and at one time succeeded in bringing the ball to the Bellefontaine thirty yard line but that was as much as they could accomplish against their opponents. Bellefontaine used end runs and stright football almost the entire route and were able to gain ground almost at will.

Next Friday the Rough Riders travel to Van Wert for an engagement there.

Telegrams Sent To Football Team

The St. Marys football team received many telegrams at Bellefontaine during their game with the Bellefontaine team. These messages were very heartening to the boys who appreciate the enthusiasm shown by the senders. The telegrams were sent by Elra Hudson, Margie Hay. The Jitney. The St. Marys Appliance Company, The St. Marys Laundry, Wiseners Five and Ten, Joe Gunderman, Orwick Motor Sales, Armour and Company in care of Paul Dillon, St. Marys Theatre, and from Miss Casey Geiger. Mr. Bower wishes to thank all these supporters of our team who stick by them during their losing streaks.

VAN WERT IS EASY VICTOR OVER MHS WITH MAN-POWER AND FAST BACKS

Overran and outplayed by a fast and powerful football team, the Memorial Rough Riders lost their seventh contest of the season to Van Wert by the score of 49-13.

St. Marys lost two points on a safety during the first two minutes of the game. From then on Van Wert went down the field whenever and however they wanted to.

Grandstaff made three of the Cougars touchdowns. The other four were made by Saulsberry, Good, Weigle, and Hall. Five of the attempts for the extra points were good.

The Rough Riders showed much improvement over their previous performances as far as offensive work is concerned. Brodbeck made the first touchdown for St. Marys on an end run. Schnarre caught a pass in the end zone for the second. Schnarre also made the extra point by catching a pass.

While Van Wert was beating St. Marys, Bluffton won from Bellefontaine. This game settled the question of the Western-Buckeye League Championship; both teams having been tied for first place before.

Next week Memorial plays Blume High at Wapakoneta and the week after that they play Lima Shawnee here for their last game.

ROUGH RIDERS GET 2 TOUCHDOWNS IN VAN WERT BUT LOSE GAME 49 TO 13

Some degree of consolation was afforded Memorial High Rough Riders by virtue of the fact that they were able to cross the goal line of Van Wert twice last night, making an all season high record for two touchdowns during one game.

They emerged with 13 points to their credit against their opponents. But 13 was not enough to count materially inasmuch as the Van Wert

eleven had had a total of 49 by the time the fracas was over.

From reports gathered here and there it was Van Wert all the way but there still is some degree of comfort in knowing that the Rough Riders were not entirely at the mercy of their neighbors and two touchdowns are enough to win a lot of games at the right time. This just didn't happen to be the right time.

In the instance of Coldwater High making only one touchdown against Celina last night those six points proved to be plenty as Coldwater blanked the boys from the county seat of Mercer County. The final result was 6-0 favor of Coldwater.

If the Rough Riders are successful in making one touchdown against the Blume High Redskins of Wapakoneta next Friday night, and display the kind of ability to hold them as well as they almost did in their first encounter this season, we will have knocked at the door of opportunity once at least.

The contest takes place at Wapak this time and we're still in hopes to upset some of old man hard luck and his doped bucket.

11-1

ROUGH RIDERS AND BLUME HI ELEVEN TO BATTLE TONIGHT IN COUNTY SEAT

"Our line looks very good and if we get good blocking, I think you can say we'll be pretty much in the ball game against the Wapak Redskins tonight," said Coach Harold Bowers today.

One thing in favor of the Rough Riders is the fact that Dennings is supposed to be able to return to the wars tonight for at least part of the game, as will Smith despite his chipped elbow. Widener is reported to be in good shape also.

It is hoped that all of the regulars will see service and with this probability there is very substantial evidence in Coach Bowers subdued indication that he will have a scrappy eleven full of plenty of fight tomorrow, and early indications from the Wapak dope artists show them to be considerably apprehensive in view of this.

The Rough Riders are still chafing under the 6-0 setback handed them by the Redskins right in their own back yard, and going on the age old bromide of "turn about being fair play" will carry the scrap to the Indians every inch of the way.

There has been no pompous forecasting from the Redskin camp. As a matter of fact they are running true to Indian form with stoical indifference about the contest tonight. But it may be counted upon that they will be lurking to spring that Indian surprise attack just as they did here during the final minutes of the two teams' encounter this season and if they do—the Rough Riders had better be prepared for anything. It goes without saying that there is an extra inducement in this contest to put forth more than twice their best effort this season, which all summed up may prove sufficient to stem the Redskin attack.

At any rate there will be a lot of fans accompanying the local boys to cheer them on in this one assignment.

According to the Wapakoneta Daily News the time for the kickoff is set at 7:30 P. M.

MEMORIAL ROUGH RIDERS LOSE TO WAPAK REDSKINS BY 13 TO 0 SCORE

A thoroughly chilled and hopeful group of fans saw the Memorial Rough Riders do the usual bowing act to the Blume High Redskins at Wapakoneta last night with the final verdict being Wapak 13, St. Marys 0.

For the first half the Rough Riders held their own, even with Wapak pulling an age old fake play on the fourth down that brought them within 8 yards of the Rough Rider's goal line.

The second half was a different story. The Redskins playing anything but classy football were able to rack up six points each quarter and making the extra point during the final frame.

It is certainly hard to imagine how the Rough Riders who had scored two touchdowns against the league leading Van Wert Cougars the week before, became so submissive to a team who by their own admission are nothing better than ordinary.

One thing must be credited to Wapak however, throughout the contest they displayed a mild degree of fighting spirit which was adequate enough against our boys.

To those who braved the chilly weather the one redeeming feature to shout about was the Memorial High band led by Director George Hopkins.

This is an outfit that will do St. Marys proud any place they visit. One intensely disappointed Rough Rider follower suggested that the band cue the Rough Riders with a nice mellow waltz tempo whenever they were fortunate to gain possession of the ball.

There's no alibi to offer for this one. Any time an end plays the greater part of a half without being off his feet there is not much to be expected either in the scoring department or in holding down the opponents.

Maybe when Shawnee appears here Nov. 15th the Rough Riders will have awakened from their coma long enough to display some degree of fight. A lot of times this season we have said that the kids looked good even in defeat but we are unable to use that bromide conscientiously after witnessing last night's fracas.

Still and all they're our boys and we'll be hoping against hope for them during the final game of the season.

The score:

Wapakoneta	0	0	6	7
St. Marys	0	0	0	0

WAPAK WINS AGAIN OVER OUR TEAM IN SECOND GAME BETWEEN THE TWO

A week ago when the Wapakoneta football team won their second game from us this season—the score was 13 to 0—one of the most evident facts was the way some of our players tried to do their part.

Charles Botkin was the outstanding player on the line. Charlie went through the Redskins' line more than any other two players. Even though he was taken out of the game twice, he still made tackles that should have been made by others of our team.

In the backfield it was another thing. Guy Dennings in his first game of the year showed a spirit and an ability to play despite his lack of practice that was very outstanding.

Other Rough Riders who were outstanding were Brodbeck and Widner. Brodbeck made several nice runs even though the interference had not formed. Widner did a very nice job of backing up the left side of the line when the opposing players came through.

As far as statistics go St. Marys did not even gain a yard in spite of the fact that two passes were completed for a gain of 20 yards. Widner caught one of the passes and Noble caught the other.

Lietz was the outstanding player on the Wapak team but he had the full co-operation of his teammates all of the time.

Wapak scored the first time in the third quarter when Whalen caught a pass in the end zone. The second score came when Lietz ran 12 yards to cross the double line. The try for the point was good the last time.

The Red and White was stopped only once and that was when they were on Memorial's six yard line with four downs to go. While they were there they tried for a field goal but the attempt was blocked.

Final statistics were:

ROUGH RIDERS WIN LAST GAME FROM LIMA SHAWNEE BY TWO TOUCHDOWNS

TEAM SHOWS REAL SPIRIT AND TEAM WORK

After a season of hard luck and disappointment the Memorial Rough Riders came through last Friday and won from Lima Shawnee 13 to 0.

It was a hard fought battle. Neither team could seem to be able to stop the other. But our team did the best playing in the end and that is what counts.

For the first time in a long time the team worked together. Out linemen threw Shawnee's runners for several good losses and also blocked for our backfield.

Our backfield also showed cooperation in the first degree. The blocking was the best its been this year. Brodbeck who made 171 yards of the Rough Riders' 235 through rushing had blocking up to the line of scrimmage or farther almost every time. Brodbeck made our second touchdown in the fourth quarter on an end run.

Widner was playing right end instead of halfback as he had played the rest of the season. In addition to his defensive work he also made our first touchdown in the second quarter on a pass from Brodbeck.

Fetter was the outstanding player on the Shawnee team. He had an ability to get away unless there were several men on him. He was also aided by Cox, Parent, and Jennings in his offensive work.

ROUGH RIDERS WIN OVER SHAWNEE BY 13 TO 0 SCORE; IN FIRST VICTORY

ROUGH RIDERS WIN OVER SHAWNEE BY 13 TO 0 SCORE; IN FIRST VICTORY

They did it. Our Rough Riders aided and abetted by some promising youngsters who have seen but little service this season swamped Shawnee High last night to the tune of 13 to 0, and turned in their one and only victory of the 1940 football season.

That spark that has smoldered all of this season finally caught that much needed draught from some remote corner of the wintry blasts that blew in Memorial Field last night and lighted the fire of determination in the ranks of our kids.

In the very first quarter and for the first time since the Van Wert game they found dirt on a well executed pass into the end zone from Brodbeck to Derringer and Derringer kicked the extra point.

Somewhat abashed by the effrontery of an under rated team to score against them Shawnee could do little in their jittery state but hope that they might pick up some advantage on an exchange in punts. But even this, the now heartened Rough Riders refused. They spilled play after play for Shawnee and waited for the final quarter to heave another twenty yard pass to pile up an additional six points. The try for extra point missed fire but what had been accomplished was plenty to fortify them against any probabilities.

The big thing our kids accomplished, was that even though it took up to the final game of the season to find themselves they did just that. They looked like a team after

all that is what their fans liked about them. They got the feel of the situation and it is grand to know that the Shawnee restorative powder will prove to be a great tonic for them next season. They're back in the good graces of their followers and it is a well-known axiom in the World of Sports that anyone likes to string along with the winner. Here's success to them next year and congratulations aplenty for the way they acquitted themselves last night. The lineups was as follows:

LIEUT. REED SENDS REGRETS AT DEFEAT GIVEN ROUGH RIDERS BY BLUME REDSKINS

Nov. 12, 1940

Dear Mr. Koenig and All:

I certainly enjoyed your letter. — I am sorry that I will not have time to answer all of you for Uncle Sam seems to mean business. We are in the midst of a 13-week intensive training period and so really have very little time for correspondence. I have been appointed Welfare and Theater Officer for the 37th Division. Get up at 6:30 A. M. and close the theater at 10:45 P. M. seven days each week. Bob Cummings has been driver for the past week. He is driving a new 1940 Plymouth. Last Saturday I had him drive me to New Orleans to purchase a public address system for the division. Just received the Leader and hated to read the result of the Wapak game. I guess this was just one of those years. Tell the boys to keep their chins up as there is always another game coming in. Say hello to the coaches and teachers for me.

I remain,

Your friend,

Robert Reed.

HEAD COACH

Coach Bower has shown that he is a fine leader. Although the team did not do as well as expected as far as winning is concerned they were taught two more important things, sportsmanship and co-operation.

ASSISTANT COACH

Coach Stoner is also a capable instructor. He has shown his ability by the excellent results of the Freshman and Sophomore teams. He also coached the linemen on the varsity squad.

SPORTS PARADE

The extracurricular activities probably enjoyed most by the people of St. Marys is the sports section. This includes basketball, football, baseball, tumbling and physical education performances.

The members of these organizations uphold the name of the school against other schools of this district. The students of Memorial and the citizens of St. Marys support these boys and girls and maintain an undaunted school spirit. The victories have been few while the losses were many; nevertheless the school has won the sportsmanship trophy which proves that the players are doing their best for their school.

Those athletes who had proved themselves superior or excellent in the sport contests during the year were awarded premiums for their outstanding work. Such premiums as letters, pins, medals or honorable mention awards were granted to them in special assemblies held at different intervals throughout the year. These awards have added to the interest of the boys in sports activities. The letter is the highest award. In order that a player may be eligible for a monogram in football and basketball he must have played in one-half the quarters; in tumbling the girl or boy must have completed three years of active participation. There were eight letters given in basketball, twelve for football, and five for tumbling.

COLDWATER VS ST. MARYS

ROBERT SPEER—Bob was a hard hitting halfback, equally good on offense and defense. He came to us from Vermont and so played his first and last season for Memorial.

ROBERT LOFFER — Bonehead earned his letter at end. He is only a Freshman and we expect much from him in the next three years.

JOHN ROBY—Big John was a rough and tough player. He was the largest man on our team. John is a Sophomore.

BUD YOUNGS—Bud was our tall, lanky end. He was a very good pass receiver and blocker. He will be back again next year.

TOM FISHER—A Senior guard who was a real spark plug in the line. Tom always came up smiling.

GUY DENNINGS—Gus was back with us this year after having been out with sickness last season. He was our hard plunging fullback and filled his position well.

ROBERT MAZE—A Junior halfback who was stopped in mid-season by an injury. Butch will be back next year.

HENRY STEINECKER—A Freshman guard who proved himself worthy of his "M." We expect Hank to do great things on the gridiron.

ROBERT STEINECKER—Bob was one of our biggest and toughest linemen. He played his last year for Memorial.

JACK MARTIN—Captain of this year's squad and is a Senior. Jack sparked the team. He generated a lot of power on offense and was solid as a block on defense. He will be missed.

DOYT THOMAS—Doyt was small but by no means easy to take out of a play. He was on the bottom of the pile every time. Doyt is a Sophomore.

WILLIAM DIERINGER—Bill was our signal calling quarterback. This was his second season on the varsity. Bill is a Senior.

Football

The football season this year was rather disheartening. After a very bad start the team began to show improvement. About mid-season the peak was reached by a win and a tie respectively. The season came to a close by dropping the last three.

Many of our games were close, and this made the task seem much harder. Our team suffered the loss of many players due to injury and sickness. Many of our squad were freshmen and sophomores who lacked experience, and this helps to brighten our hopes for a better showing next year.

SUPERIOR RATING IN STATE FINALS

The Memorial High School Band has completed a very busy year under the leadership of Mr. Richard Schilling. It is now a sixty-member organization which includes many accomplished soloists. During the year, the band has performed many times. Among these are: Three concerts, performances at football games and Eagles, band festival; participation in the Greenville festival. The band mothers and the Board of Education are to be credited for the new suits and new instruments which the band has used throughout the year.

On March 21, 1942, the Memorial High School Band participated in the Western Ohio District Contest held at Springfield where it competed against other BB bands. In this contest the band received first rating, superior, which entitled this organization to compete in the state contest.

Drum Major and Majorettes

The drum major followed by the majorettes initiate a majestic entrance of the band into the field of view. These twirlers maintain a systematic and an orderly formation in the band proper.

Cheer Leaders

The megaphones magnified the voices of these four young misses who echoed the praises of Memorial. They have led the chorus of cheers throughout the year and have done a very good job in convincing the athletes of our school that the spectators are behind them.

SIDNEY DEFEATED ROUGH RIDERS 6 TO 0 FRIDAY IN OPENING GAME

**LOCAL GRIDSTERS FOUGHT
HARD BUT WERE UNABLE TO
STEM YELLOW JACKETS OF-
FENSE IN FOURTH QUARTER—
BAND MEMBERS WERE OUT
IN NEW UNIFORMS.**

After holding Sidney Yellow Jackets scoreless for three quarters the Memorial Rough Riders were powerless in the fourth quarter against the steady advance of the Yellow Jackets down the field on runs off tackle and line bucks.

Flanagan carried the ball across the goal line for the Yellow Jackets one and only marker. Try for extra point failed.

It was shortly after this play that St. Marys spirits zoomed high when Dieringer intercepted a pass and ran better than 65 yards before he was caught by a Sidney man within a few yards of the goal line. It was a beautiful run with the St. Marys boys picking out most of the opposition. Sidney held the line against St. Marys' attempts to cross over, and the Rough Riders lost the ball on downs and with it went their best chance to score. Once earlier in the game Jack Martin broke away for a 50 yard run, going deep into Sidney's territory before he was brought down.

Sidney threatened several times but St. Marys tightened its defense and held their attacks except the one time.

Dennings made small gains for St. Marys consistently, playing a hard game.

Hank Steinecker and Bob Loffer, two freshmen who donned football suits for the first time this fall, showed up good in the Sidney contest. The boys played a major part of the game and give indications of developing into very good players.

The boys were weakened through their efforts to hold the Sidney offense back and were unable to push the offensive plays with enough snap to break through Sidney's defense.

The stating linups for the two teams were:

Pos.	Sidney	Memorial
LE	Warbington	Strohl
LT	Watercutter	Fisher
LG	Knasel	H. Steinecker
C	Ely	R. Steinecker
RG	Brown	Thomas
RT	Friestahler	H. Speer
RE	Mutschler	Youngs
QB	Henke	Dieringer
LH	Flanagan	Martin
RH	Johnson	R. Speer
FB	Corbin	Dennings

Burk, Seitz and Clark were the officials for the game.

Between halves the Sidney and Memorial high school bands went on the field for formations and to play a group of selections. The Memorial band members were in their new uniforms of royal blue and gold, bought by the Band Mothers club, and they made a splendid appearance on field.

The formations were cleverly executed, the bands forming the letters S and M. Sidney band also formed a bell and played the Bells of St. Marys in tribute to St. Marys.

The opening game was largely attended, every seat being occupied. There were a great many spectators who stood throughout the game. 9-20

MEMORIAL LOSES FIRST GAME OF SEASON TO SIDNEY YELLOW JACKETS

**DIERINGER AND MARTIN MAKE
SPECTACULAR RUNS FOR ST.
MARYS**

Last Friday night the school football season opened with a hard fought, but disappointing game between Memorial's Rough Riders and Sidney's Yellow Jackets. The two teams hadn't played each other for several years and were almost equally matched. They played a spirited game, and for the first three quarters it seemed as though the game would end in a tie. However, in the last quarter Sidney's team pushed through the St. Marys' time for a touch down.

During the first half, Jack Martin of the M.H.S. team made a thrilling fifty yard run, which carried the ball into Sidney's territory. After the half, however, it seemed to be more Sidney's game when in the last quarter, Sidney drove St. Marys back to within five yards of there goal Sidney tried to kick to make a field goal, but failed and St. Marys received the ball. The Rough Riders kicked but the ball was blocked. Sidney then received the ball and No. 27 ran through the M.H.S. line for a touch down. Sidney failed in its attempt to make the extra point.

About five minutes before the game was over, Bill Dieringer, St. Marys quarterback, made a spectacular seventy-yard run down the length of the field to Sidney's goal line. However, St. Marys was unable to make the few yards encessary for a touch down, and Sidney gained control of the ball. Sidney kept it for the remainder of the game, which ended a six to nothing victory for Sidney.

At the half both school bands paraded before the stadium. The Sidney all-boy band formed a revolving "M" then an "S" and finally a bell, in which they played the "Bells of St. Marys." The M.H.S. band, in their new uniforms, formed an "S" and then an "M." 9-20VLV.

ROUGH RIDERS TO WAPAKONETA TONIGHT TO PLAY BLUME REDSKINS

DOPE SHOWS WAPAKONETA PLAYERS MORE EXPERIENCED BUT ST. MARYS PLAYERS MAY OVERCOME ADVANTAGE BY EXTRA WEIGHT.

Memorial Rough Riders will meet up with the Redskins from Blume high school, Wapakoneta tonight at 8 o'clock on the Redskins' field in what will be the first Midwestern Ohio League game for both teams. The Redskins would appear to have the edge in experience, the records showing that all but one of their players has had from one to 3 years experience while four of the men on the St. Marys team are playing for the first time this season. However, what St. Marys lacks in experience they may make up in weight, the local boys outweighing the Redskins on the line and in the backfield. Wapakoneta's backfield averages about 155 pounds and their line averages about 160 pounds. The Rough Riders average 170 pounds in both the backfield and the line.

Last week Wapakoneta beat Ada 14 to 0 while St. Marys went down to Sidney Yellow Jackets 6 to 0 and are still suffering from the Jackets' sting. They hope to redeem that defeat tonight by riding the Redskins to victory.

The Rough Riders have not won a game from the Redskins in the last three years and feel that it is time the tide turned. In 36 meetings, beginning with 1921, the records show that St. Marys has won 20 games, Wapakoneta 14 and that two were tied.

Coach Harold Bower said today that he expected to use the following men for the starting lineup: Strohl, le; Fisher, lt; Thomas, lg; R. Steinecker, c; H. Steinecker, rg; Spear, rt; Youngs or Loffer, re; Dieringer, qb; Martin or H. Spear, lb; Maze, rh; Dennings, fb.

Wapakoneta's starting lineup will likely be Brandt or Chiles, le; Ferguson, lt; Miller, lg; Erb, c; Schlatter or Cunningham, rg; Kennedy, rt; Ulrich, re; Naylor or Streight, qb; Lietz, lb; Kohler, rh; and Elliot, fb.

Lietz, Erb and Kohler are their most experienced players and the ones for whom St. Marys will have to watch tonight.

Wapak Redskins Whip Memorial In First League Game

The Rough Riders of Memorial High ventured over to visit the Wapak Redskins and became the victims of a 40 to 0 defeat.

The boys were in high hopes when they went over to Wapak and thought that it would be a very close game, but due to the bad start and lack of confidence the boys were taken for one of the worst beatings that either team has suffered for a long time.

The game started with Wapak kicking. They kicked to a St. Marys end who fumbled, and the ball was recovered by Wapak. This took down the morale of our team and Wapak marched through us for the first score. Wapak kicked again and the ball went down to the goal line where it was downed by a St. Marys backfieldman. We were then set back by three off side penalties, which forced us to kick. Wapak had the ball most of the evening and was very successful in making six touchdowns and four extra points.

Lietz played a very nice game for Wapak scoring five out of the six touchdowns. St. Marys was credited with one first down for the evening. It was a pass from Martin to Wolfal. This was the first league game in our section, putting Wapak on top and St. Marys on the bottom.

The "T" formation which has been used did not seem to go so well as was expected. The team will most likely go back to the power plays.

Looking over the schedule for the rest of the games to be played, it looks as if the Rough Riders will have a very tough season. Van Wert and Bellefontaine have both won two games and lost none, while Celina has won one and lost one.

ROUGH RIDERS WIN FOOTBALL GAME FROM COLDWATER; SCORE WAS 6 TO 0

FANS WHO STAYED HOME BE-
CAUSE OF WEATHER OR BE-
CAUSE THEY WERE DIS-
COURAGED BY TEAM'S EF-
FORTS MISSED GOOD GAME-
PLAY CELINA NEXT.

Football fans who stayed at home last night because of the weather or because they were discouraged by the Rough Riders previous record missed a good game. It was a rejuvenated team that went onto the field last night to beat Coldwater 6 to 0 and the Rough Riders' staunch supporters through thick and thin were jubilant over their success. Enthusiastic at the first win of the season, the memorial high school band staged a victory march through the business district immediately after the game and there was a parade of automobiles with horns blaring, advertising the victory for the St. Maryians.

The Rough Riders definitely outplayed the Coldwater Cavaliers but even so they failed to take advantage of all their opportunities and made a few bad plays which might have proved very costly. Twice passes were attempted on their own 30 yard line when interception by Coldwater, always a strong possibility on any pass, might have proved disastrous.

The Riders chalked up seven first downs, two in the first tow in the second, none in the third and three in the fourth quarter. Coldwater came through with only one first down, in the third period.

It was early in the second quarter that St. Marys scored its lone touchdown, Dennings carrying the ball through the lien. Try for extra point failed. The ball had been advanced down the field in the first period and after goals were reversed it was only a matter of a few seconds until St. Marys was behind the line for their first towchdown of this season.

St. Marys needs to develop its blcoking and tackling, the team being weak in these two depart-ments. On several plays con-siderable more gain could have been made had the team blocked for the runner. The boys showed improvement in butting the line and in close defense.

Between halv3s the Coldwater championship band and the Memor-ial high school band came onto the field for formations and to play several selections.

They mdae a striking appear-ance on the field as they marched along, breaking into the letters forming Hello, M.H.S., a big C.

The band boys and girls are a big asset to the football games, adding much color to the contests. During the play they strike up frequently, playing for inspir-ation of the players and giving them encouragement.

Next week the Rough Riders will go to Celina to play the Bulldogs in the Stadium Dedication game. Delina's new stadium has just been completed.

Celina's record to date is two defeats and one veltory the same as the Rough Riders. They defeated Rockford 7 to 6, lost to Greenville 20 to 7 and to Wapakoneta 14 to 0.

The lineups for last night's game were:

OUTPLAY CELINA ENTIRE CONTEST MAKING 5 TIMES MORE FIRST DOWNS

Bulldogs Were Dedication New Stadium

EXCITING GAME

Steinecker and Thomas Proved Valuable in Stopping Celina's Efforts to Gain Through Line—Speer Went Across for St. Marys Touchdown.

Spurred on by their desire to give Celina a victory as a stadium dedication gift, the Celina Bulldogs last night gave the Memorial Rough Riders a real battle from start to finish of the game played on Celina's field but they failed to accomplish their goal. The Rough Riders were equally determined to upset the bulldog cart for the Bulldogs and that bulldog offense and defense found their match in the Rough Riders. The game ended 6 to 6, each team succeeding in crossing the other's goal line one time during the contest.

Luth, playing left half for Celina, made the first touchdown. He took a pass from McElroy and ran 60 yards to cross over St. Marys goal line. That was in the second quarter. St. Marys chance did not come until the next quarter and meanwhile Celina's hopes had soared high. In that third period the ball was advanced steadily down the field until it short line buck by Speer carried it across. St. Marys fans staged a breath-holding contest until the try for extra point had been made, ending in failures.

From then on the two teams played an even battle and the score was still 6 to 6 when the final whistle sounded.

St. Marys again showed their ability to play real football, Couch Dowers' boys going on the field with the spirit to win.

The Rough Riders outplayed the Bulldogs the whole way. In the first half the local boys made eight first downs compared to one made by Celina and in the last period St. Marys made seven while the Bulldogs had only two.

Hank Steinecker and Thomas succeeded in stopping gains by the Bulldogs time and time again. They tackled the Celina player, throwing them for a loss as they tried to make gains through the line. On some plays the loss was as much as seven yards.

BOB MAZE SUFFERS RUPTURED KIDNEY AND RIB INJURIES IN FOOTBALL GAME

MEMORIAL HIGH VARSITY HALF BACK TAKEN TO HOSPITAL SATURDAY AFTERNOON FOR TREATMENT OF INJURIES RECEIVED IN CELINA CONTEST.

Bob Maze, half back on Memorial high's varsity team, is in Lima Memorial hospital receiving treatment for a ruptured kidney, one broken rib and two cracked ribs. The injuries were received Friday night during the football game between the Rough Riders and Celina Bulldogs at Celina. Bob was hurt during the third quarter but finished the game, holding up his position through sheer willpower and a grim determination to aid in Celina's defeat. Team-mates knew he had been injured in the play but were satisfied that he was all right when he declined their suggestions to leave the field to rest up.

During the night he became ill and examination disclosed the injuries to his ribs and to his kidney. Bob was removed early Saturday afternoon in Vore's invalid coach to Lima Memorial hospital where his condition today is as good as can be expected. He is experiencing considerable pain today.

Bob is the son of Mr. and Mrs. Clarence G. Maze, West High street.

ROUGH RIDERS LOSE TO BLUFFTON 12 TO 6 IN GAME PLAYED THERE

ST. MARYS PROVED UNEX-
PECTEDLY STRONG AGAINST
TEAM TIED FOR FIRST PLACE
IN MIDWESTERN BUCKEYE
LEAGUE—BAND ACCOMPANI-
ED TEAM.

Memorial Rough Riders showed up much better than expected last evening against the strong Bluffton eleven, Midwestern Buckeye League leaders with Van Wert, and although the game ended 12 to 6 in favor of Bluffton the St. Marys fans who accompanied the team were loud in their praise of the local boys.

The Rough Riders were a potential threat throughout the game and although Bluffton was two touch-down leader until the last quarter the Bluffton boys never relaxed their vigilance. They recognized that the Rough Riders were ready to take advantage of the first scoring opportunity and it was only through tightening their defenses that Bluffton held St. Marys to the one touchdown in the final period.

St. Marys scored the touchdown when St. Marys got possession of the ball on Bluffton's 20 yard line and was able to push ahead on succeeding plays to a point where Speer could cross the line with the ball.

In the third quarter St. Marys threatened seriously. The Rough Riders brought the ball to the 15 yard line before they lost it on downs. Martin intercepted a Bluffton pass and ran 30 yards. Speer advanced the ball another 11 yards and then Bluffton's defense held.

Schmidt was a constant threat and St. Marys players were on the alert for him. He was by far the fastest man on the field last night. Coone, 195 pounds, gave Bluffton much of its power in line drives. F. Herrmann, Bluffton fullback who is one of their outstanding players, was obliged to leave the field early in the game because of injuries.

Coach Harold, Bower made only one substitution throughout the whole game.

The St. Marys high school band accompanied the team to Bluffton and between halves staged a demonstration on the field.

The starting lineups and score by quarters follows:

Pos.	Bluffton	St. Marys

ALUMNI'S ELEVEN OLD MEN PROVE FAR FROM DECREPIT; DEFEAT MHS 40-0

STELLAR PLAYERS OF FORMER YEARS ARE STILL SHINING AND THEIR DRIVE WAS FAR TOO MUCH FOR LESS EXPERIENCED ROUGH RIDERS.

They may be eleven old men but those alumni players are far from disability or pension as the Memorial Rough Riders found out last night much to their chagrin. The so-called old men had enough power and drive to cross the Memorial goal line 6 times and the game ended with the score 40 to 0. The All-Stars was a team composed of the stellar players of the Memorial teams of recent years and those boys haven't forgotten any of the tricks they used to such advantage when they played for the blue and gold. In fact, they not only have not forgotten any they did know but they added to the list.

There is potential college football material among the boys who went on the field for the alumni last night, and the Rough Riders were no match for the more experienced players.

The Rough Riders put up a game fight but the snap and push of the All-Stars was too much for them.

A light rain had its effect in reducing the crowd that came out to see the alumni in action against the Rough Riders but the spectators who came out saw plenty of action.

Three of the Rough Riders—Dieringer, Loffer and Speer—suffered minor injuries in the game but should be in condition for next Thursday night's game with Bluffton at Bluffton.

Between halves the Memorial high school band came on the field for their best exhibition of the year. The boys and girls in their new uniforms of royal blue and gold marched down the field to form a perfect A for Alumni and S. M. for St. Marys. Then they marched into a new formation, a bell for the bells of St. Marys. Flood lights were extinguished and tiny flashlight bulbs worn on each player's cap formed the outline for the bell. The sousaphones had a series of small lamps forming the letters MHS. With the tiny lights

glowing the band played "The Bells of St. Marys" under the direction of Richard Schilling, standing in the grandstand. His baton was tipped with a flash light bulb. As they played the band members swayed, creating the effect of a large bell swinging as it rings out. Many in the audience took up the song, humming or singing the words.

The starting lineups for the football game last night were:

Alumni—Baumgardner, le; Botkin, lt; Steinecker, lg; Helmstetter, c; Martin, rg; V. Axe, rt; Makley, re; G. Axe, qb; Dennings, lb; M. Axe, rh; and McCann, fb.

BOB MAZE IS RECOVERING FROM INJURIES RECEIVED IN CELINA GAME

Robert (Butch) Maze, received serious injuries from the Celina football game and has been in Lima Memorial Hospital from Saturday to Wednesday.

His present condition is good and is steadily improving. His injuries consist of a ruptured kidney, one broken rib, and two cracked ribs.

He received his injuries during the last six minutes of play while receiving Celina's kickoff and due probably to too high blocking.

It won't be long till we'll be seeing Butch back again in school although he will be out for the remainder of the football season.

The football team visited Butch Sunday, cheering him up, and we all wish him a speedy recovery. 10-30 LN

BONFIRE TONIGHT AT FOOTBALL RALLY WILL BE SEEN FOR MILES ABOUT

BOXES, CRATES AND PAPERS
DONATED BY PUBLIC HAS
PROVIDED FUEL FOR HUGE
FIRE — SNAKEDANCE AND
CHEERS WILL BE FEATURED.

Box by box—piece by piece, the pile of lumber and boxes that will be set afire tonight at 9 o'clock at the city-wide rally for the Rough Rider Football team is growing to sky-scraper proportions that should make the largest bonfire ever seen in Auglaize County.

High School students have planned this rally for weeks and their elaborate preparations are now complete. The football team and coaches will be present tonight to receive tribute from the town. The cheer leaders will lead singing and cheers and the High School Band will lead a parade and snake dance through town.

This is the first time that a city-wide rally has been planned for St. Marys and it is based on the thought that residents of the community have been taking a great interest in the activities of the football squad and would appreciate an opportunity to participate in a rally.

The bonfire was made possible by the untiring efforts of students at the high school and most of the boxes and crates in the huge pile have been donated by local merchants and manufacturers. Four telephone poles were donated by the city for the walls and foundation of the bonfire.

Fire Chief H. E. Krauss selected the location on the athletic field so that there would be no danger to surrounding property. Two firemen will be on hand tonight to keep the fire under control.

Much interest has been shown by residents in the bonfire and celebration and many persons are expected to appear at the athletic field to night at 9 p. m. to witness the rally.

PLENTY OF ZIP TO FOOTBALL RALLY PRECEDING GAME WITH BELLEFONTAINE

HUGE BONFIRE AND SNAKE-
DANCE AT ATHLETIC FIELD
PACKED WITH CITIZENS AND
PUPILS—STARTING LINEUPS
ANNOUNCED FOR TONIGHT.

There was plenty of zip and zest to the football rally staged by Memorial high school pupils and citizens last night in anticipation of the game tonight between the Rough Riders and Bellefontaine, at Memorial Field. For a while this morning it appeared that the enthusiasm worked up last night would have to be stored up for a while but at noon today it was decided to play the game tonight, rain or no rain. There had been a constant drizzle through the morning and a light rain is still falling this afternoon.

There was a huge bonfire on the athletic field at 9 o'clock last night. A 35-foot framework had been built with telephone poles for the boxes, crates, excelsior and waste paper gathered all over the city. Soaked with kerosene the pile of rubbish went into a roaring fire within a few seconds and the blaze could be seen for some distance.

Led by the Memorial high school

Led by the Memorial high school band the pupils and citizens formed a snake dance which took them around the bonfire and then down town to the St. Marys theatre which they entered as a body. The circled through the theatre aisles and the cheer leaders went onto the stage, stopping the show temporarily while they led in high school cheers.

It was a great affair, demonstrating to the team without a doubt that the fans are with them and that they are expecting them to come through tonight with a demonstration of good football playing. Bellefontaine has four victories and one defeat to its credit for the year. Its league record is two victories and one defeat. St. Marys has had two defeats and one tie so far this season. Bellefontaine and Van Wert are the two league teams not played.

Tentative starting lineups announced by Coach H. Bower will be:

- Bellefontaine
LE, Mason, Jr., 175 lbs., #10

BELLEFONTAINE DEFEATS ST. MARYS 19-0 IN SLIPPERY GAME LAST NIGHT

CHIEFTAINS AND ROUGH RIDERS RESEMBLED MUDHENS AFTER FEW MINUTES OF PLAY ON WET FIELD DURING DRIZZLING RAIN.

Slipping and sliding around on a muddy field during a light rainfall, the Memorial Rough Riders and the Bellefontaine Chieftains looked like a pack of mudhens before they had gone many minutes in the game which ended with Bellefontaine on the long end of a 19 to 0 count.

The Chieftains scored two touchdowns in the second quarter and one in the third. All three were made on passes from Blackwood, two to Mason and one to Brown. The receiver ran 30 yards to make the first touchdown. Shorter runs resulted in the other two touchdowns. Mason made the extra point by a place kick following the third touchdown.

Tackles were difficult due to the slippery condition of the field and runners were able to slip through when attempts were made to hold them. Their suits were so muddy they were as though they were greased.

The Chieftains made six first down while St. Marys made four, all of them in the last period.

St. Marys fans grew hopeful that last period, hoping the Rough Riders would score at least one touchdown in the few moments left to play when they opened up with a series of passes. Gains were made on the plays and St. Marys advanced down the field for some distance before Bellefontaine got the ball on a fumble by St. Marys.

Between halves the Memorial high school band marched onto the field for a Halloween stunt with the flood lights off. The band played "Peter, Peter, Pumpkin Eater" and then sang it. On the field was a huge pumpkin face.

Under the direction of Richard Schilling, the boys and girls gave a creditable performance.

The lineups for the Bellefontaine-St. Marys game were:

Pos.	Bellefontaine	St. Marys

VAN WERT COUGARS DEFEATED MEMORIAL ROUGH RIDERS; MADE THREE TOUCHDOWNS

BANDS FROM TWO SCHOOLS
STAGED U. S. DEFENSE SAV-
INGS BOND CONTEST STUNTS
—LOCAL FOOTBALL SEASON
ENDED.

Playing in a whirlwind of damp snowflakes the Van Wert Cougars last night defeated the Memorial Rough Riders 20 to 0 and so ended the Memorial grid season with the Rough Riders winning one game, tying one and losing six. The Cougars were tied for first place in the Midwestern Buckeye League and last night gained undisputed possession of first place when Bellefontaine defeated Bluffton, previously tied with Van Wert.

The Cougars crossed St. Marys' goal line four time; but only three of them counted toward the score, the ball being called back after Bailey's run across the line. Sells carried the ball across in the first and third periods and Lininger in the fourth. Try for extra point was good on the first two attempts.

Bailey was as fast a player as has been seen on the St. Marys field this year. Despite the wet field he broke away for several long gains and was an almost constant threat.

In the 1st period the Van Wert coach sent in most of his second string men, giving them experience.

The starting lineup was:

Pos.	Van Wert	Memorial
LE	J. Coon	Loffer
LT	Maher	Roby
LG	Leffel	H. Steinecker
C	Fouty	B. Steinecker
RG	Barrientos	Thomas
RT	Morris	Fisher
RE	Hall	Youngs
QB	Weigel	Dieringer
LH	Sells	Martin
RH	Hunter	Speer
FB	Bailey	Dennings

Before the game the St. Marys band went out on the field to stage a stunt in connection with the U. S. Defense Savings week. While the band marched into formation members of the art class came on the field with a miniature airplane and an Eagle, and with letters advising the purchase of bonds.

The band played the symphony recognized as the defense bond theme song.

Between halves the Van Wert band came onto the field for their stunt for the U. S. defense bonds. They formed an airplane on the field with the sound of the motor simulated by wind instruments. A soloist sang "Any Bonds Today."

Both stunts were well given and the spectators who dared the inclement weather were thrilled by the spectacle.

By request the St. Marys band last night repeated the bell formation and with the lights off played the Hells of St. Marys, flashlight bulbs in their plumes providing the only illumination.

M. H. S. Loses Last Game Of Season To Van Wert

The Rough Riders of Memorial played their last game of the season in very muddy weather with snow coming down all through the game which made it very cold for the players as well as the spectators.

This being the last game for the seniors they got to play most of the game. Seven out of the standing eleven were Seniors. H. Steinecker, D. Thomas, J. Roby, and B. Youngs were the boys who are not seniors. This put a lot of extra spirit into our boys but was not enough to stop the Van Wert powerhouse. The Rough Riders played a defensive game the whole first half and held the Van Wert boys to 7 points. The Van Wert team went to twon the second half scoring 13 points in the fourth quarter to take a lead of 20 to 0 which was the final score.

The bands of St. Marys and Van Wert gave a very good program. This game and program was to sponsor the National Defense Saving Bonds.

At the close of the season the league standing was as follows: 11-18 LN

	W.	L.	T.	Pct.
Van Wert	3.	0.	1.	1000
Bellefontaine	4	1	0	.800
Bluffton	3	1	1	.750
Wapakoneta	2	3	0	.400
St. Marys	0	4	1	.000
Celina	0	3	1	.000

Football furnishes its own peculiar thrills for the team, the students, and the community. Each season begins with high hopes of winning all our games. Yet, in our saner moments, we know that the winning is not as important as the way in which the game is played.

This season was not perfect, but the boys did their best and deserve plenty of credit for

their efforts. The deciding factor of several games was the lack of experience. By strict training rules the boys were able to maintain their stamina throughout each contest, and thus were always a threat to their opponents.

Although only three of the lettermen are seniors, the future is not too promising because of the war.

ACH HOLLINGER LLS FOR MORE H SCHOOL BOYS PLAY FOOTBALL

Coach Byron Hollinger today sent out a call for more high school boys to come out for the football squad at Memorial high school. Boys who have been unable to come out for training in advance of school opening may still come out the opening day, next Tuesday. However, Coach Hollinger asks that they obtain their physical examination previously to Tuesday. Parents permission and physical examination cards may be obtained from Coach Hollinger or at the equipment cage at the high school.

Thirty boys have reported for training with the Rough Riders so far. Nearly all of the undergraduates who played with last year's team are out for the team and there are a number of new players who are showing up good.

Practice time has been devoted largely to conditioning so far. Scrimmage play may be started Friday.

The practice periods now are being held daily at 5 o'clock. On Labor Day practice will be at 4 o'clock each day.

The opening game is Sept. 18 at Sidney. 9-3

CHEER LEADERS

Top Row—

HENRY STEINECKER—"Hank," who was only a sophomore, received his second letter this year; he played guard.

CLIFF WOLFAL—Cliff, a fast and aggressive halfback, was good on pass defense.

CHARLES SPAULDING—"Chuck" started as a fullback, but was switched to a tackle position which he held down very well.

BOB MAZE—"Butch" was our passing halfback, and also a powerful defense man. Bob was chosen co-captain.

BOB LOFFER—"Bonehead," although only a sophomore, proved himself worthy of his second varsity letter. He was good on defense.

HARRY MILEY—Harry was our small but speedy quarterback. He was a junior. We hope he will be back next year.

GEORGE LYON—Another sophomore to receive a varsity letter, George played his first year on the team as tackle.

HAROLD HUWER—This sophomore back was an all-around player and will surely help the teams in the future years.

DOYT THOMAS—Doyt, a junior, played guard. He was one of the fastest linemen.

Bottom Row—

BUD YOUNGS—Bud was the only senior lineman this year, and was especially good on defense. He was elected co-captain.

CHARLES HUWER—"Charlie" was a capable substitute at center and excelled in backing up the line. He was the only freshman to receive a letter.

FRED NOBLE—Fred, a junior, was a substitute end. Handicapped by injuries through most of the season, he was seldom at his best, but great things are expected from him next year.

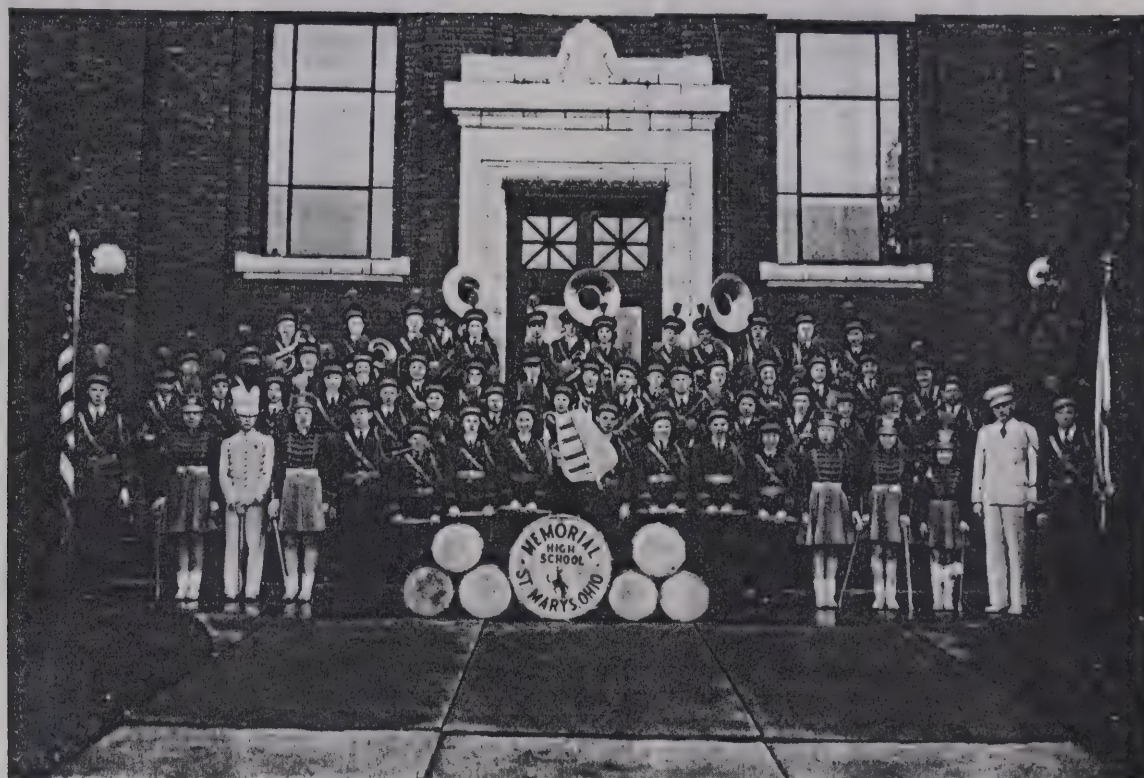

NORBERT WIERWILLE—"Norb" was our biggest tackle. He will play for M. H. S. for two more years.

HAROLD SPEER—"Bub," a junior, helped tremendously with his long distance punting. He played fullback.

JACK KISHLER—"Stink" played center and was a good defense man. He was a junior.

BILL BRODBECK—"Brody," a junior, was our smallest lineman, but he capably played many games.

BAND

MARCHING BAND

Our high school marching band officially opened its activities on September 1, 1942, when it entered the marching band contest at the Auglaize County Fair. Eight bands were present and judged on marching tactics and playing ability. The band was proud when the master of ceremonies called Mr. Schilling, the band director, to the platform to receive the first place trophy.

Richard Sunderland, drum major, was also presented with the winning trophy in the drum major's contest.

Since school bands are no longer allowed to use the buses, the band did not travel with the

football team to games away from home. However, it did give many interesting stunts and formations at the Wapakoneta, Celina, Alumni, Rockford and Bluffton games played on Memorial Field. Some of the formations made were the State of Ohio, an anchor for the Navy, an airplane, U. S. A., and a lighted bell.

Other public appearances were made on Navy Day, Armistice Day, and at the Memorial Day exercises. A half-hour concert of patriotic music was given at the Goodyear "Army-Navy "E" Award. The band also took part in the program which was broadcast from the auditorium.

ROUGH RIDERS PLAY SCORELESS TIE WITH REDSKINS OF WAPAKONETA

HARD PLAYED GAME END WITH
NEITHER TEAM CROSSING
GOAL LINE-BAND PLAYED BE-
TWEEN HALVES.

The Rough Riders and
Redskins of Wapakoneta
played a scoreless tie
last night at Memorial
Field, the local eleven
failing to click as a
unit in its attempt to
break through Wapakoneta's
defense.

Although the Rough Riders
threatened repeatedly,
they lacked the necessary
punch to break through the
wall of defense built up
by the Redskins. Very
little aerial work was
attempted by the St. Marys
boys.

Several of the players
showed up good individually
last evening but the team
as a whole failed to deli-
ver the goods necessary
for the first league win.
With additional prac-
tice, the team should
develop into a Dopesters
had predicted that the
Rough Riders would beat
the Redskins, basing
their prediction on the
showing the two teams
had made in their first
game of the season on the
Friday night preceding.

The Redskins showed
strength in holding, were
there in the emergencies.
Much of the contest
was played in Wapakoneta's
territory.

The lineups of the two
teams follows:

Pos.	Wapakoneta	St. Marys
LE	Gerhart	Youngs
LT	Walker	G. Lyon
LG	Cunningham	Steinecker
C	Smith	Kishler
RG	Urlick	Thomas
RT	Werner	Wierwille
RE	Mertz	Foffer
QB	Newland	Miley
RH	Davis	Wolfal
LH	B. Urich	Maze
FB	Miller	Spear

Mertz was injured in the
last quarter. He was knocked
out and failed to regain
consciousness for sometime.

Between halves the Wapa-
koneta and St. Marys high
school bands came out on
the field in special for-
mations. Wapakoneta's
band went on the field first
to form a big W and later
to form a large V. The
lights were turned off for
the V formation and only
the tiny light bulbs
fastened in the instruments
of the musicians formed
the V outline. Memorial's
band came out first in a
W and then in an M. The
band then went to the north
end of the field and came
back onto the field as
an airplane with the motor
droning. They stopped in
front of the stadium,
changed into O. S. and
then into a V while they
played the Army song and
the Marine hymn.

The persomance by the
bnads was generously
applauded.

There was a big crowd out
for the initial home game
and they cheered the boys
voeiferously. 9-16

ROUGH RIDERS LOSE TO SIDNEY IN INITIAL GAME FOOTBALL SEASON

LOCAL BOYS SHOW UP GOOD IN
OPENER PLAYED AWAY FROM
HOME-GAME ENDED 22 TO 13
-AERIAL ATTACK WAS WAGED.

Memorial high school's Rough Riders opened the season last night at Sidney in a hard-played contest which ended 22 to 13 in favor of the Sidney Yellow Jackets. Although the Rough Riders were defeated they put a hard battle against the Yellow Jackets and made a good showing in their initial contest.

Some of the players were on the field for the first contest in which they had ever participated and they showed up as good material.

St. Marys scored its first touch down shortly before the half ended. The touchdown was made by Maze who ran 85 yards after intercepting a pass. Spears scored the extra point.

In the third quarter Miley ran 63 yards around end for the second touchdown. Both plays were sensational ones.

Sidney scored in first, second and fourth quarters. Completed passes resulted in two touchdowns for Sidney, the ball having been brought up to a few yards from the goal line, making it a fairly easy matter to carry it across. The third touchdown was made following a short pass and a lateral. The serial work was well done by the Sidney players.

Sidney made a profit of two points on a safety resulting from the ball going over the head of St. Marys punter and back of the goalline where it was recovered by a St. Marys player brought down by a Sidney man before he could run out of the field.

Steinecker and Thomas played the full game at guard, Youngs and Loffer the full game at end. Spalding went in at center and fullback Schmidt at tackle and Harold Huwer at back.

With more experience the St. Marys players should develop into powerful team, the boys holding promise. Next Friday night Coach Hollinger's lads play Wapakoneta here. Last night Wapakoneta lost to Ada 32 to 6 at Wapakoneta.

The lineups for the Memorial-Sidney game. follow:

Pos.	Sidney	St. Marys
LE	Lemassus	Youngs
LT	Meeker	Lyons

ROUGH RIDERS AND COLDWATER PLAY TIE GAME 7 TO 7 LAST EVENING

Memorial High School Rough Riders were lucky last evening to tie Coldwater 7 to 7 in a well played game on the Coldwater field.

The Rough Riders trailed throughout the entire game and at the beginning of the final quarter, the referee penalized the Coldwater boys for interference of a forward pass, which put the ball on Coldwater's four yard line. On the next play fullback Harold Speer plunged over for the touchdown. He also kicked the extra point tying the score.

Coldwater outplayed the Memorial Hi boys throughout the entire contest. The Coldwater band put on several fine performances before the game and between halves. Memorial Hi band did not accompany the team last evening.

Although outplayed in every quarter but one the Memorial Hi Rough Riders battled an unbeaten Coldwater eleven to 7-7 tie.

The first quarter saw both teams trying out their opponents line and the only long run of the quarter was a seventeen yard jaunt by Harry Miley, the Rough Rider's fleet wing half back.

St. Marys And Coldwater Battle To 7 to 7 Tie

10-12-20

Coldwater gained control of the ball in the last seconds of the opening quarter and pushed all the way from their own twenty-three yard line to the St. Mary's goal. With Tauber and Schultze sputting the attack it took the Coldwater boys eighteen plays to score: Tauber finally going over. Sower's placemen was good and this was all the scoring in the first half. 7-0.

A rejuvenated team took the field in the second half and after receiving the kick-off it appeared as the Rough Riders were off to score. Youngs took the kick-off and returned it to the fifty yard marker, Spaulding picked up two yards, and Wolfal tossed to Maze for ten more; then Spaulding broke loose and into the open only to stumble and fall on the twenty-three yard line. On the next play Wolfal rounded end for a first down, but three passes and a run failed and Coldwater took over on their own thirteen. They immediately began to move down field only to lose the ball on downs on the nine yard line. Speer then got off a beautiful 54 yard kick and after one play Coldwater fumbled and the Rough Riders took over on the forty-four. Wolfal's arm again began to spit accurate passes as the 4th period got under way and in three plays the Memorialites were on Coldwater's four yard line. Speer then smashed over the goal line. His placement was also good had the score remained knotted at 7 all for the rest of the game.

Coldwater gained 319 yards by running play while the Rough Riders picked up 127, but four complete St. Marys passes netted 76 yards to the opponents 15. Coldwater made 13 first downs and our boys made 8.

ROUGH RIDERS BEAT BULLDOGS FROM CELINA 14-13 IN GAME THRILLER

**BOTH TEAMS PUT UP HARD
FIGHT TO WIN CONTEST DE-
CIDED BY EXTRA POINT—**

The Rough Riders played headsup football last night to defeat the Celina Bulldogs 14 to 13 the first defeat St. Marys has handed the Bulldogs in sometime. It was a hard-fought game with the fans out of their seats a large portion of the game as they cheered their favorites on to victory.

The score at the half was 13 to 7 in favor of the Bulldogs. The half had ended just as St. Marys was launching a steady drive to Celina's goal and it looked as though the game would be tied.

The Rough Riders were the first to score. Speer carried the ball across the line after a steady advance up the field. He made the extra point. Celina followed quickly with their touchdown but failed to make the extra point to tie the score.

Then in the second quarter the Bulldogs went around the Rough Riders. Sheets carrying the ball across. This time Celina made the extra point.

In the third quarter Maze threw the ball 20 yards to Wolfal who ran 30 yards for the second St. Marys touchdown., the last goal to be made in the contest. It was a pretty play and St. Marys went wild as the game was even. Then Speer made good on the place kick, to send the local boys ahead of their opponents by one point. The band played and the crowd cheered.

From then on it was a fight to finish, the Rough Riders determined to hold the edge over their opponents and to increase it if at all possible while the boys from the west end of the lake were determined to take the lead. Scores were threatened several times but each time the opponents were able to cement the resistance and turn back the threat. Penalties assessed for offsides and holding threatened to prove costly on several occasions but the threat was averted successfully.

Coach Byron Hollinger's boys put up a good fight against the Bulldogs last evening, breaking into the win column for the first time in four starts. The boys opened the season at Sidney where they were defeated, then played two tie games, one with Wapakoneta and one with Coldwater.

Between halves last night the Celina high school and the St. Marys high school band came onto the field, giving a program of music and staging formations. They won approval of the audience.

Preliminary to the opening of the game the Memorial band under the direction of Richard Schilling formed a large T on the field and played The Star Spangled Banner.

Starting linups for the game were:

ROCKFORD ELEVEN STARTED OUT WITH RUSH NETTING ONLY TOUCHDOWN IN GAME

MEMORIAL ROUGH RIDERS
BOLSTERED DEFENSE TO OFF-
SET FURTHER RUSHES BY OP-
PONENTS THREATENED TO
SCORE SEVERAL TIMES.

Rockford high school
football team opened up
their game with Memorial
Rough Riders last evening
with a series of fast
plays in which they marched
the ball steadily down the
field to net the one and
only touchdown of the con-
test.

Five first downs were
realized by the Rockford
Gridsters on the series
of plays which began
immediately after the game-
opening. Starting out
with a fast return of the
ball the Rockford boys
had St. Marys in a semi-daze
for just long enough to
march the ball down the
field and across the goal
line. The try for extra
point failed.

Garnering their strength
and settling down to ser-
ious playing, the Rough
Riders set up their
defense to hold down the
Rockford lads who proved
surprising with their
speed and their maneuvering
for gains.

After that first
quarter when Rockford
had everything its way, the
St. Marys boys put up
a fight which held down
Rockford and several
times threatened to make
goal.

It was in the second
quarter that fans went
almost wild when St. Marys
fumbled and lost the ball.
Spalding recovered it on
the next play by inter-
cepting a Rockford pass
but Rockford's defense
held St. Marys.

It was in this quarter
that an attempted pass
by St. Marys failed. Rock-
ford knocking down the ball.
A St. Marys player recovered
it and St. Marys made a
first down.

Rockford made seven
downs in the first quar-
ter, greatly outplaying
Memorial that period is
the second and third quar-
ters St. Marys was
superior, making four
first downs to Rockford's
two in the second quarter
and five in the third to
Rockford's three St.
Marys seriously threatened
the goal both periods.

The last quarter saw
many of St. Marys Reservers
going on the field and
they showed up good. St.
Marys made one first down
and Rockford two that last
period. The game ended
with the ball in Rockford's
possession.

Statistics at last night's
game showed Maze gained
16 yds. Wolfal, 34;
Spalding, 23; Miley, 51;
Noble, 25; and H. Huwer, 4.

Several of the St. Marys
players were weak in
blocking.

Last night's game was
the next to the last home
game to be played by St.
Marys and the fourth last
game on the schedule. Next
week the boys play Bluffton
here. It will be followed
by two games away from
home, one with Bellefontaine
and last with Van Wert.

Lineups for the contest
with Rockford follow;

Pos.	Rockford	St. Marys
LE	Betzel	Youngs
LT	Frysinger	Lyon
LG	Williams	Steinecker
C	Gallehur	Kishler
RG	Bollenbacher	Thomas
RT	Hadder	Spalding
RE	J. Bollenbacher	Loffer
QB	Hurless	Miley
LH	Reich	Maze
RH	Fox	Wolfal
FB	Robbins	Speer

Between halves Memorial
high school's band came
on the field to form
an R. H. for Rockford
High and as M. H. for Mem-
orial high. While they were
in the M. H. formation
they played and sang an
Alma Mater dedicated to
Memorial high school.
The words were written by
Director Richard Schilling
and pledged loyalty to
the school.

The tune is an old fam-
iliar one. The boys and
girls were information
directly in front of the
grandstand as they sang
the Alma Mater so that the
audience could hear the
words. The number was
much applauded.

The band went from the
M. H. into the letters
U. S. as they sang and
played America The
Beautiful.

During the game the band
played marches and Memorial's
fight song to send
encouragement to the grid-
sters.

Dick Sunderland, drum
major came out with a new
group of tricks, demonstrat-
ing his skill with the
baton.

Rockford Downs Memorial In Surprise Win

In a great opening quar-
ter offensive the Rockford
High grid machine eked out
a 6-0 victory over the
Rough Elders.

Speer opened the game with
a beautiful kick which
Robbins picked up on the
2 yard line and behind
beautiful blocking, returned
the ball to the 39. In
three plays they picked
up a first down and were
on St. Marys' 44 yard
stripe. It then took them
12 plays to score. Hurless
going over. Ballins'
placement was no good.

After kicking off to the
Rough Riders, Rockford
soon had the ball and were
off to another touchdown
but the St. Marys line
tightened up to stop the
drive on the 6 yard line.
It was from this point
that the Memorialites made
their first thrust but
the half ended before any-
thing could be made of it.

The Rough Riders opened
the third quarter by
receiving the kick and
immediately began to move.
With the ball on the 31,
Huwer lost and Wolfal picked
up 1, then a pass from
Huwer to Miley was good
for 20 yards. On the next
2 plays they lost 4 yards
and on the fourth down
Maze threw a pass to Miley,
which looked like a touch-
down the ball bounded out
of his hands and the threat
was killed.

The fourth quarter was
featured by desperate passing
on the Rough Riders part
and careful stalling by
Rockford.

ROUGH RIDERS PLAY TIE GAME WITH BLUFFTON, MEMORIAL FIELD

**LOCAL GRIDSTERS HAD 2-
TOUCHDOWN LEAD UNTIL
FINAL PERIOD WHEN VISIT-
ORS SCORED TWICE—BAND
GIVES SUPERB PERFORMANCE
BETWEEN HALVES.**

Memorial's Rough Riders played another tie game of football last evening, Bluffton tying the score at 12 all in the last quarter of a thrilling contest in which the Rough Riders showed up to good advantage.

The Rough Riders scored two touchdowns in the second quarter and held the two touchdown lead until well along in the last period when Burkholder, powerful and speedy left half for Bluffton crashed through the line for two touchdowns for the visitors.

With two minutes left to play it was St. Marys ball and the local boys made steady gains for small advances. Then Maze threw a pass received by Noble who whirled to begin the run for goal just as the gun went off for the end of the game, stopping St. Marys' last chance to win the game.

It was a league contest and left St. Marys with a record of one win and two ties in league contests, the Rough Riders having won from Celina and tied with Wapakoneta in previous encounters.

Statistics showed that Miley, flashy quarter for the Rough Riders, scored 56 of St. Marys yards gained. Huwer, playing half, was responsible for the largest yardage, gaining 74 yards, Speer, full back on plunges through the line, gained 38 yards. Noble, playing only part of the game, gained 29 yards and Maze accounted for 25 yards in plunges. He helped achieve some of the larger gains as the ball passer.

The Rough Riders made nine first downs as compared with 13 by Bluffton.

In the second quarter Miley carried the ball across Bluffton's goal line for the first of the two touchdowns scored by the Rough Riders. The try for extra point failed.

The second touchdown was made by H. Huwer who caught a pass from Maze and ran about 20 yds. for the touchdown. Again the try for extra point failed.

It was in the second quarter that officials ruled a play in which it appeared St. Marys would score two points for a safety did not count. The ball was brought out to the 20 yard line and it was from there that St. Marys scored its first touchdown.

The Rough Riders put up a good fight against the heavier Bluffton team. The local boys appeared better in blocking and in tackling.

It was their last home game of the season.

The next two games will be played away—the one next Thursday at Bellefontaine and on November 6 at Van Wert.

The crowd was smaller than usual, few fans following the Bluffton team probably because of the tire conservation program and many St. Marys remaining at home because of the abrupt change in the weather.

Between halves the Memorial high school band came out on the field for a splendid program. They matched onto the field in a revolving B for Bluffton, playing all the while.

From B they went into an M, and played the Memorial high school fight song.

The third formation was an anchor and St. Marys' marching band became a singing band as they sang one verse of "Anchors Aweigh" to glockenspiel accompaniment before playing it.

From the anchor the band formed an outline of the State of Ohio, a difficult formation. Placards held by band members showed the locations of St. Marys and Bluffton.

The concluding formation was a big A for America and the youthful musicians under direction of Richard Schilling played America.

Memorial high school's band, many of whom are playing for the first season in the marching band, have contributed much to the football games with their programs between halves and with their selections during the games, encouraging the players.

The starting lineups for last night's contest follow:

10-24

Pirate Scores In Final Quarter Knot Game at 12-1

10-26 L.W.

For the third time of the year of Rough Riders were robbed of victory by one point. Yes, last Friday night they played to another time, this time it was against a much heavier Bluffton team.

St. Marys received the opening kick-off and immediately started the drive toward the Bluffton goal, line the threat was cut short when the penalty set the boys back from the 25 to the 40. The ball was then taken over by the Pirates and they began to display their offensive power. Their attack was also stopped but not until they had reached the St. Marys 18 yard line. The Rough Riders took over here and in 6 play had the ball on the 45 yard line and the quarter ended 0-0.

On the second play of the second quarter a Huwer aerial was intercepted and returned to the Memorial 47, but when they reached the 35 yard line they were penalized back to the 40. Two passes failed and the Rough Riders took over on the 40. St. Marys gained 5 yards in the next 3 plays and so were forced to kick. Speer's kick was a beauty and Zimmerly, the safety man, tried to catch over his head but he fumbled it and the ball rolled into the endzone and was recovered by Bluffton so the ball was then put in play on the 20 yard line. Burkholder fumbled led on the very first play and Speers recovered the 14. In 5 plays Speers and Maze had moved the ball to the 2 yard line, a line buck was unsuccessful, but on a quarter back sneak Miley pushed

over for the score Speer's conversion missed by inches.

With only a minute and a half left in the second quarter, St. Marys kicked off to Bluffton and Swank returned the ball to the 35. The Pirates lost the ball on downs on the 40 yard line. On the very first play Maze dropped back and tossed a beautiful pass to Huwer who galloped the remaining yardage to score. Speers conversion was blocked and the half ended 12-0.

The third quarter saw the Rough Riders making another drive but was stopped short of the 25. Bluffton took over here and showed the greatest offensive power of the evening by driving straight down the field for a touchdown. Burkholder was stopped dead at the line of scrimmage. Score 12-6.

Soon after the Pirates had kicked off Speer got off another pretty kick, this time going 54 yards to the Bluffton 5. A long pass from Hermann to Schmidt gave the Pirates first down on their own 32. From here they again unleashed their offensive power and with 1 minute left the game Hermann scored from the eleven yard line. Burkholder again could not make the 2 yards and the score stood tie, 12-12.

Klay kicked-off and out of bounds on the 41. When the game ended, Rough Riders were on Bluffton's 20 and apparently headed for a score.

The Chieftains scored twice each in the first and second quarters and once in the third quarter. Four out of five times the try for extra point was good.

The Rough Riders strengthened their defense in the third and final periods to hold down the Chieftains who were on a scoring spree last night.

It was Bellefontaine's third victory in four league starts. It was St. Marys first defeat in four league games. The Rough Riders tied Wapakoneta and Bluffton and beat Celian. They still have Van Wert Cougars to meet this coming Friday night, Nov. 6, at Van Wert.

Memorial Downed By Bellefontaine In League Game

A great first half aerial and ground attack, featured by halfback Brown and end Mason, smothered all hopes of a league title for the Rough Riders as they were annihilated by the Bellefontaine Chieftains, 34-0.

Brown, the little 145 pound bombshell, began exploding early in the game and on the third play he raced through twenty-nine yards to paydirt. From here on to the end of the first half he tossed passes with deadly accuracy and ran crazily all through the Rough Rider's defense. When the smoke cleared away at the half the score read 27-0.

The second half saw a very different Memorial grid machine. It was now the Rough Riders who made the continuous touchdown threats. On the second play Wolfal made the most beautiful run of the evening, a sixty-eight yard gain all through the Bellefontaine line and secondary except Brown who nailed him on the eighty-yard line. From here the Memorialites carried it to the one, but penalties kept them from scoring.

Although the Rough Riders were beaten 34-0 they did outscore the Chieftains in one department; they made eleven first downs while Bellefontaine was making ten.

Wolfal was a constant threat in that he gained 13 yards in seventeen tries for an average of 8.1 yards per try.

ROUGH RIDERS END FOOTBALL SEASON WITH VAN WERT; GAME LOST 12 TO 0

LOCAL ELEVEN PLAYED OUT-
STANDING FOOTBALL TO HOLD
OPPONENTS TO TWO SCORES
DURING EVENING-TEAMS'S IM-
PROVEMENT NOTED.

Memorial Rough Riders wound up the football season last night at Van Wert 12 to 0 in a hard-fought game in which the odds were heavily against them. The Rough Riders played a good game against the stronger heavier Van Wert eleven which had come through the Midwestern Buckeye League unscathed so far this season.

Dopesters had predicted that the Cougars would beat the St. Marys team by a large score. Earlier the Cougars won 49 to 0 from the Wapakoneta Redskins with whom St. Marys played a scoreless tie.

The fact that St. Marys lost by two touchdowns only indicates how much the Rough Riders have improved since that opening game of the year.

Coach Byron Hollinger's boys were in there last night with a grim determination and fire to turn back the Van Wert's offense.

In the first two minutes Van Wert scored its first touchdown. The local boys held them then until the third period when they broke through for another touchdown.

Both scores were made on line rushes, the heavier team making a steady onslaught against the Rough Riders. They did not complete more than one pass throughout the contest.

St. Marys fans who followed the team to Van Wert were well pleased with the showing made by the Rough Riders. Hank Steinecker played a stellar game at guard. Dennis and Dick Maze replacing Youngs at end made a good showing. Everyone of the boys taking part in last night's contest put up a real battle and were in the game with all they had.

Wolfal was the acting captain for the evening neither Maze nor Youngs, the co-captians elected by the team the first of the week, getting into the game.

The starting lineup was: Dennis, left end; Lyon, left tackle; Steinecker, left guard; Kishler, center; Thomas, right guard; Spalding, right tackle; Loffer, right end; Miley, quarterback; H. Huwer, left half; Wolfal, right half; Speer, fullback. Substitutions were D. Maze at end, C. Huwer at center, Brodbeck at guard, Kohler at quarter.

Coach Hollinger and the members of the team are grateful to local citizens who volunteered to transport the team in their private cars for the out of town games. Without their support it would have been impossible for the team to have completed its schedule because of the OPA ruling that school buses could not be used to transport athletic teams.

Cougars Outclass Rough Riders In League Contest

Van Wert had too much power for a stubborn St. Marys team, and defeated the Rough Riders 12 to 0, for its fifth league victory in as many starts.

Statistics:

	St. M.	V. W.
First downs	6	15
Yards gained by rushing	61	328
Forward passes attempted	8	7
Forward passes completed	1	0
Yds. gained by forward passing	12	0
Forward passes intercepted by	0	2

Punting average	34.7	16
Total yds. all kicks returned	44	48
Tumbles by	0	1
Opponents fumbles recovered by	1	0
Yards lost by penalties	25	45

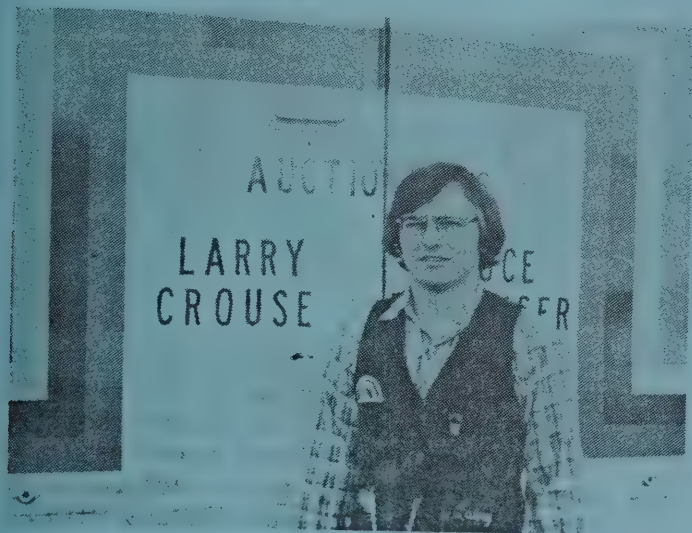

The cougars began to roll very early in the game and after three plays they had six points chalked up to their credit. Speer kicked off to Stoops who returned the ball to the 36. Stoops then made 27 off tackle. Weigle followed with 11 and Stucky climaxed the drive with a neat 26 yard cut back over tackle for the score. Lininger's placement was wide. Score 6-0.

The Rough Riders came right back to make the one and only touchdown threat when they took over the ball on downs on the 38. Wolfal passed to Loffer for 12 and Speer and Huwer added 5 more more. Two passes failed and the Memorialites lost the ball on the 21.

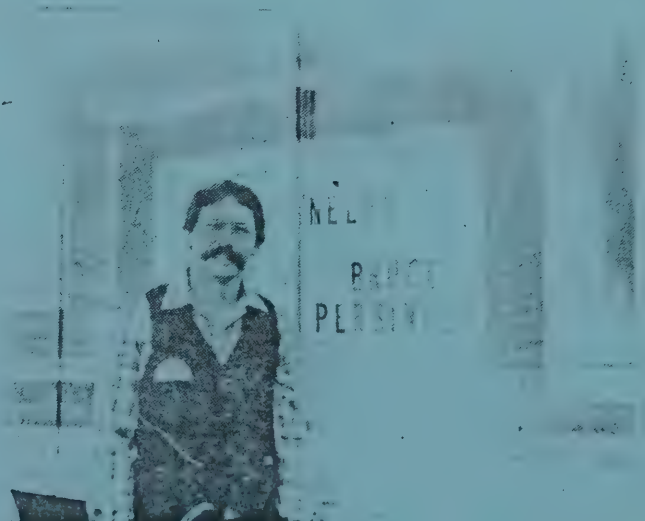

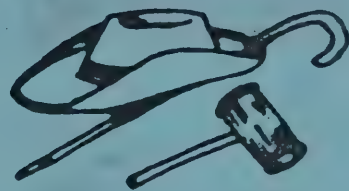

Not until late in the third quarter did Van Wert make any great thrusts, but at this point they made a 59 yard march to their second score. Stoops and Coon led the attack, with Stoops scoring from the 2 yard line. The placement was good again. Score 12-0.

The fourth quarter saw the Cougars making threats continually but great defensive play enabled the Rough Riders to hold down the score. Final score 12-0. 11-9 CW

The Memorial High School marching band, under the direction of Richard Schilling, participated in many events during the school year. The band held rehearsals throughout the summer and presented several twilight concerts in Memorial Park. At the County Fair our band entered the annual contest held on the opening night and won the trophy for the second successive year. Kathaleen Tigner, majorette, and Richard Sunderland, drum major, also won first place in their respective contests and were presented with trophies.

The band entertained between halves at all home football games and also traveled (thanks to the parents) with the team to Celina and Wapakoneta. Some of the outstanding formations presented were the State of Ohio, Der Fuehrer's Face, Harvest Moon, Heart, and U. S. with the Statue of Liberty in the background. The three latter formations were performed with the stadium lights out and tiny lights on the band hats formed the outlines.

The band also participated in the various parades for Armistice and Memorial Day, bond rallies, Red Cross drives and Navy Enlistment Programs.

The organization had sixty-two members at the opening of the school year and grew to seventy members by May, with only fourteen of the personnel graduating. With the addition of the instrumental students coming from Junior High, we are looking forward to another successful year.

Cheerleaders

Lois Wilson

Janet Finke

The cheerleaders this year have done a wonderful job. When in the face of defeat, they would spring forth with a rousing cheer, it would make the players feel that there was someone backing them.

In our pep meetings this year, many students have entered the auditorium almost certain that our team would lose the game that night. But with the work of these girls, they have come out of the auditorium feeling that nothing could stop our team and victory was in sight.

These girls seem to know just when a cheer is needed. They lead in such an exuberant fashion that everyone brightens up a little. It doesn't matter to them if it is raining or snowing, they are always on the job. It is their responsibility to keep up the spirit of the game whether we win or lose. They all deserve a big hand for their loyalty and never dying energy.

MEMORIAL 0—SIDNEY 13 September 17

The Sidney Yellowjackets opened the grid-iron season for 1943 and after a grueling first quarter between the 30 yard markers, Sidney's ace, Dick Flannigan, All-state halfback and high scorer, broke loose and scored his first touchdown of the year.

In the latter part of the third period Flannigan again battered his way across for the second and final marker and then added the extra point. After this the teams battled on even terms until the final gun.

MEMORIAL 24—KENTON 0 September 24

Tonight was the night for the Roughriders. The Kenton Wildcats invaded St. Marys but were repulsed with heavy losses.

Kenton received the opening kick off and was abruptly stopped and forced to punt. The Roughriders took over and quickly punched over a touchdown. Kenton again received and the Roughriders took over and scored twice in succession before the half ended.

In the third quarter the St. Marians opened their passing attack and scored on a series of beautiful passes.

In the remaining period the Kenton line, that before the game looked big enough to maul the boys from MHS, held and the final score stood Roughriders 24, Wildcats 0.

MEMORIAL 0—COLDWATER 19 October 1

Coldwater's tricky backs, behind a high line, outscored but not outfought the scrappy Roughriders. The St. Marians were unable throughout the evening to stop the deceiving reverses and the deceptive cutbacks of the Cavalier Backs.

When the game ended the Roughriders were on the Coldwater one-foot line and only time prevented their scoring.

MEMORIAL 21—CELINA 27 October 8

This truly is one of the greatest games in the history of the rivalry. Celina scored first and then St. Marys roared back with two great touchdown drives and at the half led 14 to 7.

In the last half St. Marys came back again and scored once more to make the score 21 to 7. But the Bulldogs were not to be beaten and scored twice by battering through the lighter St. Marys line which had doggedly held until then and the score stood Bulldogs 20, Roughriders 21.

An intercepted pass a few minutes before the final gun spelled doom to the battle-weary boys from MHS and they went down to defeat gloriously in one of the classics of the year.

MEMORIAL 6—ROCKFORD 0 October 15

What a night! Even a self-respecting polar bear wouldn't have been out and yet quite a throng of loyal St. Marians followed the Blue and Gold on its invasion of the Rockford grid-iron.

The Roughriders were superior in every respect to the Rockford gridders and piled up a huge advantage in statistics. Only the weather prevented them from making it a complete rout; the Rockford boys never reached the mid-field stripe.

MEMORIAL 6—BLUFFTON 7 October 22

Another thriller, this time Memorial vs. Bluffton. In the first quarter the Roughriders were stopped several times within the Bluffton 10 yard marker and finally in the second quarter they pushed across the first score. The point after touchdown was wide and St. Marys led 6 to 0 at the half. Forget about the second half.

MEMORIAL 13—BELLEFONTAINE 20 Oct. 29

The Roughriders battled their way into an early lead and at the half showed no sign of weakening. The first half had netted the Chieftans absolutely no yardage on either the ground or in the air.

In the third period the Chieftans opened their passing attack which netted them two quick scores. Then in the fourth period Eddie Brown, Bellefontaine's ace back, broke loose and clinched the game with a touchdown and then added the extra point.

The Blue and Gold was again outscored but never outfought and led in statistics.

MEMORIAL 12—VAN WERT 26 November 5

After a jittery start, in which the Cougars pushed over three touchdowns, the startled Roughriders settled down to hold Van Wert's unbeaten, self-claimed state champs to a 26 to 12 victory.

The scrappy little Roughriders led in statistics and probably gave Van Wert their best battle of the year.

MEMORIAL 9—WAPAKONETA 6 Nov. 12

Wow! What a game! The Roughriders defeated Wapak, our arch rival, for the first time in six years.

Here's how the game went. The first quarter was fought between the thirty yard lines with neither team gaining the advantage.

In the second quarter the Roughriders battered their way into Wapak territory and scored on a beautiful pass. The hal, saw the Roughriders in the lead 6 to 0 with no signs of weakening.

The second half opened and the teams again battled on even terms until the Redskins punted deep into the territory of the Blue and Gold and then two plays later the slippery pigskin slid from the arms of a scampering MHS back. When the pile was uncovered a Red and White-jersied player gleefully held the ball and Wapak scored four plays later on short plunges. The extra point might readily have decided the game. The entire crowd was tense and silent and then broke into a tumult of cries and sighs as a Blue and Gold-jersied player knocked down the extra point.

Memorial received and from then on dominated the play. A beautiful run put the ball on the six and then the Wapak line held. It was fourth down and four yards to go for a touchdown. The Roughriders line blocked beautifully and the ball split the uprights for a field goal and MHS led the Redskins 9 to 6.

When the game ended the St. Marians were again deep in the territory of the Red and White and entered their showers with their eyes full of tears of joy for they had finally turned the tide and beaten the Redskins.

ROUGHRIDERS LOSE BEGINNING GAME OF THE SEASON 13 TO 0 TO SIDNEY ELEVEN

We're outweighed and outcharged by visitors Flanigan yellow jackets left half, provided strong opposition.

Memorial Roughriders got off to end start last night when they lost the opening football game of the season to Sidney Yellow Jackets by a score of 13 to 0.

The game was played before a large crowd, which surprisingly included a great many Sidney fans, in spite of the gasoline rationing.

The Roughriders were outweighed and outcharged by the visitors, but put up a good battle against them. Flanigan, playing left half for Sidney, was a team almost in himself. He carried the much of the time, pounding through the line or running around end for big gains. He did the punting for Sidney and was an all-round good player on both offensive and defensive plays. Two attempts passes by St. Marys were intercepted by Sidney, the Yellow Jackets springing into action quickly to snag the ball.

Hudson went out of the game with an injured knee which may keep him out of the play for more than a week.

St. Marys got off to several big gains but were stopped before they could complete the forward movement to the goal line. They were in there fighting all of the time, their spirit showing aggressiveness.

Flanigan scored the first touchdown for the Yellow Jackets in the first quarter, going across the line after a pretty 25 yard run. Try for extra point failed. He plunged across the line for the second touchdown, the ball having been advanced on a series of plays. This time he made the extra point, going through center to score it.

Between halves the Memorial high school band marched on the field to form the letters for Sidney and St. Marys high schools and to play several selections. The marching band made a good appearance in the initial football game and played well under the direction of Richard Schilling.

ROUGHRIDERS OUTPLAY KENTON AND WIN FIRST LEAGUE CONTEST

**SPIRITED TEAM WINS 24 TO 0
AFTER SCORING FIRST TOUCH-
DOWN EARLY IN FIRST
QUARTER — BAND STAGES
DEMONSTRATION FOR WAR
BONDS BETWEEN HALVES.**

St. Marys fans were jubilant last night when the spirited Memorial Roughriders defeated Kenton 24 to 0 in the first league contest of the year, giving St. Marys a good start for the season.

The Roughriders showed much improvement since last Friday night a week ago when they lost to Sidney 13 to 0. It was a fast-moving, improved blocking outfit that went on the field last night, the Roughriders showing improvement in both offensive and defensive plays.

Coach Hollinger had drilled the boys in the phases in which they showed weaknesses against the Sidney boys last week, and the results were noticeable.

Fans were enthusiastic in their praise of the Roughriders last night.

Miley crossed the line for the first touchdown early in the first quarter, scoring the touchdown after a pretty run through the field.

H. Huwer came through with the second touchdown for that period, carrying the ball across the line after it had been advanced up the field in a series of plays.

In the second quarter Miley intercepted a pass and ran 40 yards before he was brought down. Huwer added another ten yards gain. Dennis carried the ball across the line on the next play for the third touchdown of the game. All tries for extra point failed.

It was in the second quarter that C. Huwer intercepted a pass and ran about three yards with it before he was brought down. He was injured on the play and had to leave the field for the rest of the game. His leg was injured.

In the third quarter interest quickened when Miley intercepted a pass and ran 40 yards with it to be brought down by a Kenton player. Kenton held St. Marys on succeeding plays and St. Marys lost the ball on downs. As the quarter ended Dennis intercepted a pass.

In the fourth quarter St. Marys made its fourth touchdown. Miley received a pass from H. Huwer and ran 35 yards for a touchdown. It was a pretty play. Noble went in for the place kick but failed.

With St. Marys leading 24 to 0 and only a few minutes left to play, Coach Hollinger sent in more of the squad to get experience. The boys made a creditable showing, and were able to turn back Kenton's attacks.

Kishler made some beautiful punts last night, the ball traveling far down the field and rising high in the air to give the St. Marys boys a chance to run down the field to stop Kenton in its efforts to return the ball.

There was good playing on the part of all players last night and fans are hopeful for a good season.

The starting lineup was:

Pos.	Kenton	St. Marys
LE.	Mainor	Loffer
LT.	Young	Campbell
LG.	Simmons	Schnarre
C.	Mauk	Kishler
RG.	Baldwin	Bröbeck

RE.	Barret	Anderson
QB.	Cowen	Miley
LH.	Kisling	H. Huwer
RH.	Kaylor	Slife
FB.	Reams	C. Huwer

Substitutes run in for St. Marys included Steinecker, Dennis, Harmon, Maze, Heil, Dellinger, Allen, Shinnberry, Beckett, Hunter and Noble.

Next week Memorial plays Coldwater here.

Memorial high school band under the direction of Richard Schilling staged an exhibition between halves in the interests of the Third War Loan drive.

The band formed the word Give on the field in front of the stadium and then changed to 10 per cent to play the army's fighting song.

Director Schilling called attention to the formations and their meaning—the need for every American citizen to give 10 per cent of his income for the purchase of war bonds and this month to buy an additional \$100 bond to Back the Attack.

It was an inspiring demonstration by the band in music and formations, bringing home the THIRD WAR LOAN DRIVE.

Before the demonstration in the interests of the war loan, the band played Kenton's school song while they stood in a big K H, then the varsity song for St. Marys high school. They sang a part of the second number.

The band marched up town in advance of the Kenton game and afterward staged a victory march across the field and up town.

The boys and girls with their director gave support to the team throughout the game by "striking up" in recognition of plays for gains.

Velda Hall announced the game play by play.

During the second half a light drizzling of rain fell, sending many spectators home.

ROUGHRIDERS BOW TO COLDWATER 19 TO 0; WAS NOT LEAGUE GAME

CONTEST ENDS WITH ST. MARYS
WITHIN ONE FOOT OF GOAL
LINE — SPECTACULAR PER-
FORMANCE GIVEN BETWEEN
HALVES BY BAND.

Memorial High Roughriders bowed to the Coldwater eleven last night at Memorial field, the visitors winning the contest 19 to 0.

The Coldwater boys scored one touchdown in each of the first three quarters and scored an extra point in the first quarter. Their heavier team went through the St. Marys line for large gains time and again, and the flashy Tangeman and Sowar were speedy as well as powerful in carrying the ball.

In the fourth quarter the St. Marys boys began a scoring threat that carried them within one foot of the goal line when the final whistle blew, bringing the game to an end with St. Marys in "breathing" distance of a touchdown.

The St. Marys boys did some good playing although they were unable to hold Coldwater and were unable to score.

The Roughriders attempted an aerial attack but the Coldwater boys were skillful in intercepting passes or knocking the ball down so that only a few of the passes were completed.

Coldwater actually crossed the goal line four times but one "touchdown" in the second quarter did not count because of the ball being called back.

Loffer playing offensive back was able to account for some nice gains for St. Marys. Dennis, Huwer and Miley all came through with gains.

Memorial made four first downs against ten for Coldwater, but the Roughriders were unable to continue

their march up the field.

Sowar made two touchdowns and Tangeman one for Coldwater. The extra point was made on a pass from Schulze to Bettinger.

The lineups for the two teams follow:

Pos.	St. Marys	Coldwater

LT	Hudson	Birt

Score by quarters:

St. Marys	0	0	0	0	—0

Touchdowns: D. Tangeman, 1; Sowars, 2. Extra point: Bettinger.

Officials were Hires, Woolweaver and Bower, all of Lima.

Between halves the St. Marys high school band staged a spectacular performance under the direction of Richard Schilling.

The band marched onto the field, formed a revolving C while they played the Coldwater song. Then they formed a big M for the Memorial high school song.

The lights went off and the band with instruments lighted by tiny flashlight bulbs formed a big U. S. as they played "America The Beautiful."

As it was being played the Statue of Liberty appeared at the top of the letters between the U and S. With illuminated torch in her right hand, the statue stood above the band members as the central figure on the field, remaining there throughout the number.

The band played "America the Beautiful," sang one stanza and then led the audience in singing the first verse of the patriotic selection, always a favorite with those who love the United States. It was an impressive performance.

ROUGHRIDERS LOSE TO CELINA BULLDOGS IN OUTSTANDING FOOTBALL CLASSIC

FANS ENTHUSIASTIC IN PRAISE
OF ROUGHRIDERS WHO LED
UNTIL FINAL MINUTES WHEN
FOURTH TOUCHDOWN OF
BULLDOGS WAS SCORED.

The football game played between Memorial Roughriders and the Celina Bulldogs last night at Celina was one of those games which go down into sports history as classics never to be forgotten. It ended in defeat for St. Marys, the local boys losing 21 to 27 but nevertheless it was a contest that saw the St. Marys boys playing a game which was a whiz from start to finish.

Fans who followed the team to Celina last night, and there were a great many of them despite gasoline rationing which may limit the use of their automobiles for other pleasure driving, were enthusiastic in their praise of the Roughriders and of the Bulldogs.

It was the kind of a game in which the Roughriders never gave up for a minute—they went out on the field determined to come with a win and they never quit until the final whistle sounded.

It was St. Marys' game much of the way, the local boys being ahead 14 to 7 at the half. Then it was close, Celina adding a touchdown in the third period to make the score 14 to 13 with St. Marys still one point ahead

MORE

The final quarter saw the locals still in the lead, 21 to 20, until not many minutes before the end. Then Celina came through with another touchdown to take the lead and try as they would the Roughriders couldn't march the ball down the field for a fourth touchdown.

The Roughriders resorted to the air for large gains, and the aerial attack was outstanding.

On defensive and offensive plays the team was working good, and fans who saw the contest will remember it as one where play after play clicked, where every Roughrider came through with some good plays, doing outstanding team work.

A week ago the Bulldogs had trounced the Wapakoheta team, and it was generally believed here that the Bulldogs had the edge on the Roughriders despite the fact that two of their regular string had suffered injuries in an automobile accident this week.

Lineups were:

Pos.	Celina	St. Marys
LE	Eley	Loffer
LT	Bilger	Steinecker
LG	Ayers	Harmon
C	Van Tilburg	Kishler
RG	Petrie	Schnarre
RT	Ross	Wirwille
RE	Wilson	Hudson
QB	Birt	Miley
LH	Kittle	R. Huwer
RH	Berry	Dennis
FB	Feth	Maze

Score by quarters:

Celina	7	0	6	14-27
St. Marys	7	7	0	7-21

Touchdowns—Celina—Feth, 3; Berry, 1. St. Marys—Miley, 2; Dennis, 1.

Extra Points—Celina—Feth, 1; Birt, 2. St. Marys—Miley, 1; Noble, 2.

Between halves the Memorial high school band and the Celina high school band entertained with formations. The St. Marys band formed a revolving C for Celina and a big M for Memorial, then went into a U. S. while they played America the Beautiful. During this number the statue of liberty took the center of the darkened field and her flaming torch with the tiny flashlight bulbs on the players' caps and instruments were the only lights.

ROUGHRIDERS BEAT ROCKFORD 6 TO 0 IN GAME PLAYED IN RAIN

ST. MARYS PLAYED OUTSTANDING DEFENSE, AND OPPONENTS NEVER CAME INSIDE 30 YARD LINE—BLUFFTON NEXT WEEK'S FOE.

The Roughriders from Memorial high school defeated the Rockford eleven at Rockford last night 6 to 0 in a game played in the most disagreeable weather that the Roughriders have encountered in a game for several years.

The first half of the first quarter was played in a stiff gale, against which it was virtually impossible to kick or pass the ball.

Then a steady rain began falling and the players slipped and slogged around through rain on a slippery field, making it impossible to get up any speed.

In the second quarter Rockford fumbled, Steinecker and Anderson recovered. In a series of plays Slife carried the ball down the field to within a short distance of the goal line. Miley was successful in getting across the line with it for the first and only touchdown of the whole game. The try for extra point failed when the kick was blocked.

The third and fourth quarters found the two teams evenly matched, with neither being able to make much gain. The field was slippery and the ball even more slippery so that the players were hard-pressed to keep on their feet and advance. Rockford never came inside St. Marys' 30 yard line.

St. Marys played an outstanding defensive game with Steinecker as the spark for the defense.

Miley went out in the second quarter after sliding for some distance on his face. He will be back in the game next Friday against Bluffton. Allen replaced him at quarter.

Starting the game last night were Anderson and Noble at ends, Schnarre and Harmon at tackle, Steinecker and Wirwille at guard, Kishler at center, H. Huwer and Dennis at halfback, Miley at quarter and Slife at fullback.

BLUFFTON

MEMORIAL HIGH ROUGHRIDERS DROP FOOTBALL GAME BY ONE POINT

Lose to Bluffton 7 to 6 after getting off to early lead Charlie Huwer injured in second quarter.

Memorial high school dropped another league football game last night losing to Bluffton 7 to 6 at Bluffton it was a close contest, and had St. Marys continued throughout the game playing the brand of football they played in the first quarter the story would have been entirely different.

The Roughriders got off in a whirling start, and they made six first downs that first period. Although they threatened to score several times that period Bluffton was always able to tighten up sufficiently to hold the Roughriders.

Early in the second quarter a long pass from Huwer to Noble brought the ball to the two yard line. On the next play Huwer plunged across the line and it was 6 to 0. The try for extra point failed.

The third quarter saw Bluffton duplicating St. Marys' record in the first quarter. They made six first downs that quarter and St. Marys boys had trouble preventing them from scoring. As the quarter ended the ball was well up the field and early in the fourth quarter the Bluffton boys scored. A pass from Herman to Schmidt was good for a long gain and it was an easy matter

then to carry it across. A plunge through center netted the extra point and the score was 7 to 6.

The Roughriders lacked the punch to get the pigskin across for another goal, and the fourth quarter proved uneventful except for the single marker of the opponents.

Charlie Huwer, starting out the game at Fullback, had to leave the field early in the second quarter when his leg was injured again. He had just recovered from a leg injury which had kept him out of all but the first two games, and last night's injury may keep him out of the next contest.

Between halves there was a demonstration by the Civilian Defense Corps of Bluffton.

ROUGHRIDERS LOSE TO BELLEFONTAINE BY ONE TOUCHDOWN IN GREAT CONTEST

SPECTATORS SEE GAME COM-
PARING WITH COLLEGE CON-
TESTS FOR SPECTACULAR
PLAYS—BAND STAGES FINE
EXHIBITION BETWEEN
HALVES OF DAD'S DAY GAME.

Memorial Roughriders were beaten 20 to 13 last night by Bellefontaine Chieftains but the game was one which had all the thrills of any college game, and spectators saw a contest they will remember for a long while. It was Dad's Day and Roughriders were out there showing Dad how they could go—they played with a zest and in the first two quarters they held their opponents scoreless. It was early in the first quarter that Miley carried the ball across for the first touchdown the pigskin having been worked up toward the goal line in a series of good plays. The try for extra point failed.

In the third quarter the Chieftain's fullback, Vickers, went across for their first marker and Dearwester made good on the place kick so that the score was 7 to 6 in favor of the visitors.

That same period Loffer caught a pass which had the crowd in an uproar. The ball struck a Bellefontaine player and bounced into his hands on what was one of those freak plays. The ball was advanced well up the field and Allen carried it across to make the score 12 to 7. Noble's kick was good and St. Marys' was leading 13 to 7.

In the fourth quarter Brown, Bellefontaine's flashy half, scored two touchdowns. The first one was after a short run, tying the score, but the second one was made after a 60 yard run with St. Marys players trying to stop him. Once it seemed that St. Marys would have him but the elusive half kept right on going. Dearwester made good on the try for extra point after the last touchdown and the game ended 20 to 13.

The score doesn't begin to tell how the St. Marys boys were in there playing. They were going strong, especially in the first half, and the spectators were enthusiastic about the improvement they have shown since their last home game.

After the half the Bellefontaine boys came on the field to try a different brand of football and they introduced an aerial attack on which they made large gains. St. Marys couldn't break up their passes and it was this aerial attack that made possible their victory.

The Dads were on the side lines, encouraging their boys. Even though they saw them defeated they had reason to feel proud of the fine game they played and the spirit they exhibited.

Starting lineups follow:

Between halves the Memorial high school band under the direction of Richard Schilling staged one of its finest exhibitions, presenting five excellent formations.

The band came on the field to form a large B for Bellefontaine while playing "Wave the Flag." It changed from B to M for the Memorial high school song.

Then the State of Ohio was outlined with two persons showing the location of Bellefontaine and St. Marys in the state. "Beautiful Ohio" was played and then the band sang one stanza of the song which is so popular among Ohioans. Pat Axe carrying a sprinkling can and a placard "Ohio River" Lieut Marjory Gray spoke briefly and

The fourth formation was a large D-A-D for the Dads who were the honor guests at the game last night. "What's The Matter With Father, He's All Right" and "For He's a Jolly Good Fellow" were played in tribute to the fathers who were introduced at the conclusion of the two numbers. Each of the fathers wore a placard with the same number as his boy wears when he plays with the Roughriders. Two of the fathers, Harry Miley and William Huwer, wore two numbers since they have two sons in this year's squad. The fathers were enthusiastically applauded at the conclusion of this part of the program.

For its final number the band formed a circle with eyes, nose and mouth made of crepe paper through which

lights glowed as the electric lights were turned out on the field. The formation depicted a large moon, the Harvest Moon, and the band played and sang "Shine On, Harvest Moon" while in this formation. The program came to a successful conclusion as the boys came back on the field for the beginning of the second half.

Preliminary to the kick-off there was a demonstration by the band with the WACs recruiting team here in the interests of the Air Service Command. The team members were introduced by Mrs. E. G. Laughlin, local chairman of WAC recruitment and Lieut Marjory Gray spoke briefly announcing the fact that women joining the WACs may now get into the Air Service Command for the first time.

Undefeated Cougars Almost Knocked From Throne by St. Marys

The unpredictable Rough Riders met the strong highly favored Van Wert Cougars and gave them their best battle of the season. The Rough Riders looked glorious even in defeat by getting nine first downs to Van Wert's eight, by rolling up the amazing total yardage of 240 yards to Van Wert's 206. After practically giving the Cougars two touchdowns the Memorialites hit their stride and the remainder of the game was one thrill after another.

Van Wert won the toss and decided to kick off. Liniger kicked a long end over end kick that rolled behind St. Marys' goal line where Huwer ran it out to the 10 yard stripe. Here after three futile tries at the line, St. Marys elected to punt. But the whole right side of Van Wert's line broke through and blocked the kick recovering it for a touchdown. Linigers attempted conversion was clocked.

St. Marys again, received and Huwer returned it to the Memorial's one. On the next play Kishler punted to Showalter who behind good blocking ran it back to the 12. Liniger picked up four yards on a line kick and Showalter went the remaining eight on an off tackle smash. This time Liniger converted to make the score 13 to 0.

Then after the Rough Riders had received and failed to make a first down, Kishler kicked deep to Showalter, who was downed in his tracks on Van Wert's twenty third. They then started their longest drive of the game with Coon and Showalter skirting the ends they scored on eleven plays. Again Liniger's kick was blocked.

After this St. Marys opened up their great offensive power. After returning the kick off to their own thirty, Dennis picked up a first down around left end. Allen on a reverse

raced another nine yards to the forty yard line where Miley on quarterback sneak smashed three yards to the forty seven for a first down. On the following play Allen was tackled so viciously that the ball "squirted" out of his hands and was recovered by the Cougars.

The St. Marys line then dug in and held Van Wert for no gain. The Cougars punted to the Rough Riders' eleven yard stripe. The Memorialites took to the airways and drove down to Van Wert's fifteen as the half ended.

In the second half the St. Marys team no longer convinced that the Cougars were invincible started to roll. After an exchange of punts the Rough Riders drove to midfield where Dennis threw a beautiful pass to Noble who aided by a block from Huwer scored standing up. The play was good for fifty six yards. Noble's place kick was wide.

The St. Marys line then grew stubborn and stopped everything that Van Wert threw against them Van Wert was finally forced to kick to Memorial the ball going out of bounds on the Van Wert thirty yard line market. Two passes to Loffer put the ball on the eight yard line and Miley after two line smashes scored on a quarterback sneak. The attempted conversion was blocked.

It looked as though the Rough Riders were going to overtake the mighty Cougars. But a few plays later Coon elusive halfback, circled left end, and ran forty four yards before he was finally downed on the St. Marys five yard line. Showalter then drove through center for five yards and a touchdown. The Rough

Riders were held in check the remainder of the game, the final score being 25 to 14.

ROUGH RIDERS MEET VAN WERT AND FIND COUGARS ARE REALLY TOUGH

LOSE 26 TO 12 IN FINAL HOME
GAME OF SEASON TO LEAGUE
LEADERS—BAND ENTERTAINS
AT HALF.

The Memorial Roughriders last night met up with the highly touted Van Wert Cougars and came out on the short end of a 26 to 12 score, the Roughriders finding out for themselves that the Cougars were all they had been rated to be.

Within the first two minutes of the game the Cougars had taken advantage of some lucky breaks for them and had scored two touchdowns. It was an ill-fated start for the Roughriders, the boys meeting with some tough luck right from the start. Van Wert succeeded in getting the ball twice in deep St. Marys territory, the first time due to a fumble of the kick-off and the second time by blocking the punt St. Marys made to try to get out of the danger zone, after recovering a fumble of the kick-off.

That same period Showalter came through with another touchdown but from then on St. Marys held the visitors until the fourth quarter when they broke away for the fourth touchdown. Two extra points were made.

It was in the third quarter that St. Marys got away for two touchdowns, the St. Marys boys exhibiting a specially good brand of football in that period. Noble scored the first and Miley the second.

Although they were beaten 26 to 12, with two of Van Wert's touchdowns coming from taking quick advantage of bad moves by St. Marys, the Roughriders played a strong game against the league-leaders and fans saw some real ball-playing last night.

The starting lineups were:

Pos.	St. Marys	Van Wert
LE	Loffer	Grandstaff
LT	Hudson	Miller
LG	Steinecker	D. Showalter
C	Kishler	Balyeat
RG	Brodbeck	Bebont
RT	Wierwille	Thomas
RE	Noble	Galloway
QB	Miley	Coon
LH	Huwer	Linsinger
RH	Allen	Ford
FB	Maze	J. Showalter

Between halves Memorial high school band marched onto the field to form a big V. W. for Van Wert, M. for Memorial high school and then a novelty feature—the face of Adolf Hitler, with black and white crepe paper used to produce the eyes and nose and the moustache. They played Van Wert's school song for the first number, Memorial's for the sec-

ond and "Der Fuehrer" for the third with John Morris as baritone soloist. The final formation was a large heart while the band played "Let Me Call You Sweetheart," with the audience humming and singing with them. The field was blacked out for the last number.

Under the direction of Richard Schilling the band has contributed much to the evening's entertainment at each of the home games.

Next week Coach Hollinger's Roughriders will play their final game of the season, meeting Wapakoneta there.

WAPAK HERE WE COME

Well there remains only one football game to be played by the Roughriders before they close one of the best seasons St. Marys has had for several years. It is the one that should have been printed in big red letters on the bottom of the schedule. It is the annual gridiron classic between Wapak and St. Marys, to be played this Friday on Wapak's field.

I don't need to tell you about the rivalry between these two teams. They have played each other for a number of years now and the enthusiasm becomes keener each year.

In the past five or six years St. Marys has been the "underdogs," although last year's game ended in a thrilling tie. This season, however, is St. Marys' chance to really show Wapak that we have got what it takes and plenty more. If my predictions are correct (no reflection on Drew Pearson or Mr. Royer, I assure you) our Roughriders will be up to full strength for the second time this year, and, under the able coaching of Mr. Hollinger, St. Marys should emerge from the conflict as the winners. The players are looking forward to this game eagerly so that they may avenge the 40-0 defeat suffered two years ago at Wapak's hands.

We know the players are ready to go, but how about you? Will you do your part to win this game? Talk to the boys; ask them for their opinions as to how the game will be played. Let them know that you are interested in them. No matter how hard they work and train, it doesn't mean a thing if they step onto the field with a defeatist attitude because some wise guy, who knows nothing about the game or how to play it, speaks without thinking. So come on, everybody, prove that St. Marys is a football town and that we're behind the team 100% so that we can end the season right by defeating Wapak.

BEAT WAPAKONETA 9 TO 6 IN LAST LEAGUE CONTEST, PLAYED THERE

Field Goal Made by Noble
Broke Tie

GAME WAS EXCITING

Dad's Day and Homecoming Game
Found Both Teams Playing Best
Brand of Football—Local Boys
Fought Every Inch.

Memorial high school Roughriders ended the football season gloriously last night by defeating the Wapakoneta Redskins 9 to 6 in a hard-fought contest played during a light snow and rain, with a stiff wind blowing.

With the score standing at 6 to 6 and only a few minutes left to play, Dennis got away for a beautiful 50 yard run. He carried the ball down near the goal line. On the next play Noble kicked a field goal with Miley holding the ball and the three-points two minutes left to play neither two minutes left to play neither team was able to make much advance and the ball was in center-field when the game ended.

The first touchdown was scored by St. Marys in the first quarter when Loffer caught a pass from Huwer behind the goal line.

From then on the game was evenly played until the fourth quarter when Newland scored a touchdown for Wapakoneta, carrying the ball across on a fine plunge. The score was tied then at 6, neither team having been successful in the attempt

to get an extra point.

Fans were keyed to the highest pitch, and Noble's field goal put St. Marys fans on their feet with wild cheers while it sent Wapakoneta's fans into the depths of despair.

The St. Marys players were in there doing their best to end the season victoriously. It had been several years since the Roughriders were on the long end of the score with Wapakoneta and they were out there last night with everything they had to combat the strong Redskins. It was Homecoming and Dad's Day game for the Redskins so that they had additional incentive to come through with their best brand of ball.

Charlie Huwer who had been counted out of the running for the balance of the season because of a leg injury was back on the field last night to get in some good plays for St. Marys and they figured heavily in St. Marys' victory. Huwer made a great come-back after being on the shelf temporarily.

Everyone of the St. Marys boys who went on the field last night gave a good account of himself and the fans were proud of them, enthusiastic in their praise.

The starting lineups were:

Between halves the Memorial high school band went out on the field for a series of formations and selections which were loudly applauded.

Roughriders End Season With Victory Over Rival Team

Field Goal Breaks Tie in Last Few Minutes

In the greatest gridiron game ever played ranging over a period of nearly twenty five years of rivalry between the two schools the Memorial Rough Riders' subdued the "Redskins" of Blume High School 9-6. The Rough Riders were out to avenge the Red-skin massacre of '41 and did so only after they had fought their greatest battle of the year.

The game was packed with thrills from the opening whistle to the sound of the final gun. Both teams, keyed up to their highest pitch, exhibited beautiful blocking, vicious tackling, and masterful running. They also showed that they both pack a great offensive wallop by their ability to really drive when they got the ball. I shall attempt to write a brief summary of the game but it is impossible for me to describe vividly enough all the splendor and color of this annual gridiron classic.

St. Marys won the toss and chose to receive. Wapak attempting to kick out of bounds was unsuccessful and Loffer returned the pigskin to the Rough Riders' forty two yard line. After trying the Wapak line which proved very stubborn Kishler punted to Newland who was downed in his tracks on Wapak's thirty four. The Redskins then tried their offensive power on the stalwart line of St. Marys but to no avail. On third down the Redskins completely caught St. Marys off guard by a quick kick that sailed over the head of the Rough Riders' safety man; the ball finally rolling out of bounds on the Memorialites' twenty nine.

C. Huwer then smashed through center for eight yards on three plays, and Kishler on fourth down punted to Newland who was tackled so hard that he fumbled and Brodbeck

recovered on Wapak's twenty. For three plays Blume's defense stopped Memorial's running plays cold but on the last down in desperation a pass down the center, Dennis to Noble, was completed for fifteen yards and a first down on the nine yard line.

Here again Blume using a seven man line, held the Rough Riders in check for three downs and again St. Marys was forced to take to the airways. This time Loffer, evading the Wapak secondary, made a beautiful catch of Huwer's pass in the end zone. Noble's attempted place kick struck the cross bar and bounced back.

After returning the kick off to their own thirty-five Wapak, aided by a penalty, drove to Memorial's twelve yard line where Urlich as he attempted a line buck fumbled and Wierwille recovered for the "Blue and Gold" thereby ruining one of the biggest scoring threats of the game. Kishler, a few plays later, punted out of danger to Blume's forty. After an exchange of punts the Redskins again started to roll but were halted on the Memorialites' twenty-seven by the sound of the gun ending the first half.

After an uneventful third period the sparks again began to fly early in the fourth quarter when the Rough Riders started on a rampage marching from their own ten to the forty but here the Redskins refused to budge and St. Marys was

forced to punt. Wapak then took over possession of the ball on their own forty-four and quickly chalked up a first down when a pass, Newland to Zimmerman, netted six yards and Newland on an end run made four more. After vainly trying to find a hole in the Rough Rider's forward wall Urlich was forced to punt. The kick was a long beautiful kick that was downed on the St. Marys' twelve. St. Marys took over and C. Huwer on two line bucks fought his way up to the twenty-four for a first down. On the next play Allen fumbled and Wapak recovered on the Rough Riders' eighteen.

On three tries at the center of the line they made six yards and with fourth and four to go Newland circled right end for five yards and a first down on the St. Marys' seven. Once more Newland, and again on an end run, founden opening and drove down to the one foot line. On the next play Urlich on a line buck went over for a touchdown. An attempted pass for the extra point was clocked. With the score 6-6 and with less than eight minutes of playing time remaining it looked as if the game was to end in a tie score.

Loffer again received the kick off and returned it straight down the sidelines to the forty four. Then came the climax run of the game when Dennis behind effective blocking started running wide to his right, reversed his field and scampered forty-six yards before he was finally knocked out of bounds on Wapak's nine yard line. But again the Wapak defense tightened up and St. Marys could only make four yards in three tries. On fourth down, Noble dropped back and against a fairly strong head wind, calmly kicked the game-

winning three points.

The St. Marys' "11" then kicked off out-of-bounds, the ball automatically was put into play on the thirty five. The Redskins trying frantically to score took to the air in full strength but to no avail. St. Marys was in possession of the ball when the game ended.

This year's Memorial Roughriders won the football championship, their first in the Western Buckeye League. Although a perfect season was marred by a loss in the last game, no glory can be taken from the team for the job it did.

A large trophy was presented to the school for the championship while smaller trophies were presented to each of the varsity players.

The team as a whole was none too large but they made up for this in their fighting spirit and will to win. Seven returning lettermen formed the nucleus of the team with the remaining positions being filled by last year's reserves.

The five graduating seniors are Harold Huwer, Henry Steinecker, Bill Slife, Jack Harmon and Kermit Campbell. These boys will long remember their last year as their greatest on the football field.

We salute Coach Barber and the many loyal fans who followed us throughout the season. We hope there will be more championships for the Roughriders in the future.

Marching Band

Many new members were added during the summer months from the Junior High, bringing our marching band up to sixty-two members for the school year. Two of our members, Donald Metz and Philip Seibert, were called into the navy, and we were sorry they had to leave us.

The marching band performed at all the home football games and accompanied the team and fans to the Coldwater game. In addition to the regular school letters formed, the band presented such formations as a destroyer, an umbrella, pipe, pine tree, wind mill, crusader's shield, and a travelogue consisting of a bicycle, locomotive and airplane. The band also participated in bond drives, flag dedications and Memorial Day parade.

Director Richard Schilling has again planned rehearsals and concerts for the summer months, so we are looking forward to welcoming the new band members and continuing our work into the coming year.

Memorial Cheerleaders

Dorothy Huenke
Donald Roby
Joanne Swartz

This year the cheerleaders have done an excellent job. They have kept the teams' and pupils' spirits alive by showing a wonderful vigor in rousing the pupils to an exultant cheer when things looked the darkest for the different athletic teams.

The two girls, Dot and Jo, started the season by themselves, but were joined by Donald Roby in the middle of the football season.

From then on, they developed new cheers and actions to go with them. Besides all this, they bought their own uniforms and found their own means of transportation to the games. These things all go to show the cheerleaders' great desire to do all they can to help the pupils and players bring victory and glory to their school.

The teams, and the pupils, want to congratulate the cheerleaders of 1944 and '45, for their fine work.

Roughriders Hive Yellow Jackets 18-12

St. Marys opened a successful grid season by defeating Sidney in both teams' opening contests. A quick touchdown gave St. Marys a halftime lead of 6-0.

Sidney opened its pass attack in the second half to score two touchdowns, but St. Marys was in no mood for defeat and pushed across a touchdown in the third and fourth quarters to win 18-12.

This marked the first time in twenty years that St. Marys beat Sidney.

Roughriders Cage Wildcats 18-12

The Roughriders marked up their first league victory defeating Kenton 18-12.

The first half ended in a 6-6 tie with both teams seemingly to be evenly matched.

St. Marys received the second-half kickoff and in three plays crossed the Kenton goal line to put them into the lead. Late in the 4th quarter, the Wildcats elected to try the Roughriders line on the midfield stripe, but failed and St. Marys quickly scored on several line plunges to bring them their second victory, which also put them first in league standing.

Roughriders Spill Cavaliers 19-14

Coldwater's tricky backs and light line punched across two touchdowns in the first half to lead 14-0.

What a comeback! St. Marys, determined to stay undefeated, came on the field a rejuvenated team. The Roughriders scored twice in the third quarter with their ground attack and took to the air in the fourth quarter to score the winning touchdown. A Cavalier drive late in the fourth quarter was stopped on the St. Marys 2 yard line. The game ended with St. Marys marking up their third straight win.

Roughriders Collar Bulldogs 13-0

The Roughriders outclassed the Bulldog eleven to continue their winning streak to four straight. St. Marys stopped Celina on the 1 yard line as the half ended, but a first quarter touchdown gave the Roughriders a 7-0 lead.

The second half was an exchange of punts until conditioning began to show late in the game and St. Marys pushed across another score to clinch the victory.

St. Marys received the Western Buckeye League Traveling Trophy for the first time since it has been in circulation.

Roughriders Capture Pirates 25-13

Dad's Night! The dads were sent home smiling after watching their sons run roughshod over Bluffton for their fifth straight victory. St. Marys scored twice in the first half to Bluffton's once to lead 12-7 at halftime.

The second half saw a Roughrider touchdown in both quarters, but a late Pirate drive netted them a touchdown, but which was not enough to keep St. Marys from another victory.

Roughriders Dethrone Chieftains 18-0

An unsettled Memorial team took the field against Bellefontaine and after battling between the 30 yard lines for most of the half, they were finally able to score to lead 6-0.

With determination, St. Marys scored early in the second half after being denied a touchdown once by a penalty. A desperate Chieftain team opened their passing attack but the charging Memorial line caught the passer before he could throw and fell on the ball in the end zone for the third and final touchdown.

Roughriders Leash Cougars 21-19

An outweighed Memorial team defeated the highly touted Van Wert Cougars for the first time in ten years. The first half was controlled by the Cougars as they led 19-7 at halftime.

The second half started with St. Marys receiving the kickoff. They unleashed their passing attack for the first time this year and scored in the third quarter on a pass while another set up the winning touchdown in the final quarter.

With a minute and a half to go, St. Marys recovered a Van Wert fumble to cinch the game for their seventh straight victory.

Roughriders Emerge With Scalps 13-6

Championship Game! St. Marys Wins for First Championship in Western Buckeye League! Arch Rivals Are Victims of Roughriders Fury.

St. Marys started its offense by early scoring in the first quarter to hold a 7-0 lead as the half ended.

Second half and St. Marys, not to be denied their glory, scored again to insure their victory and championship. The Redskins weren't giving up and late in the game completed a touchdown pass to end the scoring at 13-6.

The game ended with St. Marys in possession of the ball on their own forty-five yard line. Tears of joy filled their eyes for they had finally reached a much sought for goal.

Roughriders Lose to Wildcats 0-20

St. Marys victory string came to an end at eight straight as they suffered their first defeat of the season at the hands of the Lima South Wildeats.

The first half showed no scoring as both teams were unable to penetrate very deep into the opponents territory.

Second half . . . !

ROUGHRIDERS DEFEAT SIDNEY IN OPENING GAME FOOTBALL 18 TO 12

USE POWER ATTACKS TO CROSS GOAL LINE IN FIRST, THIRD AND FOURTH QUARTERS—SIDNEY THREATENED IN FOURTH, SCORING TWICE THAT PERIOD.

Memorial Roughriders opened the football season with a bang last night at Sidney, defeating the Sidney eleven 18 to 12 in a hard played contest that opened the season for both teams. The local players came through with their first touchdown in the first quarter, six minutes after the game opened.

In power attacks, the Roughriders carried the ball across the goal line again in the third and fourth periods. Try for extra point failed all three times.

The Sidney boys scored twice in the last period, offering real threat to St. Marys.

In last night's opener the Roughriders showed some decidedly good talent, and fans who accompanied the boys to the Shelby county seat are enthusiastic about the possibilities for the year.

Folks at home will not have a chance to see the Roughriders in action here until October.

Lineups for last night were:

Pos.	Sidney	St. Marys

ROUGHRIDERS ROMP TO VICTORY; BEAT KENTON IN LEAGUE CONTEST 18 TO 6

WILL MEET COLDWATER NEXT
WEEK AT COLDWATER—LAST
NIGHT'S GAME WAS PLAYED
LARGELY IN OPPONENT'S TER-
RITORY.

The Roughriders romped to victory last night at Kenton, defeating the Kenton eleven 18 to 6 in the first league game St. Marys has played this year. Starting an offense early in the first quarter, St. Marys scored its first touchdown that period to take the lead 6 to 0. Charles Huwer carried the ball across the line. The score was evened in the second period when Kenton crossed St. Mary goal. Fortunately for St. Marys the Kenton try for extra-point, like St. Marys, was unsuccessful.

In the third period Bill Slife made a beautiful run from about the middle of the field to carry the ball across Kenton goal. St. Marys fans went wild, and there were a large number of fans accompanying the team who began the season last week with a winner. Again the try for extra point failed.

The third and last marker for St. Marys was made in the fourth period. Hank Steinecker carried the ball down the field to the couple yard line and it looked for a bit as though he was across the line before he was stopped. There were two more plays before Harold Huwer succeeded in getting the pigskin across for a counter. For the third time the try for extra point failed.

Kenton's aerial attack failed to click last night although for a while it appeared that their gains would be made through passes. They did make a few nice gains by air but from then on they did not dare try passes because of danger of losing the ball in their own territory.

Coach Barber made only one substitution throughout the full 48-minutes of play, putting in Loffer for Vanderhorst for a few minutes.

The Roughriders played a good game, fighting hard to hold their opponents down. They had possession of the ball through most of the game, and made of their gains through line plunges.

Last night's victory is the second for the St. Marys boys. They will play Coldwater next Friday night at Coldwater. Last night the Coldwater boys beat Portland, Ind., 14 to 0 and the game should be a good one.

Coming from behind, Memorial
Roughriders defeated Coldwater 19 to
14 last night in an exciting contest
played at Coldwater. The opponents
scored twice in the first half, while
holding the Roughriders scoreless.

In the third period Slife crossed the
goal twice on off-tackle plays and
the third marker which won the game
for the Roughriders was chalked up
in the final period. It, too, was made
by Slife who caught a pass to make
a third and winning touchdown.

Fans were breathless that final
period when Coldwater came within
four yards of the goal line. The
threatened touchdown was averted
when the Coldwater team was penal-
ized.

Tangeman and Knapschafer scored
the touchdowns for Coldwater.

Last night's victory gave St. Marys
three in a row, but they will need to
use all their power next week when
they meet Celina Bulldogs on the
home field. Celina last night beat
Wapakoneta 13 to 6 and they have a
powerful team just as anxious to con-

Marys is eager to continue its victor-
ies.

CELINA OUTPLAYED

Fans Look Forward to League Championship—Memorial and Celina Bands Performed Between Halves With Spectacular Formations.

Outplaying the Celina Bulldogs in every phase of the game, Memorial Roughriders last night defeated the Bulldogs 13 to 0 in their second league victory for this year and for their fourth straight victory in as many starts. It was a great game, played at Memorial Field before one of the largest crowds ever to witness a football game at St. Marys.

The field was packed with spectators from Celina and St. Marys, and cheers resounded as the fans gave encouragement to the players.

St. Marys made its touchdowns in the second and fourth periods, and the extra point followed the second period touchdown.

One other time St. Marys was making steady advance down the field, but a fumble was costly. The ball was lost to Celina on their 30-yard line and the scoring attempt stopped.

Celina threatened in the second period when they got the ball on our 32 yard line and advanced it to within one yard of the goal line. They were held for downs by St. Marys, and the half ended just as St. Marys gained control of the ball. That was Celina's only serious threat.

The game opened with Celina kicking off, and with St. Marys defending the south goal. Slife returned the ball to the 30 yard line, Huwer went through the line for a few yards and Slife made first down, carrying the ball to our 42 yard line. Hank Steinecker picked up seven yards, and on the next play made first down to Celina's 46 yard line. Slife made six yards around right end and Steinecker made another first down with a line plunge to the 35 yard line. Slife picked up five yards and C. Huwer carried the ball to the 25 yard line for the fourth consecutive first down. Steinecker fumbled but recovered, losing three yards on the play. Steinecker made one yard, a pass from Huwer to Anderson was incomplete, a pass from Slife to C. Huwer netted five yards. St. Marys lost the ball on downs.

St. Marys was penalized five yards for being offside and it was Celina's ball on the 27 yard line. Stafford and Kittle made two first downs, advancing the ball to St. Marys' 45 yard line. Stafford added a yard and on the next play was tackled by Steinecker for no gain. A pass from Stafford to Grimm was incomplete and on the next play Stafford kicked to the 28 yard line.

Steinecker made 25 yards for a first down, going to Celina's 46 yard line. Slife made two yards, C. Huwer made first down around end to the 36 yard line, next play no gain, and Slife made eight yards to the 28 yard line as the quarter ended.

2nd Quarter

It was third down for St. Marys. C. Huwer made no gain, Steinecker made a first down, followed with another first down made by Slife who advanced the ball to the 15 yard line. Hank Steinecker made four yards through the line, and Slife carried the ball across on the next play for the first touchdown. C. Huwer made the extra point.

C. Huwer kicked to the 20 yard line and Celina returned to the 30. Stafford picked up 5, Boley made a first down, bringing the ball to the 40 yard line. Stafford made 5, Feth advanced the ball to St. Marys' 49 yard line for another first down. Stafford was brought down on the 48, Feth carried the ball to the 45 yard line. A pass from Stafford to Ross failed and on the fourth down Stafford punted.

Celina

It was St. Marys' ball on their own 11 yard line. Slife made 5, C. Huwer lost a yard and C. Huwer punted to his own 32 yard line. It was Celina's ball and Kittle picked up 8 yards, Stafford added seven for a first down. Feth was held, a pass from Stafford to Boley brought the ball to the 10 yard marker. Stafford went to the

6, Feth to the 4 yard line. Kittle added a yard and Feth was held on the fourth down.

The half ended with St. Marys successfully defeating Celina's attempt to score.

Third Quarter

St. Marys kicked-off to the 10 yard line, Stafford returned the ball to the 32 yard mark. Kittle made a yard, Stafford added two. Stafford's pass was intercepted by C. Huwer on Celina's 45 yard line, who got away for three yards. Steinecker picked up 5. On the next play the ball was fumbled and Celina recovered on their own 30 yard line. Celina made seven yards on two plays, and Ross made first down. Celina lost six yards to the 37 yard line. Boley made 14 yards. Three succeeding plays failed to make gain and Celina punted.

Slife caught the ball but slipped with it. Steinecker made eight yds., going to his own 33 yard line. C. Huwer made no gain, on the next play slipped and lost two yards. Huwer punted. Stafford was brought down by Schnarre on the 35 yard line. Celina made a first down on three plays and on the next two plays went to St. Marys' 42 yard line where the quarter ended.

Fourth Quarter

Stafford made a first down, going to the 32 yard line. Feth was stopped on the 31, Stafford went to the 29 yard line, and on the next two plays Celina came within inches of making a first down but lost to St. Marys on the 27 yard line.

Steinecker made seven yards, lateralled to Huwer who added six and brought the ball to the 40 yard line on a smooth play; Slife made two yards; Steinecker made first down, going 20 yards to Celina's 38 yard line. Slife went to the 25 yard line for another first down, Huwer picked up five, Steinecker made first down, going to the 15 yard line from where Steinecker ran around end to chalk up the second touchdown. The try for extra point failed.

C. Huwer kicked and Boley returned the ball to Celina's 42 yard line where he was brought down by Steinecker. C. Huwer intercepted a pass and ran 15 yards to Celina's 32 yard line. Slife picked up a first down, advancing to the 15 yard line. Steinecker made two yards, but on the next play with a touchdown in sight, St. Marys fumbled and Celina recovered on the 15 yard line. Celina attempted to make gains by passes but the game came to an end with the ball still in Celina's territory.

Although the ball-carrying for St. Marys was done largely by a few of the players, the other players were in there working hard all the time, taking out Celina's opposition through clever tackling to open holes for the pigskin carrier.

Starting lineups were:

Pos.	St. Marys	Celina
LE	Anderson	Bilger
LT	Miller	Stubbs
LG	Harmon	Petrie
C	J. Schnarre	Vantilburg
RG	E. Schnarre	Smith
RT	Vanderhorst	Ross
RE	Burger	Grimm
QB	H. Huwer	Kittle
LH	Slife	Stafford
RH	C. Huwer	Boley
FB	Steinecker	Feth

Loffer was substituted for Vanderhorst, and Mendenhall went in for Stafford for Celina.

Between halves the St. Marys and Celina high school bands came on the field for 15 minutes of music and marching with clever formations. The St. Marys band under the direction of Richard Schilling formed a large C for the visiting team, and then made the M for Memorial while they played the two school songs.

A travelogue with the band forming a bicycle built for two, a train and then an airplane was the feature formation of the St. Marys band. They made the intricate designs skillfully, marching into position to form the figures. Accompanying musical numbers for the formations were appropriately chosen for the travelogue demonstrating three modes of travel within recent years.

The band was heartily applauded.

Coach L. K. Barber was carried off the field by his victorious boys.

After the game there was a snake dance up town, led by the band and with practically the whole high school student body participating.

Just before the half a section of the bleachers on the west side of the field went down but fortunately no one received injuries other than minor scratches.

MEMORIAL HIGH ROUGHRIDERS BEAT BLUFFTON PIRATES 25-13

Score Fifth Straight Win
For Season

3RD LEAGUE VICTORY

Band Played Between Halves Honoring Dads, Special Guests for the Evening, and Executed Clever Formations.

Memorial high school's hard-hitting Roughriders defeated the Bluffton Pirates 25 to 13 last night in a game played before an enthusiastic crowd of fans at Memorial Field. St. Marys scored twice in the first quarter, once in the third and once in the fourth periods. Bluffton made their touchdowns in the second and fourth quarters and their extra point in the second, the score being 12 to 7 at the half. St. Marys fans breathed a sigh of relief when Barber's eleven crossed Bluffton's goal for the third time to give them a little more edge on the visitors.

The Roughriders found their opponents powerful and speedy but they were able to retain possession of the ball most of the game, and to repulse Bluffton's threats for the most part.

Coach Barber sent the full second team in for the last minute of play, and the boys showed some promising material for future contests, since many of the squad are underclassmen who have a year or two more to play.

It was Dad's night and the dads were down front in places of honor.

The game opened with C. Huwer kicking off to Bluffton's 10 yard line. Bluffton returned the ball to the 23 yard line where Steinecker tackled. On the next two plays Bluffton was thrown down. Bluffton kicked to St. Marys 40 yard line where Slife got the ball and carried it four yards before he was brought down.

Steinecker made 7 yards through the line, then made a first down going to Bluffton's 39 yard line. H. Huwer lost 4 yards, Slife advanced the ball to the 36, Hank Steinecker to 30, and on the fourth down Steinecker got two yards for another first. Steinecker made eight through the line, and Slife added 10 on an end run with St. Marys first down on the 13 yard line. Steinecker made two, and on the next play St. Marys was penalized 15 yards for holding and

the ball was brought back to the 27 yard line. An attempted pass was intercepted by Zimmerly on the 15 yard line and he carried the ball to the 20.

Bluffton's ball. Zimmerly was stopped by Huwer after a 6 yard gain. Steinecker made the next tackle, and Bluffton lost 6. A pass from Swank to Zimmerly netted three yards, C. Huwer making the tackle. Swank kicked to Bluffton's 39 yard line.

St. Marys ball. Huwer went to the 36, Zimmerly injured on the play. Moser substituted for Zimmerly. Reverse play, Slife to C. Huwer who went 20 yards to the 13 yard line for a first down. Steinecker made 5 to the one foot line, and on the next play carried the ball across. Score 6 to 0. The try for extra point failed.

Huwer kicked, Swank returned the ball to the 32 yard line, where he was tackled by Harmon. Moser went to the 37. A pass, Swank to Uewlan was knocked down by John Schnarre. Bluffton fumbled, and Burger got the ball on Bluffton's 16 yard line.

St. Marys ball. C. Huwer made a yard, Steinecker went through the line for first down taking the ball to the 5 yard line. C. Huwer went over for the touchdown. Score: 12 to 0. Try for extra point failed.

Huwer, and St. Marys was penalized five yards for having too many men on the field. Herr made a first down, Bluffton added another first going to St. Marys 41 yard line. Huwer back in for Loffer. Zimmerly lost nine yards. A pass, Swank to Niswander, made 20 yards and Niswander ran 10 more. On the next play Basinger carried the ball across. Score 12 to 6. Herr made the extra point. Score 12 to 7.

Bluffton kicked, Slife got the ball and brought it to the 30 yard line, Newlan making the tackle. Thwaits went in for Slife, injured on the play. Steinecker advanced the ball to the 38 and then to the 40 yard line for a first down. Thwaits carried the ball 10 yards but St. Marys was penalized on the play for holding and it was St. Marys first and 25. Huwer picked

up 5. Slife in for Thwaits. St. Marys penalized 5 yards. On a faked play, C. Huwer made 15 yards and on the next play Burger kicked. Vanderhorst tackled Bluffton, five yards being lost on play. Basinger made four. Newlan passed to Swank, who caught the ball and then fumbled with Slife getting it. He ran nine yards to the 26 yard line. A pass, Slife to Huwer failed. Slife lost one yard, Steinecker made first, going to the 16 yard line. Pass, Slife to Huwer, was intercepted by Zimmerly. The half ended. Score 12 to 7.

Third Quarter

Herr kicked. Anderson got the ball on the 20 and brought it to St. Marys' 48 yard line. Steinecker made 3 yards, Slife added six, and Steinecker plunged through for a first down, going to Bluffton's 42. Huwer made four through center, Slife ran around end for another first. Slife gave the ball to Huwer who ran 25 yards. Steinecker went through the line for three, Newlan making the tackle. It was at this point that a spectacular play was made, Basinger picking up the ball after the referee's

whistle had blown. He failed to hear the whistle and ran the full length of the field for what he and many of the fans thought at first was a touchdown. The ball was returned to Bluffton's two-yard line and H. Huwer went over for the touchdown. Score 18 to 7. Try for the extra point failed.

Huwer kicked. Swank brought the ball to the 29 yard line where he was brought down by Steinecker. Swank was held on the next play, then Bluffton fumbled and recovered, losing two yards. Band Played

Between halves Memorial high school's stellar band came out on the field under the direction of Richard Schilling. The band marched on to form the large welcome "Hi Dad" in honor of the Dads of the football squad, and they played "What's the Matter With Dad, He's All Right." Following their number the dads were introduced.

Afterward the band went in to two formations, B for Bluffton and M for Memorial with the varsity songs of each school being played.

The final number was the formation of a huge umbrella, closed, as they played "Singing In The Rain." At the suggestion of the director the band opened the umbrella, the players executing the figure quickly while they played. It was cleverly done and won a hand from the audience.

Before the game the band came out

on the field for the playing of the National Anthem.

THIS YEAR'S FOOTBALL TEAM FIRST SINCE 1928 TO WIN OPENING FIVE GAMES OF SEASON; OUT FOR 6TH WIN

Only one other team in the history of St. Marys high school football has won the first five games of the season, which is also the record of the present team. The other team was in operation back in 1928. They not only won the first five games, but also the first eight, finally losing their ninth and final game to Wapakoneta. The current team will be after a sixth consecutive victory tonight at Bellefontaine and will continue in their efforts not only to tie the old record in 1928, but also to break that record.

The game tonight has special interest for those fans who like to predict, for this game is the last one before the Van Wert game. Unless St. Marys can dispose of Bellefontaine with comparative ease they will not be accorded much chance to extend their winning record against a strong Van Wert team. Van Wert has already scored an easy victory over Bellefontaine, winning 18-0 and in the process giving their third stringers an opportunity to play.

In the past four years St. Marys has not had a chance in the games with Bellefontaine as Brown, star colored back for Bellefontaine, romped at will against St. Marys in spite of every effort made to stop him. But

Brown is gone now, and so far Bellefontaine has not been able to rebuild. It is reported that the Bellefontaine team is big and fast and if they should start to click, they will make it difficult for any opposition. Should they defeat St. Marys, it would be one of the biggest upsets of the season.

St. Marys is in fairly good shape for the game and the probable starting lineup is the same which has started all of the games so far, except Baxter will likely start for Steinecker who has an injured knee. These include Burger, Harmon, J. Schnarre, R. Schnarre, Miller, Anderson and Vanderhorst on the line and H. Huwer, C. Huwer, Slifer and Baxter in the backfield. Only En... J. Schnarre, Vanderhorst and Miller will be meeting Bellefontaine for the first time.

MEMORIAL HIGH ROUGHRIDERS WIN 6TH STRAIGHT AT BELLEFONTAINE

BEAT CHIEFTAINS 18 TO 0 IN
FOURTH LEAGUE VICTORY OF
SEASON—GAME WAS NOT AS
WELL PLAYED AS PREVIOUS
ENCOUNTERS.

The Blue and Gold won their sixth straight game last night at Bellefontaine by a score of 18 to 0, but Bellefontaine climaxed a moral victory for themselves as they held the highly touted St. Marys to such a low score.

Memorial seemed just a little over confident against their smaller foes, but they managed to get a touchdown in the first four minutes of play by some very fancy running by Slife around left end. From then on they were held scoreless until the third quarter when they again scored in five minutes after the second half started which made the score 12 to 0. They made their final score in the 4th, when R. Schnarre broke through to hit a potential passer before he could get rid of the ball and Harmon dropped on the ball for the third marker, making the score 18 to 0. All tries for extra point were just a little wide.

St. Marys played a hard game and you must give credit to that line—they were in there all the time mak-

on their own 1 yard line. C. Huwer kicked out of bounds on his 26. Bellefontaine failed to gain and St. Marys took over on their own 15. Slife on two plays, one around left end and yards and Burger punted to Bellefontaine then around right end, took the ball to Bellefontaine's 45. St. Marys on three plays lost two yards and Burger punted to Bellefontaine's 18. On three plays Bellefontaine made 1st down then lost four yards, fumbled and St. Marys recovered on Bellefontaine's 45 yard line as the half ended. Score 6 to 0.

Half

Bellefontaine's kick was returned to 39 yard line. On two plays St. Marys made 1st down and Slife then took ball to Bellefontaine's 30 yard line. Steinecker with a quick opening play went over the goal line but the play was called back for both teams were off side. (Nevertheless it was a beautiful play through left tackle—there was a hole big enough to drive a team of horses through) Slife and Seinecker made first down. Steinecker made three, Slife added 5 to Bellefontaine's 3. The next play they made two yards, then Steinecker went through center for a touchdown without a hand laid on him for there that line was again—a hole bigger than a barn. Huwer's kick was wide. Score 12-0.

St. Marys kick went to B's 8 and was returned to their own 25. On the first play the Roughriders were penalized 15 yards for roughing it. Then Bellefontaine tried a pass which was intercepted by H. Huwer who was downed on the 45 as quarter ended 12-0.

Fourth Quarter

Slife made 15 through left tackle. St. Marys then made two more first downs, but they failed to make the third and Bellefontaine took over at the 12. Bellefontaine's attempted pass was spoiled as R. Schnarre broke through and hit the passer so hard he dropped the ball, and Harmon recovered it back of the goal line for the final marker. C. Huwer's kick was wide. Score 18 to 0.

C. Huwer kicked to Bellefontaine's 20. Bellefontaine lost two on two plays, then passed for 8. Bellefontaine punted to St. Marys 30. H. Huwer and Slife made a first down. Then with two minutes to play the second team went in. They ran three plays and then punted to Bellefontaine's 40. Bellefontaine failed to gain before the gun ended the game. Score 18 to 0.

MEMORIAL UPSETS THE DOPE BUCKET BY DEFEATING VAN WERT 21-19

In one of the most outstanding games of the year, the Roughriders again came through in the last half to defeat the strongest team yet played. The people who accompanied the Roughriders to Van Wert witnessed the best game played by the Blue and Gold.

At the end of the first half of the game, it almost looked hopeless for the Memorial lads who were trailing 19-7.

St. Marys returned the opening kickoff of the game to their own thirty-six yard line. St. Marys, unable to penetrate Van Wert's defense, was forced to kick to the Cougars 34. The Cougars on four plays went for their first touchdown. Lininger's kick being blocked, the score was 6-0. Van Wert kicked to St. Marys and Slife received and returned it to the 27. Here St. Marys, for the first time this year, unleashed a powerful passing attack which brought them to the Cougars 15. Trying 3 line plays which failed, Slife threw a pass to C. Huwer who tallied the first touchdown for St. Marys. C. Huwer's conversion being good, the score was 7-6.

Van Wert received the ball and began another march to score in 3 plays. The placement being wide, the score was 12-7.

St. Marys, unable to stop the Cougars, were playing a defensive game most of the first half. The ball changed hands several times, St. Marys was once again forced to punt and Van Wert started on another touchdown drive. The conversion was good and the score at the half was 19-7.

The Roughriders, with renewed spirits, came back to upset the Cougars in the second half.

St. Marys, receiving the ball, started on a 75-yard touchdown drive which was climaxed by an outstanding pass from Slife to Vanderhorst. This was one of the outstanding plays of the evening. A beautiful kick by C. Huwer made the score 19-14.

Van Wert received the ball but was stopped. Showalter, then trying a pass was rushed with great force. He fumbled and St. Marys recovered. Here St. Marys drove to the Cougars 10 where they were stopped. The Cougars, unable to gain yardage, were forced to punt. St. Marys received the ball on the Cougars 41 and here the Memorial lads began their final touchdown drive. Marching to the two yard line, the Roughriders were stopped for 3 downs but Steinecker finally drove over to score on the fourth play. C. Huwer, in rare form, again made the conversion to put the Blue and Gold ahead 21-19.

The last few minutes of the game were very exciting, and saw both teams in there fighting hard.

Van Wert received the ball and started for a touchdown, but due to a fumble, which St. Marys recovered, put the Roughriders in possession of the ball. They remained in possession until the game ended with the Roughriders leading the Cougars 21-19.

Much credit can be given C. Huwer who, for the first time this year, made all of his conversions. The line also can be given the greater amount of credit for the beautiful and hard blocking which took place during the game.

for the beautiful and hard blocking which took place during the game.

This was the first time in 10 years for the Roughriders to defeat the Cougars.

Winning the game, St. Marys remained in possession of the traveling trophy, and also put themselves in first place in the Western Buckeye League.

YEA COACH!

At last they doo it! Memorial's hard riding Rough Riders came through with their first league championship. They have been co-champs before, but never sole owner of the cherished title. Much of the credit and limelight should go to our new coach, Lyle Barber, under whose guidance the Memorialites rode to victory. The latter part of August he came here and took over the squad whipping them into a hard hitting, never say die team. The rssluts of this have shown up in the winning of the league championship. So, to Mr. Barber, the school says, "Nice going Coach, hope you can do the same next year."

DOWNED STRONG CONTENDERS FOR LEAGUE TITLE BY 21-19 SCORE

Roughriders Overcame
Strong Lead by Cougars

GAME WELL PLAYED

Hard-Hitting, Hard-Playing, Fighting Roughriders Put up Strongest Game of Season to Retain League Lead—Play Wapakoneta Next.

Coming from behind in the second half Memorial Roughriders last night defeated the Van Wert Cougars 21 to 19 in one of those games that will go down in school sports annals as a classic. The score was 19 to 7 at the half in the Cougar's favor and fans were fearful that St. Marys' hopes of winning the league championship had gone glimmering. But it was a hard-playing, hard-hitting, never-say-die team that came back on the field after the half and those Roughriders outplayed the Cougars in every phase of football that second period.

The Roughriders refused to admit defeat, and they proved that they were in there to get the championship when they fought every minute of the way to score two more touchdowns and their seventh straight victory. It was the fifth league victory, Wapakoneta being the only league team left to play.

A pass from H. Huwer to C. Huwer was good for the first touchdown, Vanderhorst caught a pass for the second touchdown, and Steinecker plunged through the line for the third touchdown. The extra point was made each time on a kick by C. Huwer.

Showalter was responsible for all three of the Cougars' touchdowns.

The Roughriders were all in there fighting and they worked as a smooth unit, everybody fighting for the team.

DEFEAT REDSKINS FROM WAPAKONETA 13 TO 6; SCORE 8TH STRAIGHT WIN

Prepare Now for Lima
South Contest

TO SEEK 9TH VICTORY

Tribute to U. S. Navy and Armistice
Day Impressively Given by Memorial High School Band at Half in Solemn Service.

Defeating the Wapakoneta Redskins 13 to 6 last night in a hard-played game on Memorial's field, the Roughriders won the Western Buckeye League championship and scored their eighth straight victory for the season. The victory gave them the undisputed title to the league championship over Van Wert, Celina, Wapakoneta, Bellefontaine, Kenton and Bluffton.

Playing on a wet, slippery field the two teams battled their way to a finish, each determined to win. Slipping and sloughing their way through the mud, the Roughriders turned back all but one scoring threat of the Redskins. In the fourth quarter with two minutes left to play the Redskins advanced down the field, then made a long pass which netted them their one and only touchdown of the game.

The Roughriders' two touchdowns came in the first and fourth quarters. The first one, putting the game on ice for the Roughriders until the last quarter, was made within a few minutes after play was started, following a beautiful 58 yard run by Huwer. The second marker in the last quarter came following a steady advance down the field with the whole eleven in there scrapping, the ball being carried in short drives from their own 20 yard line to Wapakoneta's goal line.

Coach Barber's Roughriders have one team left to play on this year's schedule—the Lima South eleven.

That game will be played next Friday night, and fans are plugging for the Roughriders. They will keep their fingers crossed until after Friday's game, pulling for St. Marys to come through the season without a single defeat.

St. Marys fighting eleven, earning their name of Roughriders this year as never before, will be in there next week to perfect their plays and to develop an even stronger defensive as well as offensive.

Last night game was played in the worst weather experienced this year, but the crowd stayed with the Roughriders.

The champions earned the cheers and plaudits of the spectators as they fought grimly on. The field was tricky and the ball was slippery, but there were comparatively few fumbles. Speed of both teams was slowed down by the slippery field.

Bands

Between halves last night Memorial high school band gave its most impressive program of the year. They came on the field with a salute to Blume High School, forming a large B. H. as they played Wapakoneta's school song. Then they formed the big M for Memorial's song.

The salute to the Navy followed with the band outlining a large destroyer as they played Anchors Aweigh.

The concluding formation was the high light of their program, the band making a huge crusader's shield with lighted flares forming a cross on its center. All lights were off for this part of the performance, only the glowing red cross reminding the people of Armistice Day on the morrow and the red blood of our men spilled in battle. Still in formation, the band played "Onward Christian Soldiers, On to Victory" with the audience respectfully quiet and carried away with the spirit of the observance.

Director Richard Schilling read the tribute to the fallen soldiers on this Armistice Day and called on the public to pledge allegiance to their cause, to support the November War Loan drive, and to continue with their contributions to all war services.

Wapakoneta's band came on the field first between halves. They formed a large W for Wapakoneta, then M for Memorial as they played the songs of the two schools.

With the lights off they formed a huge square with their drum major in the center twirling a lighted baton the only light on the field. They left the field in a large V for victory.

Because of the limited time between halves, Memorial band began its program before the game. They came on the field as a big pennant with an M in the corner for Memorial. The National Anthem was played just before the game opened.

The play by play account of the game is given here in brief:

DEFEAT OF REDSKINS GIVES THEM FIRST SOLE OWNERSHIP OF THE CHERISHED TITLE

St. Marys, 13—Wapak, 6

St. Marys plowed their way through for another victory to make a score of 13-6 over Wapak. This marks the eighth straight victory for the Roughriders and makes them sole owners of the Western Buckeye League Championship cup, the first time in the history of the school.

St. Marys won the toss and decided to receive defending the south goal. C. Huwer received the kick and returned it to his own 25 yard line. St. Marys on power plays rolled up several first downs before they were stopped by the Redskins. The Redskins moved up the field before they were stopped by the hard hitting "Seven Roughs." St. Marys regained control of the ball and marched down field with a 60 yard sprint by C. Huwer, who was tackled on the two yard line. On the next play C. Huwer drove through center, standing up, to tally the first touchdown for St. Marys.

The try for the point after touchdown was made good by Hank Steinecker, driving through center to make the score 7-0 in favor of the Blue and Gold at the end of the first quarter.

Wapak returned the pigskin to their own 30 yard line but unable to gain yardage on 3 running plays were forced to punt where St. Marys took over the ball. The Roughriders raked up 2 first downs, but an interception by a Redskin placed the ball in control of Wapak. Blume High made a desperate attempt to score but failed when H. Huwer knocked down a touchdown pass in the end zone. St. Marys gaining control of

the ball held it after 2 running plays were stopped by the gun ending the first half with the Roughriders leading by a small margin of 7-0.

Both teams came back in the third quarter with great determination to win this important game. St. Marys controlled the ball most of the 3rd period but were unable to advance into pay dirt territory. No scoring took place until half of the fourth quarter had elapsed.

Here St. Marys started on a 70 yard touchdown drive with the "Seven Roughs" blocking hard for the "Four Riders" advanced the ball to the three yard line. H. Huwer on a quick opening play drove over to score the 2nd touchdown. C. Huwer's conversion sailed wide one yard shy of the crossbars and this made the score 13-0.

At this phase of the game the 4 seniors of the Roughriders were replaced by the probable team of next year's squad to be. After a few plays the seniors came back in to remain in until the end of the game.

The fellows from Blume, still in high spirits, came back with an aerial attack which accounted for their only touchdown. This touchdown pass was completed with only 1 minute 45 seconds remaining to play. The Redskins, faking a kick, tried a pass but was knocked down. The score now stood 13-6.

St. Marys received the ball and remained in possession of the pigskin until the final gun ended the game and gave the Roughriders undisputed possession of the Western Buckeye League Championship trophy.

WINNING STREAK IS BROKEN FINAL GAME OF SEASON; TEAM OVERPOWERED

Champions Bow to Visitors
of Larger School

GO DOWN FIGHTING

Lima South and Memorial High Bands go on Field Between Halves for Interesting Formations and Musical Numbers.

Outplayed and out powered, Memorial's Western Buckeye League champions went down to defeat 20 to 0 last night against Lima South's Tigers in a game played on Memorial field. But they went down fighting. That scrappy eleven was in there all the way, fighting the Tigers. The Roughriders had come through the season undefeated until last night's contest and they were out to make nine straight victories. Lima's powerhouse was too much for them and they went down in the last half, Lima having been held scoreless in the first half.

It was only by excellent blocking, charging and interference that the team was held to a scoreless tie at the half. The Roughriders through grim determination repelled South's attack in the first two quarters. They were not so fortunate in the last half and thereby being the tale. With last night's game against a mightier foe the Roughriders lost their chance to finish a season with no defeats. The champions bowed to the big school from Allen county's capital.

Everyone of St. Marys players gave a good accounting for themselves and although they lost the battle they proved they were a scrappy team—fighting to win. That South had scouts who had singled out St. Marys' strength and weaknesses was evident. They were on the alert for Steinecker and for Slife, the ball carriers in many plays of the season.

Coach L. K. Barber's team though was vallant to the end, and foresaw a good contest.

Between halves they witnessed an interesting performance by Lima South's 75 piece marching band and St. Marys own Memorial high band. Lima South came out on the field in the German Swastika. It was only a part of the band. The other part came out as the United Nations and it was only a short time until the Swastika was swallowed up and Hitler, der Fuehrer, was handed a rope to end his life. Then they played the school song of Memorial and South.

Memorial's band entered to play the school song with the big L and the smaller S, then they played "Hail to the Vastity", for Memorial while in a pendant with the M. From there Director Richard Schilling had them play "I'm forever Blowing Bubbles" in pipe formation; "Down By the Old Mill Stream" in windmill formation and finally "White Christmas" in the big pine tree reminding the audience it is only 29 shopping days until Christmas. The formations were well given.

A summary of the game follows:

For the second year in succession, Memorial's stalwarts of the gridiron turned in an exceptionally fine season. In addition to capturing the coveted Western Buckeye League title for the second time in as many years, they accomplished what no other team in the history of this League has been able to achieve, that of holding all of their League opponents scoreless. This is indeed an envious record.

Let us hope that next year's team will be able to bring another Western Buckeye League Championship to our school.

ANDERSON—Tom, playing an end position, was a great pass receiver. He, along with Huwer, was named to an Honorable Mention position on the All-Ohio High School team.

BAXTER—Don was a capable replacement at any backfield position. He is a junior.

BECKETT—Jim's passing coupled with his never-say-die spirit made him a capable quarterback.

BERLET—Ned was a senior who was converted from tackle to guard and ably played his position.

BURGER—Tom was a crack defensive end. He was also the punter of this year's team. He'll be back next year.

ELLIOTT—Bill in his first year on the Varsity became a strong defensive and equally good offensive tackle. Watch him.

HARNER—"Tillie" in his first year of football developed into an especially good back. Too bad he's a senior.

HUNTER—"Commando" was an excellent blocker and a tough man to move on defense.

HUWER—Charlie was undoubtedly the best back in this section of the state. He was the highest scorer on the team and a bear on defense.

KUENNING—Kenny was a steady reserve end who was also an adept pass receiver.

McBROOM—Bob, although light, was a good runner and an excellent blocker.

McKEE—Al was a senior who was especially good at blocking. He showed to good advantage when in the lineup as a replacement at end.

MILLER—"Big Eddie" was a steady tackle who always did more than his share. Next year should be his best.

MILLER—"Tucker" was a capable reserve ball carrier and blocker. He is a senior.

MILLISOR—Bob. This was Bob's first year of football. He turned out to be a competent tackle.

SCHNARRE—Chuck proved to be a rock on defense. He is a sophomore and will bear watching the next couple of years.

SCHNARRE—Johnny was an immovable center who also played the safety position. This was his last year.

VANDERHORST—Vandy was a hard driving fullback who improved greatly as the season progressed.

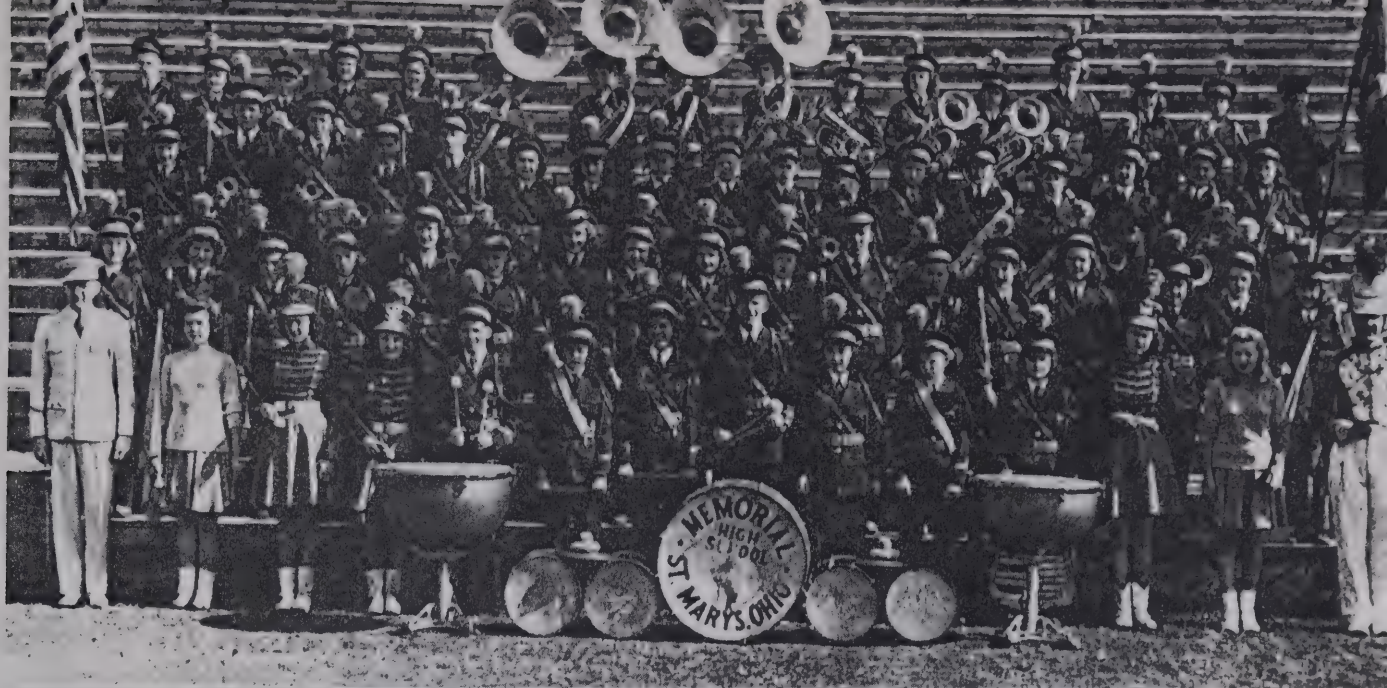

WIDNER—George was a big sophomore guard replacement. He will be back for two more seasons.

WIDNER—Jim was an agile runner and an able passer. He was perhaps the best ball handler on the team.

YOUNG—Russ was a fast and nimble runner. This was his first and last year of Varsity competition.

The 70 members of the marching band pictured on the opposite page performed at all the football games, both at home and away. Forty-seven formations were presented during the season. Many fine comments were received on the work of the snappy music-makers, particularly their half-time shows on World War II and the Gay Nineties. Drum Major Lloyd Miller received quite a hand for his high step-

ping and strutting ability at each of the games as he brought the band down the field. Other marching personnel include Majorettes Arbula King, Patricia Dieringer, Patty Stein, and Evelyn Glick; flag twirlers Joan Baker and Rita Axe; color guards Tom Durnell and David Durnell.

Richard Schilling is director of both the marching band and concert band.

Cheer Leaders

Yea team, fight! It is difficult to estimate the importance of good cheering to a football or basketball team. It is certainly a great help to the players to hear their followers cheering for them to come through with a touchdown, a basket or victory.

Memorial was fortunate this year in having loyal and capable cheerleaders. The three pictured above were joined by two others, Charmaine Russell and Carol Moothart, during the basketball season. Each one did a good job. The students, too, are to be commended for their fine co-operation. Visiting teams did not have to be told that we had a loyal student body. Our cheering demonstrated that.

Football Season

ST. MARYS 12—SIDNEY 12

Memorial gained an early lead, lost it, then came roaring back to tie it up. After that it was anybody's ball game. Inability to score the point after touchdown proved costly. The game ended with both teams scoring two touchdowns and no extra points.

ST. MARYS 26—KENTON 0

St. Marys played its first League game and trimmed Kenton 26-0. The Wildcats couldn't gain any headway through the Roughrider's strong defense.

ST. MARYS 31—COLDWATER 0

The Roughriders won their second straight game when they overpowered the Cavaliers from Coldwater. The game was played in a sea of mud and water, keeping both teams below par.

ST. MARYS 25—CELINA 0

Celina's Bulldogs couldn't match Memorial's boys as they romped to their second League victory. It was a case of "home town boy makes good" as Coach Barber, a Celina graduate, returned to show his home town friends how football should be played.

ST. MARYS 25—BLUFFTON 0

St. Marys traveled to the Pirates' stomping grounds and won its third League game. Bluffton was powerless to hold the Roughrider's advance to a second Western Buckeye League Title.

ST. MARYS 67—BELLEFONTAINE 0

The Rambling Roughriders ran their string of victories to five when they overwhelmed the Chieftons 67-0. The reserves as well as the regulars, did everything right, while nothing seemed to click for the hapless Chieftons.

ST. MARYS 33—VAN WERT 0

The undefeated Cougars came to town in an attempt to stop the also undefeated Roughriders. Memorial jumped into an early lead which it never relinquished. This was undoubtedly the best game played by the St. Marys boys throughout the year and gave them a rating as one of the better teams of the state.

ST. MARYS 19—WAPAKONETA 0

St. Marys clinched the Western Buckeye League title by subduing the Wapakoneta Redskins to the tune of 19-0. This was Memorial's seventh straight victory. It was a costly one, however, since Huwer received an injury which side-lined him for the rest of the season.

ST. MARYS 0—LIMA SOUTH 13

The Roughriders met their Waterloo at the hands of Lima South's Tigers. The Barber men, handicapped by the loss of their leading scorer, lacked the spark they had shown in their previous games.

Roughriders Tie Sidney Yellow Jackets In Opener

Memorial Roughriders and the Sidney Yellow Jackets met last night at Memorial Field in a hard fought contest that ended with a tie 12, neither team having been fortunate enough to score the extra point after touchdown that would have meant the difference between victory and a draw.

It was the opening game for both teams and both were striving to get off to a victorious start.

Coach Barber's Roughriders showed up good in last night's game and fans were pleased with their appearance in the opener. Last year they won the Buckeye League Championship and Roughriders' boosters are plugging for them to duplicate the record.

Although Young and Huwer carried the ball most of the time last night the other players were in there making holes for them, taking out their opponents. There was some good blocking and tackling and the full team showed fight and determination all the way.

Sidney's Garrett was the spark for the visitors. It was his gains that made possible the touchdowns which Sidney chalked up.

St. Marys scored the first touchdown in the first quarter after recovering Sidney's fumble on Sidney's 15 yard line. Sidney scored in the second quarter, evening the score and it remained that way until the last period when Sidney crossed the goal line first, followed soon after by St. Marys touchdown.

St. Marys made seven first downs to Sidney's two in the first half. The second half saw Sidney making four first downs and St. Marys only two.

Between halves the St. Marys high school band marched on the field to present the calendar of home football games for this season. The band formed the letters for each opposing team and played their school song while the majorettes exhibited the score for last year's game.

It was a clever arrangement and well given by the band, eighteen of whom are from the seventh and eighth grades this year.

The program between halves closed with the playing of Memorial high school's football song, the St. Marys fans paying tribute to the football boys.

Director Richard Schilling conducted the band.

A play by play account of the game follows:

First Quarter

Sidney kicked off, Molitor holding and Beck kicking to St Marys 15 yard line. Huwer returned the ball to the 34 yard line. Huwer made six yards and Young around end went to the 45 for a first down. gain Sidney recovered the ball which St. Marys fumbled and the quarter ended with the ball in Sidney's possession on St. Marys own 26 yard line.

Huwer made five around end, Vanderhorst went through the line for a yard and Young went around end to the 36 yard line, making another first down. On the next play Huwer evened the score, carrying the ball across for St. Mary second touchdown. Score 12 to 12 The try for extra point failed. Huwer was taken out on this play, having been injured.

THE BLUE AND GOLD

"Give'm the Gold! Give'm the Blue! Come on team, we're for you!!"

Last year the Roughriders were exceedingly successful. The ticket sales went sky high. But even with all that, the team didn't have the support from the student body that they deserved. The cheerleaders attempted to lead the yells but there just wasn't enough volley behind those yells. NOISE! NOISE! That's what it takes. Tell the other towns about our heroes and let them know how we appreciate our team by our response in yells. Our team won't have the incentive to win if we aren't backing them.

This year we have had a fine beginning and our pep sessions each Friday are definitely inspiring. Let's practice raising the roof by putting force behind those cheers.

"Roughriders Rah; Roughriders Rah;" This is our team.

St. Marys Beat Kenton In First League Game

Memorial Roughriders defeated Kenton 28 to 0 last night in a football game at Memorial Field, played before a large crowd of enthusiastic cheering fans. Coach Barber's boys showed much improvement over the preceding week when they played Sidney 12 to 12.

Using substitutes freely, Coach Barber proved to the fans last night that he has practically two complete teams to draw from—the second stringers successfully holding their opponents for a big part of the third quarter and some of the fourth.

The whole team was in there doing their bit, ball carrying, blocking, tackling, passing; everybody had a share in the victory. Unexpected strength and speed were shown, the players developing steadily.

After a scoreless first quarter with St. Marys making five first downs to none for Kenton, the Roughriders opened the second quarter with a touchdown by Huwer in the opening minute of play. They ended the quarter with another touchdown, made after Widner intercepted a pass on his own 35 yard line and ran 52 yards to the 18 yard line. On the next play Widner passed to Anderson who carried the ball over for the second goal. Huwer got dividends from his practice this week, kicking the extra point after each touchdown.

The third quarter found Kenton opening an attack which netted one first down before St. Marys regained the ball and made four first downs, leading up to the third touchdown by Young after gains by McBroom, Young and Vanderhorst. The final period found St. Marys and Kenton sharing possession of the ball. St. Marys checked up four first downs and the Wildcats one. The St. Marys attack by Huwer and Young brought the fourth touchdown of the evening for the locals, and the game ended soon afterward.

They opened with Kenton's song, "Across the Field" as they formed the big K, then played "Hail to theVarsity" for Memorial, Kenton's song being the same as St. Marys.

From then on it was a program recalling the events of the war years, Jan. 7, 1941 to August 14, 1945 when Japan surrendered. St. Marys Beat Coldwater 31-0 In Downpour Of Rain

Playing in a sea of mud and water before a rain-drenched crowd of loyal fans, Memorial Roughriders "swam" to a 31 to 0 victory last night over the Coldwater Cavaliers.

Sloshing through mud with a near-blinding rain as an opponent to both teams, the Roughriders turned in one touchdown in each of the first three quarters and two in the final quarter. Not until the fourth quarter did the Cavaliers get a first down.

It was one of those games where there were no times out, penalties or passes in the first half. The last half saw St. Marys penalized several times, mostly for offsides.

Vanderhorst got away for a touchdown early in the first quarter. Huwer made the next three—one in each quarter and his try for extra point was good in the fourth quarter, making the score 25 to 0. Then "Tillie" Harner in that last quarter broke away from the field to run 75 yards for the fifth touchdown of the evening.

Memorial Roughriders showing

their stuff last week on a dry field—last night they demonstrated as "murders" playing a fast game despite the fact that the ground was slippery, the ball sticky to handle and their opponents "slick from mud and rain."

The Roughriders were in there to win and they won, rain pelting down or not. Lightning flashed, and thunder rolled but the fans stayed on. Some of the more foresighted came equipped with umbrellas, raincoats and galoshes. Those that weren't—well, they just suffered it out. Some of them doffed shoes and socks before the evening's end, choosing to wade barefoot, rather than to ruin rationed footwear.

What a night—it was one of those that folks normally spend popping corn at home instead of eating pop corn a la Girl Reserves at a football game.

There was some mighty good playing. St. Marys got off to a good start and they never yielded. They were in there fighting all the way—first string, second string

and finally the rest of the squad—they practically all got a chance to show their stuff last night and they did all right.

There's material for other years, and that means a lot to St. Maryians.

Hall's amplifying system made possible a running account of the game despite the lightning.

Unfortunately the rain made necessary the cancellation of the between halves program by Coldwater and Memorial bands and the before-kickoff program by Memorial band. The players were there but they could not afford to ruin expensive instruments by getting them soaked.

Memorial Roughriders Trounce Celina Bulldogs In League Game

Memorial Roughriders did it again — they scored their third victory of the season last night when they beat Celina 25 to 0 in a game played at Celina's field. The Bulldogs were helpless against the local boys, their offense being repulsed before they had a chance to advance to a scoring position.

The Roughriders came through with 17 first downs against seven by the Bulldogs.

Both the first and second teams went into action for the Roughriders, and they demonstrated considerable improvement since their last game.

Huwer, a leading ball carrier in the three preceding games, was in for only two plays last night. On the very first play he suffered a leg injury and on the next play he was taken out. His team-mates carried on, doing a mighty good job.

Touchdowns were made by Young and Anderson in the first quarter, Widner in the third quarter and McBroom in the fourth period. Miller made the extra point.

Roughriders Trounce Chieftains Of Bellefontaine 67 To 0

FIRST, SECOND, THIRD STRINGS PARTICIPATED IN MAJOR VICTORY

ROUGHRIDERS PREPARE NOW
FOR NEXT WEEK'S TEST
WITH VAN WERT COUGARS
—BAND PRESENTED GAY
NINETIES BETWEEN
HALVES.

Memorial Roughriders left their horses last night and zoomed, downing Bellefontaine Chieftains 67 to 0 in a Midwestern Buckeye League game played on Memorial's own field. The visitors were powerless to stem the power drives of Coach Barber's boys, all set for their fourth league victory and their fifth straight win of the season. Those Roughriders meant business and the Chieftains found themselves biting the dust as the Roughriders threw them not once but ten times in addition to scoring seven extra points.

It was the Roughrider's night, and they seemed to be remembering all those past years when the Chieftains lived up to their name and went home carrying the scalp.

The first, second and third string were sent in by Coach Barber all the boys getting experience which will prove valuable in games to come this year and next and the next year. It was Dad's night and the dads were proud of their boys, and have reason to be. They played a good game and a clean one. Plunges through the line, runs round end, passes—they all clicked and wound up with the Roughriders hitting pay dirt in every quarter

to the final time of 67 to 0. It was one of those nights that must be the dream of every coach - offensive plays clicked and defensive plays turned back the opponents offensive chance to test their strength still more when they came up against Van Wert, a foe that has been tested and found not wanting in all games to date. Just what the Cougars will do remains to be seen. They are unbeaten so far in the league, so are the Roughriders-Dopesters have it that the game will be one of those they must see and a tremendous crowd is looked for if weather conditions are at all favorable.

Last night the weather was ideal-cool, but not too cool-clear and crispy, but the barometer was falling for the Chieftains with all the Roughriders in there fighting and sitting in the saddle, riding on to victory.

Between halves the Bellefontaine and St. Marys high school bands staged the entertainment. Bellefontaine's band came out to form the M and then the revolving B. Then they played "Moonlight Serenade" while they danced down the field.

St. Marys band, invisible until between halves, came out in Gay Nineties style, reminding the lads of what used to be. Under the direction of Richard Schilling they played old favorites with the audience humming and singing with them. There was the plug hat and the cane the bicycle with the big and little wheel, the extra shoe for the

horse as he drew the surrey, the heart pierced by Cupid's dart. They played the "Band Plays On, Bicycle Built For Two, Let Me Call You Sweetheart, Tavern In the Town, Hand Me Down My Walking Cane and staged a bit of comedy with the villain and the policeman.

They were out to entertain with costumes and music, and they did it-hair parted through the middle, long dresses, plug hats and all-remember the 90's. Director Schilling read the scripts.

Starting lineups for the game, the reserve and the play by play account follow:

Memorial High and Van Wert Bands Stage Entertainment During Half—Roughriders Unscored on in Any League Game to Date.

Oh, what a game! Talk about your Big Ten games. They don't have anything on that 33 to 0 victory which Memorial Roughriders scored last night when they clashed with the Van Wert Cougars on Memorial Field. That victory put Coach Barber's boys within one-game distance of the championship of Midwestern Buckeye League, and a crowd estimated at 5,000 fans probably were almost unanimous in conceding them victory next week over Wapakoneta Redskins, the only league team they have not met and taken into camp this season. Although the fans are conceding them the victory, Coach Barber's boys know that a team defeated counts for the championship and that a team still to be met is a foe still to be defeated, and estimates don't count. So there will be no let down this week in practice for that final and deciding league game.

The Roughriders last night went zooming down the field again to take their opponents. They plunged through the line, made runs around ends, back passed and forward passed, intercepted passes, all to make gains. They were in there fighting from start to finish. The ball carriers had excellent support, their team-mates were in there taking out any interference with those gains. And when Van Wert had the ball, St. Marys Roughriders were in there ready to tackle their ball-carriers and the men running interference,

ready to intercept passes, and to hit pay dirt with those interceptions. They worked as a machine, the whole team in there all the time. When substitutions were made, the team still went on as a unit.

The Roughriders won, and what a victory! It was repeat performance glorified. Last year they beat the Cougars 21 to 19 to take the league championship—this year they beat them 33 to 0, turning back Van Wert's threats and holding the line when it appeared a certain goal was in view for the visitors.

It was the Roughriders night.

Widner made one; Huwer around left end added four, Anderson lost a little; and on the fourth down an attempted pass, again with goal in sight, was incomplete and the ball passed to Van Wert on their own five yard line.

Showing renewed strength after the half, Van Wert put on a punt here that had St. Marys tense. Showalter went to the 16 for a first. Showalter added six, Baltzell was held, Widner making the tackle. A pass was incomplete. Then Showalter, faking a pass, instead carried the ball. St. Marys was offside, Van Wert refused the penalty and it was their first down. Showalter made a yard. Widner on St. Marys five yard line and he made a spectacular 55 yard run, weaving through the field behind perfect interference. Fans went wild and the St. Marys band sounded off as Widner plunged over the line falling on the ball. The score 32 to 0. Huwer's kick was good and it was 33 to 0.

Huwer kicked to the 20, R. Lininger returned to the 36. Van Wert passed with Schnarre and Huwer both running in to intercept. The pass was incomplete. Showalter went through center for eight. Showalter made a first and then began the march which threatened to remove the Roughriders from their never having been scored on position in league contests this year. Vanderhorst and Widner went back in for Baxter and Beckett. Showalter passed to Balyeat who went to St. Marys 40 for another first. Schnarre intercepted Balyeat's pass and returned to his own 32. Anderson's pass to Widner was intercepted and the ball returned to St. Marys 23. Widner making the tackle. It was first and ten. Showalter made five, Schnarre in for Hunter. R. Lininger made a first with less than ten yards to goal. Showalter made two, Vandy tackling Tindall went through the center for one, and then — the whistle, ending the game with Van Wert offering its most serious threat for the whole game.

Van Wert

The Bands

Before the game opened Memorial high school band marched on the field to form letters for Van Wert and Memorial high schools as they played the school songs. The Van Wert band played a group of selections as they marched and counter-marched on the field, then the two high school bands merged to play the National Anthem immediately preceding the kick-off.

During the half, Van Wert took the field to form words, "Buy a Bond," stimulating interest in the Victory Bond sale now under way. They went into a big W with a small V inside as they played their school song.

Memorial high school's band staged a skit calling attention to the election next week. As the band marched onto the field the Elephant and the Donkey came from the end zones to meet in the center, the one of course representing the Republican party and the other the Democrat party. As the elephant and donkey moved about, the band played and formed the words "Vote Nov. 6."

Next the band went into a huge star as they played "Star Dust" and then a large bell for "The Bells of St. Marys."

Directors Leonard Wolf of Van Wert and Richard Schilling of St. Marys, were in charge of the bands, directing them as they gave their numbers. The bands executed their formations and played with the ease of professionals, adding much color to the evening's performance.

Throughout the game the two bands were alert and ready to play when the team's play warranted.

The crowd—well, the crowd yelled itself hoarse, and many a St. Marian today is next door to voiceless. But that's all right, they'll be back in condition next week ready to yell for their favorites.

HAVE COME THROUGH LEAGUE
SEASON WITHOUT BEING SCORED
UPON, ESTABLISHING NEW RECORD

Coach Barber's Boys Will Meet
Lima South Friday Night at
Lima-Redskins Furnished
Toughest Opposition to Date
But They "Were Snowed Under."

Memorial Roughriders met their
stiffest opposition of the season
last night when they met the Blume
Redskins of Wapakoneta at Ham-
mon Field, that city, but they mowed
them down 19 to 0. The victory
gave the Roughriders the sole
ownership of the Western Buckeye
League title for the second con-
secutive year.

The 19 to 0 victory established
a new record for the Roughriders,
the first time in their history they
have come through the league sea-
son without having been scored
upon by the opponents.

Except for that season opener
with Sidney Yellow Jackets the
Roughriders have not been scored
upon this year. That was a non-
league game and ended in a 12 to
12 tie.

The Roughriders will wind up the
season next Friday night in a game
with Lima South there.

Fans here are plugging now for
a post-season game. They would
like to see the Roughriders play
Elida Bull dogs, who beat Cold-
water 41 to 0 last night. The Bull
dogs have not been scored upon a
single time this year.

The 19 to 0 victory established a new record for the Roughriders, the first time in their history they have come through the league season without having been scored upon by the opponents.

Except for that season opener with Sidney Yellow Jackets the Roughriders have not been scored upon this year. That was a non-league game and ended in a 13 to 12 tie.

The Roughriders will wind up the season next Friday night in a game with Lima South there.

Fans here are plugging now for a post-season game. They would like to see the Roughriders play Elda Bull dogs, who beat Coldwater 41 to 0 last night. The Bull dogs have not been scored upon a single time this year.

The Roughriders found the Redskins no pushover last night. Keyed to a high pitch because they were playing their homecoming game, the Redskins were playing tops football but it was not tops enough to stem the scoring attack of the St. Marys players. The game between these two rivals is always a headliner for the season but last night's match was an extra thriller because on the outcome of it depended the league championship. Coach Barber's boys were in there fighting all the way — their offense and their defense were powerful and the Redskins proved no match against them.

The Roughriders line held like a brick wall, strengthened with steel.

The whole team was in there on their toes all of the time, ready to run interference for the ball carriers, making holes big enough for them to make gains that sent the ball marching down the field, and when Wapakoneta had the ball they saw to it that it wasn't for long. St. Marys couldn't score with Wapakoneta in possession of the pigskin so they regained it in the quickest order possible.

St. Marys scored once each in the second and third quarters, and once in the fourth quarter to win the game 19 to 0. The first touchdown was made by Huwer, the second on a long pass from Huwer to Anderson behind the goal line and the third by Baxter. The extra point was made in the last period, Huwer making the kick.

It was one of those games that will be racked up among those that bring up memories from year to year.

Wapak

Wapakoneta

Between halves the Wapakoneta and St. Marys high school bands went on the field to execute formations and to play selections well received. The St. Marys band formed a Star while they played Stardust and a huge bell for the Bells of St. Marys. They played the Wapakoneta school song in the WH formation, then changed to MH as they marched across the field to play our own song.

The Wapakoneta band with the flood lights out played Stars and Stripes Forever with appropriate pantomime. They played a group of other selections, leading up to the climax, Miss Hughes was crowned Home Coming Queen.

During the game the St. Marys

band was supporting the team all the way through, greeting their gains with spirited selections.

Roughriders Lose Final Game Of Season 13 to 0

DEFEATED BY LIMA SOUTH THERE;
SEASON'S RECORD WAS BROKEN,
BAND STAGED FINE PERFORMANCE

With a record of seven victories and one tie game behind them, Memorial Roughriders journeyed to Lima South last night and were defeated 13 to 0. It was the first time their goal line had been crossed since the season's opener with Sidney which ended 12 to 12, and it was a defeat hard to take. It marred a record that St. Marys had never established before, and wound up a glorious season with a bad ending. Fans came home, disappointed at last night's showing but loudly acclaiming past victories of the Roughriders. They were there by the hundreds, rooting for Coach L. K. Barber's Blue and Gold boys, but the boys weren't there with the goods last night.

Disheartened by the absence of Charley Huwer in the backfield, the Roughriders went into the game fearful and uneasy. They missed Huwer's spark and they just couldn't click as they had to, to win the game. Injured in last week's game, with Wapakoneta, Huwer was unable to go on the field last night. He had accounted for 125 of the 237 points which St. Marys amassed against its opponents' 12 up to last night's game and it was only natural that the gridsters would feel at a disadvantage without him.

They lacked the fire and punch they had in other contests this season, and efforts to coordinate their movements were not successful enough. The finesse was lacking. A few times they showed the flash of past games but they couldn't follow through to march the ball right up to the goal line. To make matters all the worse, a stiff gale made aerial work a dan-

gerous business - an intercepted pass would give South the ball and it was easier to intercept than to receive last night.

In the opening quarter St. Marys held Lima South on the less than a yard line, repelling their attack and taking the ball on downs when a touchdown seemed certain. That was an ordeal, but St. Marys got together to make a wall which was impenetrable.

All through the game the play was largely in St. Marys territory, St. Marys playing more of a defense and less an offense game than any time this season.

It was the final game for Memorial high school football team for ten seniors Anderson, Berlet, J. Schnarre, Hunter J. Widner, Young, Huwer, Millisor, Beckett, McKee. It was too bad the season had such a bad ending but the team and the fans are proud of their Western Buckeye League Championship, and the fact that the boys came through the league game without being scored on.

It was the second consecutive year that the team won the league championship.

The old Statue of Liberty play came back into being for South's first touchdown. It worked with a zip that sent Lima up to the heights while St. Marys dropped way down in spirit. Their

the team that took them down last year after they came enough without a defeat. But South did it again - it swept them from the undefeated class to the defeat class.

Following is the summary and a play by play account of the

game followed with a resume of the band's activities.

The starting lineup was as follows:

Pos. St. Marys	Lima South
QB Anderson	Brogee
LT Miller	Conrad
LG Berlett	Siferd
C J. Schnarre	Dry
RG Hunter	Schiffer
RT Elliott	Roush
RE Burger	Basinger
QB Widner	Crider
LH Young	Wright

Lima South

It was Lima's South's Homecoming game and in advance of the play the king and queen of the Homecoming were crowned. A special tribute was paid to the veterans present and to the dads of the lads on the football squad. South's band marched on the field to perform during this preliminary program.

Between halves Memorial's fast stepping musicians went on the field to perform under the direction of Richard Schilling. The band drew many complimentary remarks from the huge audience as they executed their formations and played selections fitting the formation.

They came out to form for the Lima stadium a huge L with a smaller S inside. Then they marched across the field to form an MH for St. Marys high school.

Back over to the Lima side of the field they formed a huge star, and in quick succession a bell,

heart pierced by an arrow and the State of Ohio with Lima and St. Marys located. As they changed formations they played "Stardust," "Bells of St. Marys," "Let Me Call You, Sweetheart" and "Beautiful Ohio."

The band was led on the field by Drum Major Lloyd Miller, high stepping as he came down the field to lead the players in their figure-making.

The boys and girls have done a splendid work, accompanying the team on all its games out of town, to lend their support and to help entertain between halves. Here at home they have been loyal in supporting the team with before the game and between the halves performances, attracting band boosters to the games.

Although there was a stiff wind blowing last night and a light rain fell in advance of the game, the weather conditions were good.

LYLE BARBER
FRANK DENNINGS

Mr. Lyle Barber has completed his third year as Head Coach of Memorial's football, basketball and baseball teams. This year he had an assistant during the football season in the person of Mr. Frank Dennings.

From a won and lost standpoint neither the football nor basketball season was an outstanding success. Both had their high points, however. Especially gratifying were the football victory over Van Wert and the basketball win over Lima South.

Mr. Barber is to be commended not only for his work with the varsity squads but with the Junior High teams.

CHARMAINE RUSSELL - PAULINE HARPER
SHIRLEY CLIFFORD - SUZANNE BUSS

Cheerleaders

This year we had four cheerleaders—Pauline Harper, Charmaine Russell, Suzanne Buss, and Shirley Clifford. They have done a wonderful job of supporting the football and basketball teams.

These girls practiced for many hours after school to produce new cheers and the action to go with them. In this way they have kept the student body interested and full of enthusiasm until the very end of the season.

They have been faithful as well as loyal. We wish to take this opportunity to congratulate them on their excellent work.

The 72 members of the marching band pictured on the opposite page performed at all the home football games and traveled to Troy and Van Wert with the team. Thirty-two formations were presented at the six games. Many fine comments were received on the work of the snappy musicmakers, particularly their half-time formations of the merry-go-round and bubble pipe. Drum Major Lloyd Miller received the applause of the fans for his strutting ability as he brought the band down the field. Other marching personnel include Majorettes Pat Dieringer, Patty Steen, Evelyn Glick, Barbara Strohl and Carol Moot-hart; Flag Twirlers Joan Baker and Rita Axe; Color Guards Tom Durnell and David Durnell, and our Mascot Majorette, little Jill Steen.

Jane Althoff served as president of the band during the year.

1946 Football Season

ST. MARYS 6—SIDNEY 18 The Roughriders journeyed to Sidney in search of their first victory of the 1946 season but were repulsed by a big and experienced Yellowjacket eleven. Memorial gained a half time lead only to have their opponents romp back with three touchdowns and an 18-6 win.

ST. MARYS 7—KENTON 12 Again the Blue and Gold athletes left their home grounds. This time they met Kenton in their first League game. The Wildcats, led by Brown who scored both touchdowns, eked out a close 12-7 victory.

ST. MARYS 13—COLDWATER 6 The Roughriders gained their first win of the year by outlasting the ever dangerous Cavalier eleven from Coldwater. Memorial held a close 7-6 lead at the half and managed to add one more touchdown in the final minutes to take a 13-6 decision.

ST. MARYS 0—CELINA 6 Celina came to town with revenge in their hearts, for in the two previous seasons they had failed even to score against the Roughriders. They went home happy, however, as they won a close 6-0 victory. Both teams showed a strong defense as the score indicates.

ST. MARYS 0—TROY 27 This game marked the opening of athletic relations with the Troy Trojans. Memorial never had a chance as they went down to their second straight defeat by the score of 27-0.

ST. MARYS 0—BLUFFTON 32 There was no stopping the determined Bluffton Pirates—even-tual Western Buckeye League Champions—as they set the Roughriders back on their heels to the tune of a 32-0 score.

ST. MARYS 7—BELLEFONTAINE 31 Bellefontaine got revenge for their last year's 67-0 drubbing by downing the Blue and Gold eleven 31-7. Memorial's only touchdown came on the ancient "sleeper" late in the contest.

ST. MARYS 7—VAN WERT 0 Coach Barber's boys invaded the den of the Van Wert Cougars with one objective in mind—to get out of the Western Buckeye League cellar. And get out they did, eking out a 7-0 victory on a muddy gridiron.

ST. MARYS 7—WAPAKONETA 24 Wapakoneta's Redskins dampened the joys of Memorial's first Homecoming by defeating the Roughriders 24-7. Early in the third quarter the winners held a close 12-7 lead and the St. Marys followers had hopes of victory. Soon afterward, however, the visitors took over, scoring two more touchdowns to win handily.

Sidney Yellow Jackets

ROUGHRIDERS LOSE SEASON OPENER TO SIDNEY YELLOW JACKETS 18 TO 6

First Opener lost since game to Sidney in 1943

For the first time since 1943, Memorial Roughriders lost their opening football game of the season when they went down to the Sidney Yellow Jackets 18 to 6 in a game played at Sidney last night before a huge crowd including at least one thousand from St. Marys.

The Roughriders, Western Buckeye League Champions of 1944 and 1945, opened their season with a non-league game.

For two straight years the team has come through without a defeat until its final contest, played with Lima South. This year Lima has been eliminated from the schedule and fans are hopeful that the play is reversed with the opening game instead of the closing game being the only defeat the team suffers for the season. The final game will be played November 8 here with Wapakoneta, a league game.

Last night's game with Sidney was a hard hitting battle. St. Marys was the first to draw blood when Vanderhorst bucked the line for Memorial's only score. In the second half Sidney came back with some flashy plays. Kookootsedes ran 40 yards for a touchdown. Garrett made a sensational sprint of 70 yards for another goal and Brown weaved 31 yards for the final touchdown.

Both teams showed great spirit. During the second half the Roughriders failed to show that familiar IT which fans have come to expect, but they did show good sportsmanship and promising material for future games.

ROUGHRIDERS LOSE TO KENTON IN OPENING LEAGUE CONTEST

ROUGHRIDERS LOSE TO KENTON IN OPENING LEAGUE CONTEST

Memorial Roughriders went down to Kenton Wildcats 12 to 7 losing the opening league game of the season.

Champion of two years standing, the Roughriders last night bowed to the Red and Whites before a crowd estimated at 5,000 fans from the two towns, St. Marys team being followed by a large contingent of loyal rooters.

The Kenton boys came through with their first touchdown in the first minute of play and the Roughriders did not hit paydirt until almost the last minute of the game.

Vanderhorst, fighting fullback for the Blue and Gold, made the one and only touchdown of the evening for the locals. He carried the ball across from the one-yard line, the pigskin having been advanced that near the goal on a series of plays. The extra point was made on a line plunge. Wilbur Brown, Kenton's left half, accounted for both of Kenton's touchdowns. In the first quarter he made a spectacular run-back after St. Marys punted and crossed the line to make the first goal of the evening. An attempted place kick was blocked. Kenton's final touchdown came in the early part of the fourth quarter when Brown went over right end to cross the goal line.

In the second quarter the Roughriders were halted in their drive for a touchdown, Kenton tightening up its defense to turn back the Roughriders.

A sixty yard run by Brown across the goal line was nullified when Kenton was penalized 15 yards.

Coach Barber's eleven last night played their second game for this season. Last week the boys lost to Sidney in the opener. Next week they meet Coldwater here in the first home game and fans who have not had the opportunity to see them in action in their out-of-town games will get their first view of the boys.

Remembering the victories of the last two years, fans are hoping that the Roughriders will make a come-back to the skill and spirit of the seasons of '45 and '44 for the Coldwater game.

Roughriders Defeated Coldwater 13 to 6 In Their First Home Game

Bands Of Two Schools Gave Fine Exhibition During Half

Memorial Roughriders with a revamped starting lineup and with new players participating in the game last night defeated Coldwater Cavaliers 13 to 6 at Memorial Field. It was the first home game of the season and several thousand fans were on hand to see the boys smash their way through to their first victory in three starts.

Those who saw them play at Sidney and Kenton were well pleased with the improvement shown last night and are hopeful for additional improvement in succeeding games. The Coldwater game may be the turning point for Coach Ber's Roughriders, sending them into more winning ways.

Between halves the fans were treated to a program by the two high school bands that could compare with any program put on by college bands. Their formations were keen and their playing was excellent.

Memorial Scores First

Thwait's hit pay dirt for Memorial early in the game when he crossed the goal line after a 51 yard run behind superior blocking by his teammates. It brought local fans to their feet in a spontaneous cheer, raising hopes for the victory achieved last night. Schnarre's kick for the extra point was good. In the second quarter Coldwater attempted to tie the score but missed by one point. A 35 yard pass from Buening to Quinter was good for the touchdown but the try for extra point failed, and the score was 7 to 6. In the third period Coldwater's fumbles which proved costly in preceding games led to the second touchdown for St. Marys. St. Marys recovered the ball in Coldwater's territory and Mc Broom carried the pigskin across following a series of plays. Try for extra point failed. Full details as given in the play by play account.

Spectacular Bands Program

During the intermission at the half the two bands gave a colorful exhibition.

Coldwater's band came out on the field first. With their new director conducting, the band

went into the formation Hi Ya as they played their opening number, then quickly changed in to a huge bell with the gong striking as they played the Bells of St. Marys in tribute to St. Marys. The letters MHS were formed as they played Memorial's song. Their final formation was a large C with the band playing their school song.

As Coldwater's gold and black uniformed band retreated Memorial's band came onto the field led by high-stepping Lloyd Miller, strutting in true drum major style. One section of the band led the way to be joined by two other sections after the fanfare. Then flag bearers, drum majorettes and little drum majorette, Jill Steen, making her first appearance came down through the band to take their places in front of the grandstand while the band played the school song. The band went into a C with a small Hi inside the large letter as they played the Coldwater song.

The colorful and spectacular formation was the Merry-Go-Round which the musicians formed as the ponies made by art students in the high school were carried around and around in true merry-go-round style. It was a worn out ride and the music box had to be wound up every now and then as the spring let go. Director Richard Schilling directed the band and added appropriate remarks.

The final formation was the MHS in monogram style with the band playing the school song, and the band left the field just as the football players were ready to go back into action.

It was a clever performance they gave.

Before the game Drum Major Miller brought the band onto the field for the playing of the National Anthem.

CHEER LEADERS ON JOB

The cheer leaders of the two schools were out to lead the fans in cheers for their teams.

Memorial cheerleaders were on the east side of the field

and Coldwater's on the west side, taking advantages of every opportunity to lead cheers, spurring their boys on to victory.

Celina Edges Roughriders In 2nd League Loss For M.H.S. Bands Give Fine Entertainment

The Celina Bulldogs were determined last Friday night to down St. Marys' Roughriders which they did by the score of 6-0. St. Marys defeated Celina the past two years and the Roughriders also won the Western Buckeye League championship the last two years. This gave Celina ample reason for wanting to beat Memorial. The loss last Friday night was St. Marys' second league loss in as many starts.

The captains for the evening were Baxter and Vanderhorst for St. Marys and C. Smith for Celina.

A crowd estimated at 5,000 appeared before game time.

Celina began the game by kicking off to St. Marys. The first quarter was featured by strong

line play. Memorial was forced to punt twice while Celina punted once. However, Baxter intercepted a Celina pass just before the quarter ended.

In the beginning of the second quarter Memorial had possession of the ball but was forced to punt. Celina, in four plays, was also forced to punt. Memorial then made a first down, and the ball was on Celina's forty yard line. Celina tightened its defense and Memorial had to punt. Four plays later Celina punted. In the series of downs which followed Memorial attempted a pass, but it was intercepted by Celina. However, the Bulldogs were forced to punt again. The Roughriders then completed a pass, Cook to Wood, which was good for eight yards. The half ended with the score 0-0.

As the third quarter began, Memorial kicked to Celina. Celina then, by hard driving, made two long first downs which placed the ball on Memorial's eight yard line. C. Smith then carried the ball around end for the only touchdown of the evening. The try for extra point was low. The score read 6-0. In the remainder of the quarter, neither team made much headway.

Celina opened the fourth quarter by making a first down but was forced to punt three plays later. Memorial made three first downs successively but was stopped four yards from pay dirt and an all important touchdown. Celina then punted. Memorial again was stopped—this time on Celina's 27 yard line. Celina, however, was forced to punt later on. Memorial tried a desperation pass which was intercepted. The game ended with St. Marys on the short end of a score of 6-0.

The leading ground gainers for Memorial were Fisher, McBroom and J. Kleinhenz. Wood caught the only pass which was completed for Memorial.

The game was no doubt a very tough battle between the two lines.

The substitutions for the evening were Anderson for Neargarder, Wood for Ruenning, Vanderhorst for Cathcart, Bornhorst for Schnarre, Fisher for Thwaites, J. Kleinhenz for Fisher, Needles for Burger, Dietz for Schnarre, and Koons for Widner.

Between halves Celina band marched onto the field playing "How Do You Do?" A pageantry act, a review on hats, was presented. First they played "For He's a Jolly Good Fellow" while a band member, wearing a top hat, marched across the field. For the next stunt a derby was displayed while the band played "The Bowery." As "Red River Valley" was played, and exhibition was given by a cowboy. The band then formed a military hat and rendered "We Must Be Vigilant." As they marched off the field, a big hand was given them for their clever exhibition.

Memorial's band then took the field with a fanfare from which they went into a block formation playing their school song.

The first formation was a large block "C" with the outer edges revolving as they played Celina's school song. The players next formed a large bubble pipe with one of the band members carrying a sign reading "No Soap." Later another band member carried on a large box of "Duz" which poured into a bowl of the pipe. A great number of colored balloon soap bubbles issued forth profusely from the pipe. For the final act, the M. H. S. monogram, the Memorial school song was played.

The large crowd enthusiastically cheered the performances of both bands.

LOCAL GRIDSTERS THREATENED IN LAST QUARTER BUT LOST BALL ON 4-YARD LINE

Memorial Roughriders dropped their second Western Buckeye League game of the season last night to Celina Bulldogs 6 to 0, the visitors crossing St. Marys goal line in the third quarter for the lone touchdown of the evening. C. Smith, Celina's speedy quarter, made the single goal. Try for extra point failed.

Hoping St. Marys fans reached a fever high pitch in the fourth quarter when the Roughriders brough the ball to the 4-yard line only to see their touchdown hopes fade away, with the Bulldogs tenaciously holding the line. It was the nearest they came to scoring.

Cook returned Celina's punt well over the 50-yard line. Fisher through end runs, advanced the ball well up the field, making two first downs, but the Roughriders couldn't cross the Celina goal line. They lost the ball on downs, and there went the league game.

Between halves the great crowd of fans from the two towns at opposite ends of the lake were entertained by the Celina and Memorial high school bands.

Celina's band led by Director Kenneth Holland made its appearance first. They presented a revue of hat styles, men's hats, if you please.

As the band went into formations depicting the tall hat, derby, cowboy hat and finally the military hat, the members played appropriate selections. As each formation was accomplished down in front of the band came a young lady wearing the hat depicted—full dress with the stovepipe hat; sportsman with the derby; the cowboy, lariat and all; and the spic and span uniformed Marine with the military hat.

As the band retreated from the field Memorial high's blue and gold uniformed players came out under the direction of Richard Schilling and led by Drum Major Lloyd Miller. They formed an animated "U" for Celina high school before the center section of the stadium while the flag twirlers and drum majorettes with twirling batons took stations before the other sections. After playing Celina's school song, they changed with rapid precision into a novelty

formation—a bubble pipe. Then as the band played "I'm Forever Blowing Bubbles,"—out came a huge sign "No Soap" to explain the absence of bubbles. Then surprise of surprises—with a plug for Duz—came the reversal of the sign to read "Duz does everything" and out popped the bubbles—colorful balloons that rose high above the field to drift northward over the schoolhouse.

The band's windup was the monogram "MHS" as they played the school song.

The score had been tied at the half with Celina having the edge in the first quarter and St. Marys in the second, but that last half saw a highly-keyed set of Bulldogs dash out on the field ready to fight and fight for victory. They got off to an early start for their goal, advancing the ball steadily down the field despite Memorial's attempts to repulse them. Fast runs by Florence and Smith carried the pigskin right up the line to St. Marys' goal. The Roughriders fought but they couldn't turn back that Bulldog intention. The touchdown resulted.

Then the two teams settled back to grim fighting—each determined to repulse any further attempts to score. The final score tells the story—there was no more scoring.

Substitutions were frequent on both teams. Coach Barber used almost two complete teams during the evening and the substitutes turned in good accounts.

ROUGHRIDERS TRAMPLED 27-0 BY TROJANS AT TROY FIELD

Memorial Roughriders lost Troy last night 27 to 0 in the first game the two teams have ever played together. The game was played before a tremendous crowd. The Roughriders have been a losing team this year while the Roughriders, champions two years ago, have found difficulty in collecting pay in any of their games this year. Last night was no exception. The Roughriders went on their losing spree with little interference from the Roughriders.

Between halves Memorial school's band and the Roughriders band entertained the crowd with a program of music and formations. As the Roughriders announced the Roughriders band played Beautiful Ohio and Star Dust in addition to the Troy and Memorial high school songs. As they were in formations in Ohio, a huge star, TROY, in the block M. During the game the bands added to the spirit of the game with their playing.

Marcella Crouse, Senior, Elected Memorial's Home-Coming Queen

The new Home-Coming Queen has been elected by the will of the majority. She is one of the most popular girls in school, Marcella Crouse. Her friendliness is known to all and her personality is radiant and captivating.

Marcella's attendants will be Joan Baker, senior; Ruth Roettger, junior; Kathryn Springer, sophomore; and Beverly Burger, freshman.

The home-coming ceremony is going to be a memorable affair. It is a time being set aside especially to welcome back the alumni of Memorial and to give them a special opportunity to see their old friends and classmates and attend the activities of their school.

The coronation of Memorial's queen will be a breath-taking affair during the interval between the halves in the Wapakoneta-St. Marys football game. The crowd will undoubtedly be immense with the coronation as an added attraction at the already-popular annual pigskin battle between Wapak and St. Marys.

Don't forget November 8! It is a must on the public's activities list.

TROY ROMPS OVER M.H.S. 27-0; SONS HONOR DADS WITH WIN

The Trojans from Troy handed the Roughriders their fourth defeat last Friday night before a huge Dad's Night crowd.

Troy's eleven, with a speedy shifty backfield and a big powerful line, out-classed Memorial in every stage of the game.

The captains for the evening were Vanderhorst and Axe for St. Marys, with Stayman and Sowry leading the Trojans.

Troy won the toss and elected to receive. St. Marys chose to defend the west goal.

Schnarre kicked off to Sowry who ran the ball back to his own 23. However the Trojans were forced to punt, and Memorial took over. St. Marys then moved for a first down but was forced to punt in the next series of downs. Troy, after making a first down, completed a pass for 42 yards and their first touchdown. The try for extra point was wide. A little later, after Memorial and Troy both had punted twice, Burger again dropped back for another punt. This time the ball which was passed from center soared over Burger's head and beyond the end zone which gave Troy two more points.

Kleinhenz again kicked off for St. Marys, this time from his own 20. But Troy, after making a first down, had Stayman drop back to throw a forward. He tossed it to Bradford who ran the remainder of the 28 yards for a touchdown. The try for extra point was again wide. The score then read 14-0. In the last minute of play of the first half, Memorial completed two passes, both from Vanderhorst to Wood, but the half soon ended.

In the beginning of the third quarter, Troy again made a touchdown, this time on an off-tackle play. The kick for extra point was low. The score stood 20-0. The ball changed hands three times before Troy succeeded in placing the ball on Memorial's 12 yard line. The third quarter then ended.

On the fourth play in the fourth quarter, Bradford carried the ball for ten yards and a touchdown. The attempted point after touch-

down was good as Troy led 27-0. The remainder of the game was featured by passing, but neither team scored.

Troy's Trojans remained undefeated as they won their fifth in a row.

Coach Barber and Troy's Coach substituted freely. The substitutions for Memorial were as follows: Cook, Anderson, Baxter, J. Kleinhenz, Fisher, Dietz, Wood, Needles, Dieringer, Hudson, Bayman, Wright, Oyerley, and Koons.

Between halves both bands entertained the huge crowd with their snappy marching and tricky formations. Troy performed without field lights, having small lights inserted in the feathers of their hats. Memorial formed T-R-O-Y, a star, O-H-I-O, and the M. H. S. monogram.

Both bands received resounding applause as they marched off the field.

Bluffton Pirates Trounce Roughriders 32-0 Handing Locals Their Worst Defeat

The Bluffton Pirates laid the memorial Roughriders low last night - downing them 32 to 0 on their own field. In true Pirate style the Blufftonians came in and went home carrying with them another victory which should send them well on the way to championship of the Western Buckeye League - a championship wrested from the Roughriders who held the title for two successive years.

With Schmidt as their pivot the Pirates staged a powerhouse offense in the second and fourth quarters that the Roughriders couldn't stem. The local boys came within threatening distance only once, in the fourth quarter, and that chance faded away as though by magic before the onslaught of the piratical Blufftonians.

It was a sorrowful crowd of fans that left the stadium after the worst defeat St. Marys has suffered in several years and that on Dad's Night when the boys were in there pitching for Pop on the sidelines.

Before the game the Dads were introduced and the band went into a DAD formation for them while they played "He's a Jolly Good Fellow."

But at the half with the score 19 to 0 for the visitors it was a spiritless crowd that saw the band go through its maneuvers it wasn't unappreciation of their efforts but the Gay Nineties just didn't fit into their mood. Yet they probably wouldn't have liked to be reminded either by the "Doleful Doldrums" of their status.

The band members dressed in the costumes of the Gay Nineties staged an exposition which should under anything like normal conditions, have stepped

up the spirits of the fans. There were the Plug Hat and Cane, the Town Tavern, the Bicycle Built for Two, the Pierced Heart and the Horse-shoed for luck but for a spare in case the horse shed one on the ride out into the country.

For the windup there was the new Alma Mater, written and composed by Band Director Richard Schilling' especially for Memorial High School. It was introduced last night but although the fans appreciated the song they entered half-heartedly, into singing it. That 19-0 score hung over them.

Another time it should have a different response from the audience, many of whom probably will be humming the air between times.

With a 19-0 score hanging over them, the Roughriders fans just weren't in there singing when it came their turn to try the new Alma Mater after the band had played and sung it.

With the opening of the second half the fans took a new lease on life, as the Roughriders upset the Pirates' scoring plans several times but the last quarter saw those Pirates back in scoring form and there was no stopping them. Schmidt accounted for the first touchdown early in the second quarter when he intercepted a pass. Newlan came through with three more and Wilch with one. Tries for extra point were successful only twice.

Klay's place-kick in the second and Sommers in the fourth were good.

The Bluffton Pirates without a doubt are the strongest team St. Marys has met in some time. They are a speedy outfit and their team work clicks.

Starting lineups for the game follow:

Score at the quarters:									
Bluffton	0	19	0	13	-	32			
St. Marys	0	0	0	0	-	0			

The touchdown by Schmidt was made early in the second quarter when he intercepted a pass on St. Marys' 40 yard line and ran for the goal. He is a flashy runner with speed and power and his teammates gave fine interference.

Newlan made three touchdowns, two of them following long passes received near the goal line.

Wilch made the 40 yard run for the final touchdown late in the last quarter with plenty of substitutes having been run in for both teams.

St. Marys aerial work was better last night than in previous.

HARDFIGHTING ROUGHRIDERS LOSE TO CHIEFTAINS 31-7

With MacCracken carrying the ball three-fourths of the time, Bellefontaine defeated a hard-fighting Memorial eleven 31-7 Friday night.

The Chieftains of Bellefontaine possessed a smooth running attack which was hard to stop.

MacCracken and Lyons each scored two touchdowns while the other touchdown was made on a pass from D. Miller to Morrow.

Vanderhorst scored the lone touchdown for Memorial on a sleeper play which was good for fifty-one yards.

Memorial's two acting captains were Elliott and McBroom. As MacCracken and Barton led the Chieftains, Bellefontaine won the toss and chose to receive.

The Chieftains started their scoring early in the first quarter, after making three consecutive first downs. The try for extra point failed as they led 6-0.

St. Marys then received the kick-off and held a small edge for the remaining minutes of the quarter.

However, in the beginning of the second period, Bellefontaine scored their second touchdown on a pass from D. Miller to Morrow. This time the kick for extra point was good.

After the Roughriders made one first down, they were forced to punt which started a battle of punts. Later in the period Bellefontaine drove deep into Memorial territory, only to be stopped just short of the goal line.

Bellefontaine, in opening the second half, kicked out of bounds twice which put the ball on the chieftain's forty yard line. As a result of two interceptions, the Chieftains regained possession of the ball, which resulted in a fifty-seven yard sprint for a touchdown. The kick for extra point was low.

At the close of the third period, St. Marys fumbled on their own twenty-five yard line to give Bellefontaine another scoring opportunity.

The Chieftains began the fourth quarter by making a first down. MacCracken then ran fifteen yards around his own right end for another score. Their first attempt for extra point was nullified by a penalty. The second attempt failed and the score read 25-0.

The Chieftains roared right back for another touchdown as MacCracken and Lyons covered

fifty-three yards. Again they were penalized on their try for extra point, this time as a result of unnecessary roughness.

Due to the penalty, Bellefontaine was forced to kick off from their own twenty-five yard line.

On Memorial's next series of downs, Cook passed to Vanderhorst on the old sleeper play which went for fifty-one yards and a touchdown. Vandy's plunge for extra point was good and the score was 31-7.

The Roughriders again threatened to score, this time as a result of a series of passes. However, Bellefontaine was held for downs on the Chieftain's one-yard line.

Coaches Dodd and Barber both sent in their reserve teams as the game ended with the score 31-7 in Bellefontaine's favor.

The Chieftains led in first downs 11-4. They also were dominant in the ground-gaining department. However, Memorial led the passing attacks.

The substitutions for St. Marys were as follows: Neargarder, Cathcart, Koons, Cook, Fisher, Kuenning, Dietz, Bornhorst, J. Kleinhenz, Gayer, Needles, Davis, Overly, Wright, Bupp, Wessel and Hall.

At the half Bellefontaine band entrained the crowd as they played their booster march, the Memorial fight song and "On Wisconsin" while forming S. M., a block B and a wheel.

The remainder of the half-time intermission was devoted to the crowning of the Home-coming Queen, Jane Stahler, who was accompanied by her six attendants.

"Alma Mater"

Until recently Memorial High School was the only school in the Western Buckeye League which didn't play an Alma Mater at sports contests. The band director, Richard Schilling, set out to compose the words and music for the school's new "Alma Mater."

Its debut was made at the Bluffton-Memorial football game. Thanks from the student body go to Mr. Schilling for the time and effort he gave to create the new "Alma Mater."

The words are printed below for those who wish to preserve a copy in their "Book of Memories."

"Alma Mater"

Words and Music by
Richard Schilling

Dear Memorial, thy name we praise

Your blue and gold

Will ne'er grow old

Long may they wave.

Dear Memorial, thy sons are we

To laud thy name

Proclaim your fame

O'er land and sea

Chorus

To the blue of Memorial

We will be true.

To your gold brightly shining

We look a-new.

To you, our Alma Mater,

Sings ev'ry son and daughter.

Proudly wave the blue and gold

Your traditions we uphold.

Bellefontaine

Bellefontaine Chieftains avenged the 67 to 0 defeat handed them by the Roughriders last year by downing the Roughriders 31 to 7 last night in a football game at the Bellefontaine field. It was the sixth defeat our boys have suffered this year despite the fact that they started the year with what appeared to be good chances for another championship team.

McCracken, playing fullback for the Logan County eleven, carried the ball the greatest part of the evening for gain after gain.

The local gridders were partly able to stem Bellefontaine's advances in the first half which ended 13 to 0.

It was in the 4th quarter that Memorial hit pay dirt. A sleeper pass from Cook to Vanderhorst was good and he ran for the touchdown, the one and only one that the Roughriders made. The try for extra point was good.

Bellefontaine added three touchdowns in the second half, which was about six touchdowns short of what they would like to have scored.

ROUGHRIDERS COME OUT OF LEAGUE CELLAR; BEAT VAN WERT COURGARS

Memorial Roughriders lifted themselves out of the Midwestern Buckeye League cellar last night when they downed the Van Wert Cougars 7 to 0 in a game just the opposite of the games they have played the last two years.

They were down in the cellar battling their way out last night as compared with the two succeeding years when they were vieing for league supremacy.

League Champions of 1945 and 1944 because they were able to beat Van Wert, the Roughriders last night are one step removed from the low point because of their single touchdown victory.

Coach Barber's boys were elated last night and the fans were even more so, as the Roughriders collected their second victory in eight starts.

It was in the first quarter that St. Marys got the ball on Van Wert's 37 yard line. The Roughriders made two first downs and then Baxter carried the ball across the line for the one and only marker. Try for extra point was good.

From then on the Roughriders were in playing a defensive game, stemming Van Wert's advances but not staging any particularly aggressive plays.

The field was a sea of mud and there was little chance for speed.

Between halves the bands from the two schools came on the field to entertain the fans with a program of formations and music.

Van Wert band put on a campaign to promote the school levy on which Van Wert residents will vote Tuesday, just as they will in St. Marys and in many other communities of Ohio.

Memorial's band under direction of Richard Schilling and led by Lloyd Miller, drum major, received a big hand for their merry-go-round and locomotive formations as well as for their VW in script and MHS in monogram. They played the school songs for the school insignia and appropriate numbers for the novelty formations.

Here are the line-ups and the play by play account of the game:

Wapakoneta Redskins Carry Roughriders' Scalp Home

BEAT ST. MARYS 24 TO 7 IN LAST GAME OF YEAR FOR LOCAL TEAM

Playing their last game of the year, the Memorial Roughriders staged a more aggressive fight than in any of their previous games this season but they weren't good enough to beat the Redskins from Wapakoneta. The Redskins went home carrying the Roughriders scalp, having won the game 24 to 7.

The score doesn't tell the story. It was an exciting match with both teams in there fighting all the way.

At the half the score was 12 to 0. When the Roughriders came back on the field they came back with a grim determination to take the Redskins into camp and for a while it looked like they might do it. St. Marys scored a touchdown early in the third quarter and when the try for extra point was good, the score was 12 to 7, Memorial fans took hope. They looked for another touchdown which would give the locals a one point edge. The Redskins had other ideas, and they soon put an end to the Roughriders hopes.

It was the last game for some of the Blue and Gold uniformed players as they are seniors and will graduate in the spring. Tom Burger, Bill Elliott, Cecil Thwaites, Jim Kleinhenz, Paul Vanderhorst, Bob McBroom, Don Baxter, Paul Woods and Paul Axe are the seniors on the squad.

THE BLUE & Gold Report

HOMEcoming FETE AND "M" CLUB DANCE PROVE GALA AFFAIRS

With a gala fanfare the Queen, Marcella Crouse, and her escorts descended from the 1946 Chrysler. The attendants escorted Marcy, as she is better known at Memorial to the microphone where Jane Althoff, the president of the Student Council, introduced the escorts. All attendants wore large white chrysanthemum corsages.

Bill Elliot, the captain of the football team, crowned Marcy Queen, while the co-captain, Tom Burger, presented her with a bouquet of giant yellow mums. The Queen expressed her wish that the boys would win the game for Memorial. The National Anthem was played and the Queen took her place on the throne placed near the fifty-yard line. Marcy's comment during the game was, "I'm freezing!"

After the game, a dance was sponsored by the "M" Club at the HiSpot. The admission charges was twenty-five cents and the dance lasted until 12:00. The juke box gave forth a continuous flow of numbers so the dancers didn't furnish any nickels.

The Queen entered at 10:15 and left about 11:30. The cheerleaders led three rousing cheers as the team entered.

Everyone expressed his gratitude for having a Homecoming ceremony and a dance immediately afterwards.

Following are some comments picked up by the reporter:

Mr. Puderbaugh - "Glad to see such a good turn-out. Sorry we lost the game; I'm sure we'll do better next year."

John Morris ('45) - "Liked the ceremony very much. It's some thing that should have been adopted earlier."

Coach Barber - "Didn't see the Homecoming ceremonies, but I think it's a good thing. I only have hopes for a team for next year."

MARCELLA CROUSE CROWNED QUEEN OF HOMECOMING IN PRELIMINARIES

Miss Marcella Crouse, Memorial high school senior, was crowned queen of the Homecoming Festivities last night at the Memorial-Elume high school football game played at Memorial Field and reigned throughout the evening. Miss Crouse and her attendants, the Misses Ruth Roettger, Kathryn Springer, Beverly Burger and Joan Baker were brought on the field in advance of the game in the new Chrysler town and country car, by courtesy of Call and Rye, with Guy Rasneor driving.

They were brought to a point directly in front of the stadium where they stepped out of the car to be greeted by Miss Jane Althoff, president of the St. Marys high school student council. Miss Althoff introduced the Queen and her attendants to the large audience who greeted them with an ovation of applause.

Captain Bill Elliott had the honor of crowning the queen and Tom Burger, runner-up for captain, presented her with a bouquet of flowers. Little Jeanine McMillin was the crown-bearer and carried the crown on a pillow.

Radiating her personality and charm and with much poise, Miss Crouse spoke her delight at being queen and her appreciation of the honor accorded her by fellow-classmates, who chose her for the position. She praised the football players and their captain for their efforts during the season and wished them luck for last night's game and in the future.

Miss Crouse and her attendants all wore becoming suits and each had a huge white chrysanthemum with streamers of blue and gold.

For the coronation ceremony Memorial high school's band marched on the field to form three lines on either side of the 50-yard line, across which the Queen's automobile was driven, as they played the school song.

During the half Memorial's band came on the field to form a huge Crown in recognition of the Homecoming Queen and then a four-leaf clover for the servicemen who were here for the Homecoming game.

As the band played "Just a Cottage Small by a Waterfall," they formed a small cottage—just the kind that many a GI would be tickled pink to buy if the price were right and the veterans administration would ok the loan.

Memorial concluded its part of the program between halves with the playing of the school song and the new Alma Mater written and composed by Director Richard Schilling of the band. The audience was invited to join in singing the Alma Mater which will be used regularly hereafter at school functions.

Wapakoneta's band formed the W for Wapakoneta and MHS for St. Marys high schools as they played their school songs, then went into a tricky formation for the National Emblem March.

Cheerleaders of both schools were out to support their teams by leading cheers throughout the game. They added a lot of enthusiasm to the match.

VARSITY FOOTBALL

Lyle Barber, Frank Dennings

The year the class of '48 entered high school, Mr. Barber became head coach of sports at Memorial. He has given his utmost energy and concern in producing outstanding teams.

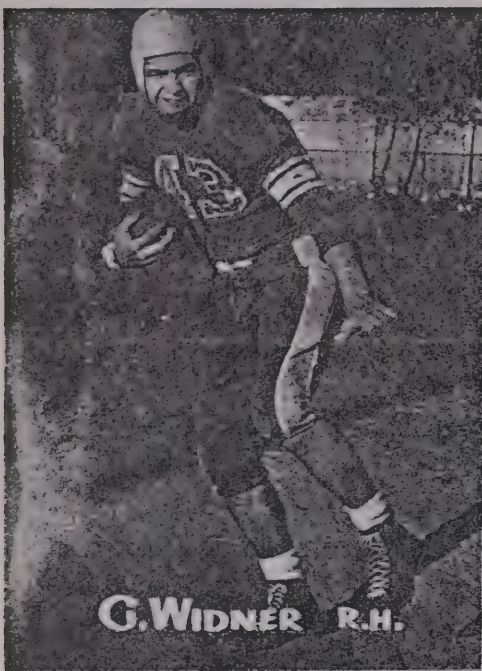

Mr. Dennings became his assistant in the field of football last year. He devoted his time in drilling and improving linemen.

This football season was full of thrills and heartbreaks. The Celina and Wapakoneta games were two examples. The Roughriders rode thru an average season with four wins, two ties, and three losses. They lost the Western Buckeye League Crown by a half-game.

To our coaches go our sincere thanks for their guidance and aid in sports throughout these years.

Memorial's marching band of 85 members, largest in the history of the school ([REDACTED] performed at all the football games, both home and away. Forty-seven formations were presented at the nine games. Many fine comments were received on our colored light formations, such as the apple tree, rainbow and our school insignia of the gold M in a blue hexagon. The lights were designed and made by our director, Mr. Schilling. Many picture and novelty formations were also presented during the half-time intermissions, with the "Three Trees" and "Old Ford" shows proving most popular with the fans. Chester Thompson, our new drum major this year, received many compliments on his snappy strutting ability. Chester also served as student conductor of the band during the year.

Other marching personnel include Majorettes Martha Cody, Evelyn Glick, Carol Moothart, Barbara Strohl; Flag Twirlers, Rita Axe and Anna Mary Schultz; Colors and Guards, Kenneth Taylor, George Catterlin, Paul Beckett and Tom Weadock; and our high stepping Mascot Majorette little Jill Steen.

Albert Bubb, Jr. served as president of the band during the year.

FOOTBALL RECORD

St. Marys 14 - Greenville 6

The Greenville gridders paid a visit to Memorial Field to seek their first win, but the Roughriders turned them under 14-6. The Roughriders gained a 7-0 half-time lead. Greenville came through with their only touchdown in the third quarter to make the score 7-6. Aroused, the Roughriders came back with another tally to make the final 14-6.

St. Marys 13 - Kenton 20

The Roughriders dropped their first League game to the Kenton Wildcats 13-20. The scoreless first quarter was nothing but punting and hard driving. The Blue and Gold spurted out in the second quarter to a 13-7 halftime lead only to have the opponents romp back in the final with two touchdowns and an extra point for a 13-20 win.

St. Marys 6 - Coldwater 6

The Blue and Gold traveled to battle Coldwater in a non-league tilt. The Roughriders managed to rack up only one touchdown, nothing seemed to click. The Cavaliers succeeded in making one in the last half and the game ended with a 6-6 count.

St. Marys 6 - Celina 6

The Roughriders played their second League tilt at Celina but only to tie the Bulldogs 6-6. The first three quarters consisted of running, plunging, passing, and punting. Neither team was able to score. In the final quarter the Blue and Gold made a daring goaline stand but the Bulldogs came back later to rack up a 6-0. The St. Marians, getting a break in the few remaining minutes, were able to tie up the game 6-6.

St. Marys 0 - Troy 19

On Memorial Field the Roughriders lost to the powerful Troy Trojans sparked by their shifty halfback, Bradford. The Roughriders held the Trojans in the first period but the visitors went through for their first touchdown in the second quarter after a steady drive down the field. The Blue and Gold could not penetrate the strong and heavy Troy eleven. The Trojans came back strong in the third period with two tallies. They were held scoreless in the final quarter and the game ended 19-0.

St. Marys 26 - Bluffton 0

The Roughriders went to the Bluffton Pirate's camp and broke up the "Dads' Night" game 26-0. The Memorialites took a 7-0 half-time lead, coasted through the third period, and then ripped loose in the final quarter to make three touchdowns. The reserves as well as the varsity were able to penetrate the Bluffton eleven to take a 26-0 League win.

St. Marys 12 - Bellefontaine 0

The Roughriders lassoed their second League victory by outscoring the Chieftains 12-0 on Memorial Field. The first half was evenly matched but in the last half the Roughriders intercepted two Chieftain passes and managed to score twice, which placed the Blue and Gold out in front 12-0.

St. Marys 6 - Van Wert 0

The Roughriders did it again. The Blue and Gold beat the Van Wert Cougars 6-0 in a Western Buckeye League tilt that placed them another notch closer to the championship. It was in the second period that the Roughriders fought their way across for the only counter of the game. The Cougars were unable to break the Roughrider's fighting line and the game ended — 6-0, St. Mary's fourth straight win over the Cougars in four years.

St. Marys 6 - Wapakoneta 37

The Roughriders journeyed to Wapakoneta to seek a championship win but were massacred by the Redskins 37-6. The Redskins ran wild over the dispirited St. Marians, who succeeded in crossing the goal line once in the final quarter. Unhappy day!

Memorial Roughriders

Open Season

Victoriously; Beat Greenville 14 To 6

BAND STAGED GOOD PROGRAM OF FORMATIONS BETWEEN HALVES

Memorial Roughriders opened the grid season victoriously last night when they downed Greenville 14 to 6 before a crowd which packed the stadium and bleachers and overflowed to line the field. Coach L. K. Barber's boys looked good in their initial contest but fans are hopeful for improvement before the league contests start.

Next week Friday the Roughriders will come up against the Kenton eleven, regarded as one of the strongest teams in the loop this year. Last night Kenton beat Bluffton 19 to 0 indicating their scoring ability plus their defense.

Greenville kicked off and from the moment St. Marys received it was their ball for steady advances down the field, culminating in a touchdown by Cathcart who carried the ball much of the way. Schnarre kicked the extra point. Cathcart, Cook, Widner and Fisher were largely responsible for St. Marys gains with their teammates opening up the way.

The second quarter was more evenly played with neither team being able to break away for any large gains.

In the third period St. Marys fans saw the Roughriders tighten up their defense and hold Greenville after it had advanced steadily up the field to within a few yards

out of the danger zone and the ball was back of the end zone for a touchdown, the one and only one for the Green and White. Fans were baffled as to what happened for a while as the officials first carried the ball to the 20 yard line.

Greenville resorted to aerial attack in the last half, but was unable to click and the Roughriders continued to outplay them. It was in the final period that Barber's boys struck pay dirt for the second time and put the game on ice 14 to 6.

The Roughriders looked good last night and fans are hopeful for a successful season. There was some good tackling and good offensive plays.

Appended to this article are the starting lineups and the play by play account of the game.

Band Performs

Between halves Memorial high school marching band under the direction of Richard Schilling made its first appearance for this school term. Led by Chester Thompson, drum major, the band came out on the field in a new block formation.

Standing before the stadium the band formed HI as they played the greeting song; then played the Bells of St. Marys with the flood lights off and only the tiny lights on their hats gleaming in the darkness. The school bell rang as the number closed, the lights came on and the band played "School Days" as Barbara Strohl, the teacher of the Gay '90s brought the class to order and introduced the comedy element. With the players standing in a block M within a hexagon, the band played the Alma Mater and then the School Song. The lights were off for these numbers except for the lights on the hats and for the final number, a particularly pleasing effect was given with the M in gold and the hexagon in blue.

Earlier the band played Greenville's song as they formed a big

The audience was asked to join in singing School Days and the Alma Mater.

Before the game the marching band came out on the field to play the national anthem.

Roughriders Lose First League Game To Kenton Wildcats 20-1

Memorial Roughriders dropped their first Midwestern Buckeye League game last night to Kenton, losing 20 to 13 on their own field. The Wildcats, held to be strongest contenders for the league championship this year, unloosed their full force in the final period when they collected two touchdowns to give them a one touchdown lead.

Both the Roughriders and Wildcats had scored in the second period, Coach Barber's boys getting two counters while Kenton collected one that quarter.

The Roughriders had won their season opener from Greenville and were confident they could take Kenton, 19 to 0 winners over Bluffton last week, into camp but the odds were against them.

The boys went down fighting. They showed improvement over the preceding week. Their tackles and interference were decidedly improved; and the aerial attack showed development.

The Roughriders proved they are grim fighters as they repulsed Kenton's scoring attack within inches of goal line.

A full play by play account of the game, as reported by Jim May of the Live Wire staff, is appended to this article.

The Band Makes Hit

Richard Schilling and Memorial high school band came on the field between halves to stage an entertainment which rivals that usually seen on college fields.

They came out on the field to form a big K within a hexagon as they played Kenton's school song. From that formation they went into musical formations—a compass, bass viol, grandfather's clock. With an arrow pointing to the compass directions they played the Bowery song, Dixie, Home on the Range, and Yankee Doodle. The Big Bass Viol was played with Jack Davis and Al Bubb as soloists. Grandfather's Big Old Clock wound up the musical formations. The audience joined in singing Home on the Range.

For the final number the band formed the large M within the hexagon as they played the Alma Mater with the audience singing. Words of the song are printed on the programs distributed at the gate, and more St. Marians are joining in singing it as they become familiar with the tune and the words.

The band was led on the field by Chester Thompson, drum major.

Cheerleaders were enthusiastic in leading cheers to spur on the St. Marys players.

Memorial Roughriders Play Coldwater Cavaliers To T

Memorial Roughriders were upset again last night when they went to Coldwater with hopes of their second victory only to return home with a tie game, the contest ending 6 to 6 in what fans termed the "game of fumbles."

There were fumbles by players on both teams but St. Marys outscored the Cavaliers in fumbles, the Roughriders chalking up about four times as many as their opponents.

The Roughriders hit pay dirt only once, in the first quarter. Coldwater's lone score came in the last period, shortly after a costly fumble in their own territory in the first play of the quarter.

Neither team was able to make good on the try for extra point.

The Roughriders go to Celina next week and despite the fact that Celina has had a bad season the Roughriders will need to play a much better game than last night if they hope to bring home the bacon.

There was a large following of fans at Coldwater last night, disappointed at the outcome.

The Bands Perform

Memorial High School band and director Richard Schilling accompanied the football team last night and both they and Coldwater's band performed at the half. Preceding the game the National Anthem was played by the Coldwater band as they marched onto the field.

At the half, high stepping Drum Major Thompson led his band onto the field after they had played their fanfare. In front of the Coldwater fans, they formed a huge revolving "C" as they played the Coldwater School song. From that formation they went into a bass viol and played the Big Bass Viol with Albert Bupp, Jr. and Jack Davis as solists. They then formed a clock and played "Grandfather's Clock". Turning to the St. Marys fans they formed an "M" within a hexagon and played the School's song.

Coldwater's band, led by a pert girl drum major, formed a large "M" and played the school song and then the "C" while playing their school song and "Alma Mater."

Memorial Roughriders Played Celina 6 to 6 Tie,

Memorial Roughriders played the Celina Bulldogs to a 6-6 tie last night in a game that appeared to be Celina's until the very last second of play when St. Marys struck paydirt for the first and only time. Celina's score was made that same period soon after the change of quarters.

Many of the Roughriders fans, disgusted at the way the boys played, had left the stadium before Widner crossed the line for the touchdown, and were not aware of the tie until later in the evening.

The Roughriders began the season in good style and fans were hopeful of a victory last night against the Bulldogs who have had tough going all season. But the Bulldogs came through with unexpected strength and tenaciously repelled attacks of the Roughriders in seeking their first league victory.

The aerial attack of the Roughriders was no good until the very end of the game when Cook's pass to Kuenning made a long gain which put the ball within scoring distance on the next play.

Bands Perform

Preceding the game Memorial High School's band led by Drum Major Thompson, marched onto the field to the north end, playing their school song. They made a block formation and then the Celina band came onto the field and marched into the block formation of Memorial. Mingled together the two bands played the National Anthem as the American Flag was raised. Director Richard Schilling directed the combined bands.

Between halves the showy Memorial band appeared in the usual formation for the fanfare. The first formation was a huge C made very effective with the green lights. Outlining the C were white lights. The band received a large volume of applause from the Celina fans as they stood for their school song.

Going from the C the band formed a music lyre and played "Say It With Music." The Lyre is symbolic of all music. Their formations were made quickly and exact. For the final formation the gold M was formed within the blue hexagon while St. Marys Alma Mater was played. They left the field in orderly, snappy fashion as the Celina band marched on.

Celina boasts an unusually fast marching band which formed a large M and played Memorial's school song. The next formation was a clever "Teeter-Totter" which operated as they played and sang the old familiar song "Teeter Totter." On one end of the totter was the letter M with colored balloons attached and on the other end was the letter C with green and white balloons. As the totter finished its movement the balloons were released and floated away. Completing the performance was the Celina Alma Mater played while in the C formation.

At intervals throughout the game both bands played and cheered the teams on.

As the band stood in the DAD formation. the "Dadds" and their sons came onto the field, with Dads, or sponsorers wearing numbers corresponding with the number of their son. The were announced together and walked toward the stadium and there parted. All evening the Dads sat down in front, cheering their boys on. ROUGHRIDERS TROUNCE BLUFFTON PIRATES 26 - 0 IN LEAGUE GAME

Memorial Roughriders defeated Bluffton Pirates 26 to 0 in a Western Buckeye League game last night at Bluffton the Roughriders coming into their own again after having played two ties and having lost two games since their initial victory over Greenville.

Although there were a number of fumbles committed that could have proved very costly, the riders were able to keep control of the ball most of the time and to hold the Pirates the few times they were in possession of the pigskin.

The Memorialites were alert and quick to take advantage of their opportunities. They scored once in the second quarter and three times in the last period. One of the touchdowns was made by a second string player Jack Davis who snagged a pass tossed by a Pirate and ran for the goal line. Widner was responsible for two touchdowns. He caught a 15 yard pass from Cook and ran 50 yards for paydirt. The other touchdown he made on a play through center. Dieringer collected one touchdown on a quarterback sneak partly after the opening of the fourth quarter.

Fans were disappointed that what looked like a touchdown following a beautiful pass from Fisher to Kuenning was no good because of offsides.

St. Marys fans came home jubilant after last night's game. Their spirits are revived, the team showing new spirit against the Pirates.

ROUGHRIDERS BEAT BELLEFONTAINE 12 TO 0 FOR SECOND LEAGUE WIN

Band Appeals For Yea Vote For \$120,000 Bond Issue

Memorial Roughriders lassoed another league victory last night when they defeated Bellefontaine Chieftains 12 to 0 on Memorial's Field before a crowd not quite up to the usual Friday night's crowd. It was St. Marys second league win against one tie and one loss.

Fans last evening saw a hard-hitting team take the field. The Roughriders were in good form and there were some beautiful tackles in addition to hard plunging, good blockin aid, quick action on intercepting passes and making the interception count.

Friday October 24, 1947 "The Evening Leader"

The first two quarters were evenly played but from then on it was St. Marys game.

The third quarter saw St. Marys players intercept two Bellefontaine passes. Cook caught the first one but the next play ended in a fumble, the hard-tackling Bellefontaine players causing Widner to drop the ball as he made a plunge through center. Late in the period Fite intercepted another pass. Cook advanced the ball to the 5 yard line. On the next play there was a fumble recovered by Dietz back of the goal line for St. Marys first counter. Try for extra

point was no good and the score stood at 6 to 0 as the last period began.

In the last frame Kleinhenz, who had accounted for some of the good tackling on defense, intercepted a pass from Johns to Henry and ran 30 yards for the second pay-dirt of the game. Again the try for extra point failed but with few minutes to go St. Marys had the game tied up at 12 to 0.

Coach Barber's boys were in there fighting, taking advantage of opportunities. The boys were fighting to gain another leg toward the league title. They still have Wapakoneta and Van Wert to meet.

ed the M and the D in revolving fashions their program being given in darkness except for the tiny glims on their caps and the moonlight.

St. Marys marched out on the field with their fanfare introduction. After the B for Bellefontaine's salute, lights were doused and the band made an Owl and a Jack O'Lantern for their Halloween recognition. It was a white owl with gleaming green and yellow eyes, a gold Jack O'Lantern with green top and red eyes, nose and mouth. Music was appropriate, the band members singing Jack O'Lantern for the second number. Then symbolical of the Bellefontaine Chieftains they went into a tomahawk and staged an Indian war dance with Bellefontaine out to scalp St. Marys, a feat they didn't accomplish last night. Jim Krogman rode out on the field as a Roughrider during the Indian war dance to rout the Indians. The final formation was the M as the Alma Mater was played with the audience joining in singing it.

Preceding the game there was a short program with St. Marys band forming a VOTE YES for the \$120,000 bond issue for the swimming pool and recreation center.

Charles Folk of the Hi Spot appealed for a Yes vote on the measure. Then Bellefontaine band came out to join Memorial's for The Star Spangled Banner as the audience rose in tribute to the National Anthem.

Director Schilling and his band were applauded for their vote-getting appeal and their program.

Van Wert Cougars

ROUGHRIDERS BEAT VAN WERT COUGARS 6 TO 0 IN AN EXCITING LEAGUE CONTEST

Memorial Roughriders did it again. They beat the Van Wert Cougars 6 to 0 in a Western Buckeye League game that brought them another notch closer to the championship. It was in the second quarter that Coach Barber's boys hit pay dirt on a series of drives sparked by George Widner, who carried the ball across from the one-yard line to score the only touchdown of the game, played in ideal football weather.

It was in the first quarter that Van Wert gained the ball on their own 30 yard line but lost 23 yards when the receiver failed to get the snap back from center. Van Wert kicked to St. Marys 45 from where Widner and Cook brought it to Van Wert's 36 as the quarter ended. When play was resumed Widner made a first down to Van Wert's 31. Widner made another first, Widner and Fite earned the ball to the 7 yard line for another first. Then there was a fumble, luckily recovered by Dieringer. The ball was up to the yard line when St. Marys shoved it across on the fourth down, Widner going through center for the counter. Try for extra point failed but the one touchdown was enough to put the game on ice for St. Marys, Van Wert being unable to score against a fighting team of Roughriders out to rout the Cougars.

The visitors found ST. Marys in top form, Barber's boys being out to stop any advances of the Cougars and to take advantage of all the breaks that came their way they had some close "shaves" but they came through with victory, holding the line when Van Wert's offensive was tough.

It was in that same second quarter that Cook halted Van Wert's advance when he intercepted a pass on his own 20 and ran to the 46 before he was brought down by a hard tackle.

Fighting Fite came through with some good tackles and some nice gains on plunges through the line, Widner carried the ball for gain after gain.

Saturday November 1, 1947 "The Evening Leader"

Schnarre and Kleinhenz came through with some fine punts to get St. Marys out of the danger zone, and all of the boys were in there doing their bit toward stopping Van Wert's offense, and helping with St. Marys offense. It was a night of team work and every man who played can claim a share of the credit for the victory.

The starting lineups and the summary were as follows:

The Bands Perform

Between halves the Van Wert high school band, dressed in Halloween costumes, marched onto the field. The players were in clown suits and other costumes, the drum major appeared as a red devil with pitch fork and all and the drum majorettes were white cats. They came on to play Memorial's song as they ap-

peared in M formation, then played Halloween music as they formed a big pumpkin face. For their formation they went into VW for their own alma mater.

After the game the Van Wert band circled St. Marys goal post to play St. Marys school song before marching off the field.

Memorial high's band came out for the M as they played Memorial's school song, then a VW for Van Wert's salute. With the lights off and the band displaying all the tiny colored lights they have used at the games this season the band played "Somewhere Over the Rainbow" with Miss Martha Cody as vocalist. The rainbow colors made an effective scene before the stadium. The final number the band played was "Old McDonald Had a Ford" with the band forming the old model T with the crank, customary flat tire, boiling radiator and everything that went with the T's of early days. The Alma Mater was played at the wind-up.

Director Richard Schilling announced that seven seniors in the band were making their final appearance on the football field here at last night's game, and he expressed appreciation to them and the other players who have cooperated in the season's rehearsals and performances.

Led by Chester Thompson, drum major, the band presented a fine performance.

In advance of the game Memorial's Band appealed to the voters to support the \$120,000 bond issue for the swimming pool and recreation center. Albert Bupp, Jr., voiced the appeal, asking the voters to cast their vote for the issue which will mean much to the young people of the community.

Wapakoneta

ROUGHRIDERS DOWNED BY REDSKINS 37 - 6 LOSE LEAGUE CHAMPIONSHIP

Memorial Roughriders were slaughtered by the Wapakoneta Redskins 37- to 6 last night at Wapakoneta and with the defeat went the chances for undisputed title to the championship of the Western Buckeye League. The Redskins by beating St. Marys tied for first place with Van Wert, victor over Celina, and Bellefontaine, winner over Kenton. Until last night the Roughriders were leading the league by a half-game.

The Roughriders were a dispirited team last night. They lacked the fight and the flash which they exhibited a week ago when they beat Van Wert here in a contest that has fans still talking.

Shortly after the game opened last night Wapakoneta rang up their first touchdown and that changed the story. From then on, the Roughriders appeared down hearted, beaten. They couldn't pick up that fighting spirit.

It was on the kickoff that Cook got the ball in the end zone from where he attempted to run it back but was brought down on the 5 yard line, 15 yards nearer his own goal than it would have been had the ball brought out by the officials. A fumble by Widner on the second down was recovered by Wapakoneta. The touchdown followed quickly. Wapakoneta unloosed the whole bag of tricks then, and it was the Redskins' game all the way through. Not until the final quarter, just before the end, did St. Marys succeed in crossing the goal line.

HIGH SCHOOL BAND

The high school instrumental organizations enjoyed a very successful and busy year under the direction of Richard Schilling. From the County Fair in August until the Memorial Day Parade, the band members were continually working for some program or special event.

The 90 members of the marching band performed at all the home football games and traveled to Greenville and Kenton. Drum Major Dick Hudson received the applause of the fans for his strutting ability as he brought the band down the field. Due to the fine co-operation of band members at the extra night rehearsals, many picture formations, novelties and colored-light outlines were presented.

The 80 piece concert band made its first appearance at the Christmas concert in December. This program presented the combined vocal and instrumental groups in a concert of sacred and seasonal selections.

On March 24-25 the concert band presented its eighth Spring Concert under the direction of Mr. Schilling. 1,387 persons heard the two programs and proclaimed it one of the best ever given by the high school band. A full hour of the concert was broadcast over WONW, Defiance, on the afternoon of March 27.

On April 9th the concert band journeyed to Springfield to participate in the West District Auditions. The three judges from Ohio State, Oberlin, and Bowling Green each gave the band the highest possible rating it could receive, a superior. At this writing the band is looking forward to playing in the State Finals at Columbus on May 14th.

On May 13th our high school band was host to the 622 members of the Western Ohio High School Band Festival Association. Prof. William McBride of Ohio State University will be the guest conductor for the massed concert.

Many of the ensembles organized from the band personnel presented programs for the Rotary Club, Community Institute, church organizations, lodges and social activities in St. Marys and vicinity. Five of the ensembles and Jane Nicodemus, flute soloist, participated in the West District Auditions on March 26th. Kenton Drops Roughriders 34-13 In Grid Season's League Opener

In ideal crisp grid weather the Kenton Wildcats defeated the St. Marys' Roughriders 34-13 at the Kenton, Ohio, stadium. It was the season's first Western Buckeye league game for the Roughriders while it was the second for the Kenton lads who had defeated Huffman 19-6 the previous week.

Sparked by Decker and Valentine, the Wildcats' short runs through center and around end set the evening's pace.

The Memorial lads, after a scoreless first half, picked up inches to score 13 points before the final whistle. Fite, a Roughrider regular halfback, failed to see action because of knee injuries sustained in the Greenville game.

Quarter Highlights

Kenton's Pugh started the game with a kick to Dieringer. Valentine intercepted one of Stolte's passes after Dieringer had picked up a first down on Kenton's 45 yard stripe. A 5 yard penalty against the Kenton Wildcats failed to stop their first quarter drive as they picked up a first down on the next play. Kenton made four first downs in their initial drive of the game. Johnson, of Kenton, recovered a Wildcat fumble on a first down play on Memorial's 9 yard line, but a loss set the MHS lads back on their own 1 yard line. Cook punted to Johnson as the first quarter ended.

In the second stanza the Kenton steam roller started a spirited drive that Valentine climaxed with the game's first marker and Decker added the extra point to make it 7-0 in favor of Kenton. Pugh kicked to Dieringer, who fought his way to the 22 yard line. Kenton was penalized for having too many men on the field and St. Marys started a drive that stopped on the 12 yard stripe. Decker broke away for a 72 yard jaunt which tallied the second marker of the game. Valentine added the extra point as the half ended 14-0 Kenton's favor.

Fisher kicked to Johnson to start the third quarter. Valentine galloped 44 yards to annex the third Wildcat touchdown. Pugh booted the extra point to give Kenton the top half of a 21 to 0 score. After the kickoff, the Blue and Gold lads were almost unstoppable. A penalty against Kenton gave the Roughriders a first down on the Wildcats' 11 yard line from where Fisher scored the TD. Fisher's try for conversion was good. Kenton now led 21-7. After the kickoff, the knights of the Red and White unleashed a powerful running attack that ended on the St. Marys' 3 yard line as the third quarter ended.

Decker scored on the first play of the final quarter. Decker's pass to Bailey on a fake kick for the extra point was good. At mid-point of the fourth quarter, a 15 yard penalty was inflicted against the Roughriders for holding. Decker climaxed the Wildcats' drive with Kenton's fifth touchdown. The try for extra point missed.

Osborn kicked the ball behind the St. Marys' goal line, which made it first and 10 on the Roughriders' 20. Wright intercepted a Dieringer pass on the MHS 34 yard line. Bupp intercepted the Wildcats' first-down pass and ran it to the Red and White's 44. Dean Cook clicked on a St. Marys' pass

to score St. Marys' second TD of the game. Fisher failed on the try for extra point. Decker returned Dieringer's kickoff to the Memorialite's 44 yard stripe. Pugh caught a pass in the end zone, but the play was called back. Pugh missed another pass into the end zone as the game ended.

This is another preview of a book which may be found in the non-fiction section of the library. It is "The Successful Secretary" by Margaret Pratt.

This new and stimulating book for secretaries has a completely fresh approach to the vocation that starts the majority of girls on their business careers.

Two plays later Sandstrom lugged the ball and penetrated to the Roughriders' 32 yard marker. Sandstrom then carried the ball to the 10 yard line where he was tackled by Stolte. Kleinhenz recovered a Chieftain fumble and St. Marys took over. Fisher, on St. Marys' first offensive play of the game, ran the ball almost the full length of the field to the Chieftains' 6 yard line. The Red and Black Wave put up a stone wall and held for four downs which gave them possession of the ball. Barlow punted from his own end zone to D. Cook on his own 30. The Roughriders then started a drive that ran to the 10 where, on fourth down, Gayer dropped a pass from Stolte which gave the Chieftains possession of the ball.

In the second quarter the Memorialites threw a pass to Althoff, but it was nullified by a penalty. On the next play the Roughriders gained back 15 yards of the penalty when a penalty was hung on the Chieftains for unnecessary roughness. On the first play after St. Marys took over, Fisher broke loose for a 15 yard jaunt. Two plays later Fisher repeated the same kind of play for the same amount of yardage. On fourth

down Fisher broke over for the first score of the game. Dieringer missed the try for extra point. After the Kickoff, Bellefontaine made a beautiful pass to Memorial's Kleinhenz, who ran to the Chieftains' 2 from where Fite carried the mail for Memorial's second TD. The try for extra point was blocked. The Chieftains started a drive after the kickoff. Fite intercepted a pass and ran 65 yards for the third marker and Fisher added the conversion.

To start the third quarter Fisher took Dearwester's kickoff and ran it to the 15 yard stripe. On the first play Fisher fumbled and Bellefontaine recovered. The Chieftains drove to the Memorialites' 6 yard stripe where the Roughriders held for four downs. On fourth down J. Cook's punt was blocked but St. Marys recovered for a first down on the 1 yard stripe. Kleinhenz, on fourth down, punted over the safety man's head where the Blue and Gold Wave stopped Sandstrom, who had made a short run-back. D. Cook intercepted a pass but a 15 yard penalty was called against the Roughriders for roughing the passer and Bellefontaine racked up another first down. Dearwester punted on first down to D. Cook, who was downed on his own 29 yard stripe.

In the fourth quarter after an exchange of punts, Dieringer ran the ball down the sideline for a 25 yard gain, and on the next play, D. Cook tossed the pigskin to Fite, who ran it to the 35 yard marker. On a pass from D. Cook, Fisher made the TD. The try for extra point was blocked and St. Marys led 25 to 6 with only two minutes to play. The Chieftains struck back. Linkinhoker took Dieringer's kickoff and ran 75 yards for the Chieftain's lone touchdown. The try for extra point went low. Cira intercepted a St. Marys pass and ran to the 2 yard line. Memorial's stone wall formed and held for four downs as the Chieftains were stopped on the 2 inch line when the gun announced the end of the game.

Before the game the Bellefontaine High School marching band marched to the center of the field and played "The Star-Spangled Banner."

The halftime festivities were dedicated to the Homecoming Queen, Miss Connie Bruner. The 52-piece marching band went into a heart formation for the Queen as they played "Sweetheart of Sigma Chi." The Queen was then crowned by the captain of the team.

In keeping with tradition, the band formed an "S", then an "M" for Memorial while they played MHS school song. The musicians then crossed the field designing a revolving "B" for Bellefontaine and the school song, "On Wisconsin," was given.

For the last act of the evening, the band, in regular marching formation, played "Let Me Call You Sweetheart" as they waited off the field.

ROUGHRIDERS TIE COUGARS

6 to 6 IN RAINY LEAGUE TILT

On a wet slippery field, with rain falling, the St. Marys Roughriders and the Van Wert Cougars battled to a 6 to 6 deadlock tie before a small crowd last night on the Van Wert gridiron.

The game saw no change in the tie for second position in the Western Buckeye League held by both teams before last night's contest.

What was to have been an evening of homecoming festivities-queen crowning, bands playing and all the trimmings was dampened by "Old Man Weather" as he cominated the scene and pronounced, "This will be a one act performance-football, football, and only football."

He had his way!

Game Highlights

Agler's kickoff to St. Marys did not go 10 yards and the Cougars kicked off a second time to Stolte, who took the ball to his own 30 yard marker. On third down Kleninhenz punted to the Van Wert 7 yard stripe, but the play was nullified by an off-sides penalty. Van Wert blocked Kleinhenz's second boot and recovered on the St. Marys 40. On fourth down Grunden punted to D. Cook, who was tackled on his own 7 yard line. The Roughriders started a drive but had to punt on third down. A penalty was inflicted against the Roughriders, and Kleinhenz punted again to the Van Wert 31 yard marker. Van Wert picked up first down on the St. Marys 49 yard stripe as the first quarter ended.

On third down Grunden punted to the St. Marys 18 yard line on fourth down. Despite the mud the Memorialites started a drive, but Kleinhenz had to punt from his own 30 yard marker. The Cougars fumbled the kick but recovered on the 20 yard line. Althoff intercepted a pass on his own 44 yard stripe. Dieringer ran

the ball to the 6 and Fisher splashed over for the TD. On a play through center the Roughriders couldn't quite make pay dirt for the extra point. Kleinhenz kicked off, but a penalty was called against Van Wert. After Kleinhenz kicked from the 45 the Cougars made a prolonged drive. The Red and White Wave then tried a long pass to beat the clock. On the last play in the first half, Fisher intercepted a desperation pass and ran it back 20 yards as the half whistle sounded.

To begin the second half Phillips booted to Gayer. A few plays later J. Cook punted to the 36. After a series of downs, the Cougars fumbled and the Roughriders recovered on the Van Wert 33. J. Cook punted into the end zone on fourth down to give Van Wert the ball on their own 20 yard marker. The Cougars started a small drive but were forced to punt to D. Cook on the St. Marys 30. On second down Memorial fumbled but again recovered their own fumble. On the next play a penalty was hung on Van Wert. Fisher picked up a St. Marys first down as the third quarter ended.

On the fourth down J. Cook punted to Grunden, who stiff-armed two would-be tacklers as he slashed to his own 40. From then on the Cougars were practically unstoppable until the Roughriders formed a brick wall and when on fourth down the Cougars, fake punt, which turned out to be a pass, fell incomplete. The Memorialites then took over. Van Wert blocked a J. Cook punt and recovered on the St. Marys 14 yard marker. On fourth down Agler skirted his left end for the touchdown. The conversion try was blocked. Dieringer took Phillip's kickoff and gained a bit before he was snowed under by the Cougars. On fourth down J. Cook punted and the ball was

downed on 15, but a 15 yard penalty was inflicted against St. Marys for unnecessary, roughness. With only 20 seconds left to play. Van Wert threw a desperation pass which fell incomplete. The Cougars, with only seconds left; tried the Statue of Liberty play which was smothered on the Van Wert 40 as the gun announced the end of the game.

ROUGHRIDERS DOWN REDSKINS 20-7 HOLD SECOND PLACE IN WB LEAGUE

The St. Marys Roughriders downed the Wapakoneta Redskins 20 to 7 last night at Memorial Field in the final Western Buckeye League grid game for both teams.

A capacity crowd saw the Blue and Gold lads retain their second place position in the Western Buckeye Football League. Many fans remained during the entire second half when a cold rain thoroughly drenched the field.

The St. Marys Memorialites dominated the scene during the first, third, and fourth quarters which were sparked by off-tackle plays, end runs, and plunges through the center of the line.

The Blume Redskins held the spotlight in the second quarter when they uncovered some long passes and employed clever deceptive plays to outmaneuver the Memorialites 7 to 0.

Quarter Highlights

J. Brown of the Redskins booted the opening kickoff as Dieringer took the pigskin to his own 10 and fought his way to the Red and White 30 yard stripe. The Roughriders then started a powerful drive but received a 15 yard penalty for holding. On fourth down, Kleinhenz punted out of bounds on the 30 yard marker. Wapak tried a flurry of passes but couldn't connect. On fourth down, Frame punted to D. Cook, who handed it off to Fisher, who was smothered on his own 35. The Memorialites then started a touchdown march. The Blue and Gold lads were given a first down on two successive 5 yard penalties against Wapak for offsidelaws. Dieringer took the ball and, standing up, went through the middle of the Redskins line for the touchdown. Kleinhenz's tee added the conversion. Dieringer made the game's second kickoff which was smothered by two Wapak players on the 25 yard stripe. The Redskins had possession of the ball on fourth down with 9 yards to go as the first quarter ended.

In the first play of the second stanza, Frame punted. The ball was run back to the 35 yard line but the play was called back because of a clipping penalty called against St. Marys. A pass to Stroh down the middle of the field helped the Redskins drive to the Memorial 6 yard line with a first down. Reed crashed over for the score on the second down. J. Brown knotted the score at 7 all when he made good the boot for extra point. J. Brown kicked off to Dieringer, who ran back to the Wapak 46 yard line. On fourth

down a St. Marys pass dropped incomplete and the Redskins were given a first-down on their own 33 yard stripe. Newland caught a pass and ran to the Memorial 29 yard line. On two plays the Redskins lost 20 yards, then attempted a pass, but D. Cook intercepted it as the half whistle sounded.

Dieringer kicked off to Reed to start the second half. VanSkiver snared a pass and ran to the St. Marys 46. The Redskins started a march. On fourth down, Wapak punted into the end zone as the Roughriders took over on their own 20. A series of line bucks took the Memorialites to the Wapak 6 yard line and on the next play Gayer crashed over for the TD. Kleinhenz booted the extra point. Dieringer kicked off and Reed ran the pigskin to the 40 yard line as the third quarter ended.

In the final period D. Cook took Wapak's punt and advanced to his own 21 yard line. The Memorialites then started a drive that was climaxed by Fite's scoring the third TD for St. Marys. The placement was blocked. After the kickoff Wapak fumbled and St. Marys recovered. On the next play the Redskins recovered a St. Marys fumble. On fourth down, a bad pass from the Blume center caused a fumble on the 13 yard line where the Roughriders recovered. After the oval changed hands, J. Cook took Frame's punt to the Redskins' 45 yard line. Later Wapak lost 5 yards as the game's final whistle blew.

The Memorial High School Band took the field before the game and played "The Star-Spangled Banner" while they formed a large U. S. A.

At half time, the Wapakoneta Band marched out, formed the Roughriders' hat, and played the St. Marys School Song. Their second number, under lights, was the formation of a face to the tune of "Baby Face." With lights still glowing, the Blume High instrumentalists designed a heart and played "Let Me Call You Sweetheart". For their fourth number, a tepee with a traditional "W" inside provided the setting for the Blume High Alma Mater.

The St. Marys Band after a fanfare, took the field to form a block "B" while playing the Notre Dame Victory March. The Blue and Gold musicians shifted into a cathedral formation and played "God of Our Fathers". In keeping with the Thanksgiving season, a huge turkey was designed as "Turkey in the Straw" was given. They then formed a block "M" and played "Across the Field". The finale number, the MHS monogram, set the stage for the Memorial Alma Mater.

THE BLUE & Gold Report

REMINISCENCES OF "48" (FOOTBALL INNUENDOS)

During the course of the past football season, many very interesting things happened that did not find their way into the accounts of the games. These things were intentionally omitted or only mentioned slightly because this reporter felt the whole team, instead of any individual, had a hand in whatever happened in the games.

I am making an attempt here to mention some of the things that still are remembered by the fans as outstanding performances on the gridiron.

"Dick" Althoff - a fine defensive end in his first year of varsity football kept throwing the Wapak grid machine for long losses, especially when they threatened the Memorial goal line.

"Bill" Brodbeck - reached his peak as an offensive blocker in the Wapakoneta game, He gave the Redskin defensive backfield and line backers rough time.

John Bayman - always full of spirit, fought to stay in the Bellefontaine game when his teammates tried to help him to the side line.

Ray Kleinhenz - played his best game of the season against Bluffton ; he repeatedly kept making holes in the line and throwing the ball carriers for losses.

Dale Macke - a versatile player, who manned both center and guard positions at different times in the season.

"Bill" Dearing - although hindered by a bad knee was an all round 48 minute lineman. Bill was best at defensive play.

Herman Dietz - was the team's right end and was especially gifted in stopping the enemy sweeps round his end. He showed up especially well in the Van Wert game.

Harry Stolte - completed the long pass to Gayer in the Urbana game that almost turned the tables on the cleanest playing team the Roughriders engaged this year.

Dean Cook - alternated with Stolte at quarterback, usually piloted the team on offense. Only a sophomore, Dean has two years of football left.

Fred Fisher - played good ball all year, but made his best showings of the season in the Bellefontaine and Greenville games.

"Ronnie" Fite - hampered by injuries, nevertheless intercepted a pass and ran for a touchdown in the Bellefontaine game. He also was on the receiving end of some nice passes in the same game.

"Kenny" Gayer found himself in the Urbana game where he made many sizable gains that helped the Roughriders give the Urbana fans a scare. Kenny liked body contact.

Larry Dieringer - his long run set up the touchdown scored against Van Wert' he also made many long gains against Wapakoneta and scored the first of St. Marys three touchdowns in the Wapak game.

Memorial's season record was" won, four games - Celina, Bluffton, Bellefontaine, and Wapakoneta; lost, four games - Greenville, Kenton, Coldwater, and Urbana; and tied one game against Van Wert.

These things just touch lightly on some of the things the fans will remember, but one of the main things they will remember is how the charges of Mr. Barber improved as the season progressed.

COACHES

MR. BARBER

About six years ago, Mr. Barber made his appearance as one of our faculty members. He was to be our coach for football, basketball and baseball. He has had his ups and downs with his teams, but we feel that he has made Memorial a more respected and worthy opponent in the Western Buckeye League. Mr. Dennings is assistant coach for our football team. He has the job of getting our linemen into shape.

We of Memorial are proud of both of our coaches and we want to wish them success in future years to come.

Bluffton—19 St. Marys—6

St. Marys Roughriders lose to Bluffton Pirates in a league game on a wet field at Bluffton. The Pirates took advantage of MHS costly fumbles and started to victory.

Bellefontaine—20 St. Marys—20

Memorial Roughriders battled with hard blows the Bellefontaine Chieftains at the Memorial Field. Penalization on St. Marys and the Chieftains' fumbles helped tie the score of this league game.

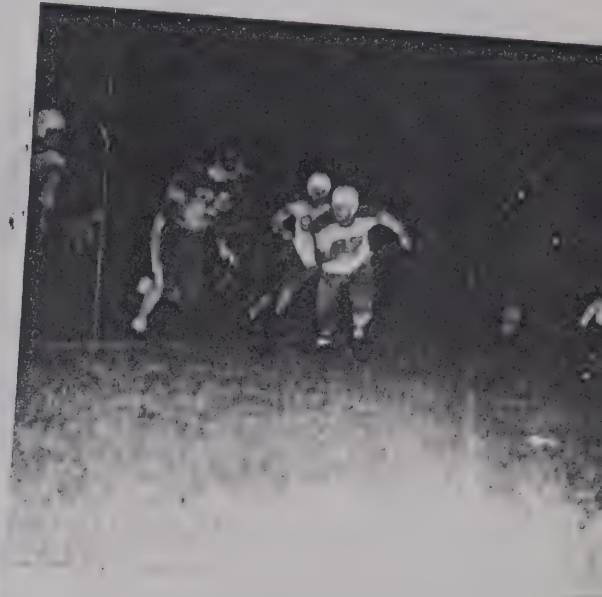

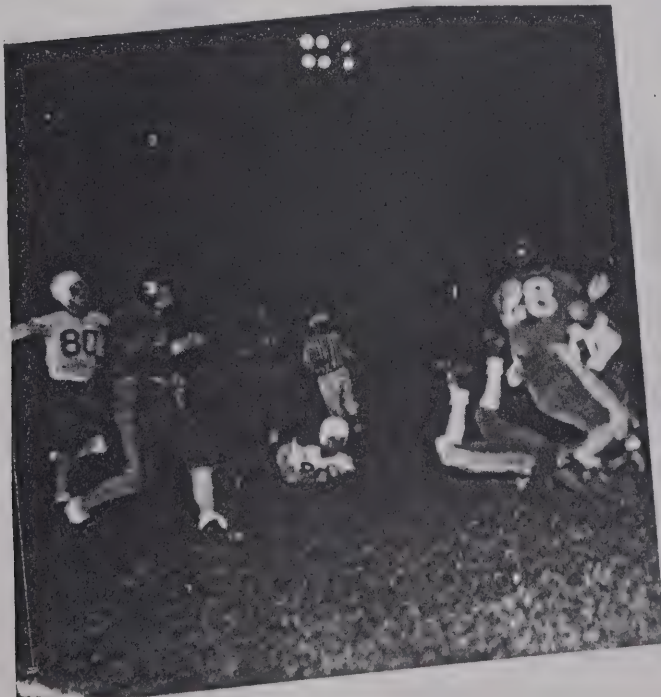

Van Wert—26 St. Marys—20

MEMORIAL HIGH SCHOOL BAND

The 106 piece marching band performed at eight football games. Formations such as the "Whiffenpoof," New Look, and Halloween show received a large applause from the audience. The band made a total of 78 formations throughout the football season. Dick Hudson, our snappy drum major received many fine comments. Chester Thompson served as student conductor.

Other band personnel were: majorettes, Evelyn Glick, Jo Ann McEvoy, Shirlene Selby, and Jill Steen; flag twirlers were Jane Larkin and Ann Schultz; flag bearers were Jim Krogman and Richard Ike.

CHEERLEADERS

No sports program would be complete without cheerleaders. Memorial's cheering section was led by Mary Holtzhauer, Betty Lynch, Ruth White, Mary Jo Kuenzel and Dorothy Beckett. The efforts of this hardworking quintet did much to lift the morale of the team when the going got rough.

In recognition of their long hours of practice and their faithful service, each cheerleader received an "M". With these awards go the students' heartfelt "thanks" for a job well done.

Greenville Downs Memorial 25-12; 3,500 Fans See Grid Season Opener

The Greenville Green Wave topped the Memorial Roughriders 25 to 12 in a non-league game played last night before approximately 3500 fans at Memorial Field.

Sparked by many long passes and runs, Greenville took an early lead. The Roughriders, after trying many times, hit pay dirt in the last quarter.

Game Highlights

In the first quarter Stolte kicked to Whittaker, who was stopped by the Roughriders. On the next play Whittaker ran 45 yards and was halted again. Gayer and Fite gained yardage for Memorial. Glass punted and Whittaker took the ball. After penetrating deep into Memorial territory, Hufnagle went over standing up for the only score in the quarter. The try for extra point was no good.

Bob Hirschfeld, stellar right guard for Memorial, early in the first quarter, suffered a broken leg and was removed to the hospital in an ambulance.

The second quarter saw no spectacular ball on the part of either team.

During the third period Greenville ran rough-shod over the Blue and Gold, but strong goal line stands kept the Green and White wave from scoring.

The last quarter was dotted by touchdown plays. Five TD's were scored in 12 minutes of play—three by Greenville and two by Memorial. A line plunge by Gayer gave the Roughriders their first score. As minutes ticked away, St. Marys took to the air. After two quick passes, Cook snagged a third pass and crossed the goal line standing up to score Memorial's final marker for the evening.

Bluffton Grid Team to Quit W. B. League

The Bluffton Pirates will withdraw from football participation in the Western Buckeye League at the close of this season, the school officials have announced. The team will continue in basketball participation for the present but will also withdraw from it as soon as another school indicates it will play in the league basketball and football seasons.

Small enrollments at the school have made the decision necessary, it was pointed out.

Bellefontaine school officials were named president and secretary of the league for the year, replacing the Wapakoneta officials.
